Brief Description: Allowing wine importers to sell imported wine at wine specialty shops.

SB 5825 - DIGEST

Declares that nothing in RCW 66.28.010 prohibits the holder of a wine importer license issued under RCW 66.24.203 from having an interest directly or indirectly in a beer and/or wine specialty shop license issued under RCW 66.24.371.

Provides that wine so imported may be sold to licensed wine distributors or exported from the state, and may be sold at retail by the licensee, solely at a wine specialty shop owned by that licensee, if that licensee holds a valid beer and/or wine specialty shop license issued under RCW 66.24.371.
