Brief Description: Encouraging counties and local governments to establish a Children's Advocacy Center. (REVISED FOR PASSED LEGISLATURE: Encouraging counties, local governments, and the department of social and health services to help facilitate the creation and operation of Children's Advocacy Centers.)

HJM 4012 - DIGEST

(DIGEST AS PASSED LEGISLATURE)

Encourages counties, local governments, and the Department of Social and Health Services to help facilitate the creation and operation of Children's Advocacy Centers which are members of the National Children's Alliance, and to help ensure the participation of their relevant employees in these Centers, to improve outcomes for child victims of sexual abuse.
