Brief Description: Implementing digitally printed license plates.

SB 5643 - DIGEST

(SEE ALSO PROPOSED 1ST SUB)

Directs the department to implement a flat, digitally printed license plate system that must be used to manufacture all license plates issued under chapter 46.16 RCW. This system must be in place and operational by January 1, 2004, and the system must be used to produce all license plates issued under this chapter by no later than July 1, 2011. The digitally printed license plates may also include bar codes to facilitate distribution and inventory control.
