

5890-S2

Sponsor(s): Senate Committee on Ways & Means (originally sponsored by Senators Swecker, Rasmussen and Parlette)

Brief Description: Initiating a pilot project to determine the feasibility and benefits for medical monitoring of agricultural workers. Revised for 2nd Substitute: Initiating a pilot project to determine the feasibility and benefits for medical monitoring of agricultural workers. (REVISED FOR PASSED LEGISLATURE: Requiring a report to the legislature on the rule-making process for medical monitoring of agricultural workers.)

SB 5890-S2 - DIGEST

(DIGEST AS ENACTED)

Declares that the legislature is interested in tracking the rule development and implementation process for cholinesterase medical monitoring of farm workers who handle cholinesterase-inhibiting pesticides. The department of labor and industries and stakeholders representing agricultural employers and employees shall report to the house commerce and labor committee and the senate agriculture committee by September 1, 2003, and by December 1, 2003, on the status of the rule development and implementation.
