Brief Description: Ensuring deployment of personal wireless service facilities.

SB 6091 - DIGEST

(DIGEST AS ENACTED)

Finds that personal wireless service is a critical part of the state's infrastructure. The rapid deployment of personal wireless service facilities is critical to ensure public safety, network access, quality of service, and rural economic development.

Declares that it is the policy of this state to assure that the use of rights of way of state highways accommodate the deployment of personal wireless service facilities consistent with highway safety and the preservation of the public investment in state highway facilities.
