Brief Description: Extending the ages included in special educational and training programs for disabled children.

SB 5931 - DIGEST

Declares that special educational and training programs provided by the state and the school districts thereof for children with disabilities shall be extended to include children birth to three years of age. School districts shall provide early intervention services to all children with disabilities from birth to three years of age. School districts shall provide these early intervention services in partnership with county birth-to-three lead agencies and birth-to-three providers.
