---

**House Bills**

---

**HB 2240** by Representative Conway

Determining who controls the salaries and fringe benefits of certain employees of institutions of higher education.

Amends RCW 41.06.070 relating to the salaries and fringe benefits of certain employees of institutions of higher education.

**-- 2003 REGULAR SESSION --**

Apr 8 First reading, referred to Appropriations.

**HB 2241** by Representatives Cooper, Linville and Upthegrove

Providing for marine protection in Puget Sound.

Finds that the safety of Puget Sound waters is currently substantially improved on a temporary basis by an oil spill prevention tugboat stationed at the westward end of the Strait of Juan de Fuca. Permanent funding for marine protection would ensure that the marine waters of Washington could be protected for generations to come. Therefore, it is the policy of the state to create a dedicated account for funds to protect the marine waters on the coast and in the Strait of Juan de Fuca.

Requires the department of ecology to complete an evaluation of tug escort requirements for laden tankers to determine if the current escort system requirements under RCW 88.16.190 should be modified to recognize safety enhancements of new double hull tankers deployed with redundant systems and recent enhancements to the international tug of opportunity system. The department shall provide a report with recommendations to the governor and the appropriate committees of the legislature by January 1, 2005.

**-- 2003 REGULAR SESSION --**

Apr 8 First reading, referred to Fisheries, Ecology & Parks.
