Brief Description: Requiring part-time faculty to be paid at the same time as full-time faculty.

SB 5901 - DIGEST

Provides that, beginning with the second contiguous term of employment, excluding summer term, part-time faculty members at community and technical colleges and four-year institutions must be paid on the same schedule as full-time faculty, except when the first payday for a given term occurs prior to the commencement of a part-time faculty member's duties for that term.
