Brief Description: Providing Kingston-Seattle and Southworth-Seattle passenger-only ferry service.

HB 3012 - DIGEST

Finds that passenger-only ferry service is an important component in the overall state transportation system.

Finds that in order to allow options for the traveling public, state-sponsored passenger-only service must continue to be provided and expanded where practical.

Directs the department to provide passenger-only ferry service connecting Southworth directly with Seattle and connecting Kingston directly with Seattle. This service at minimum must be provided during work-day commuter hours.
