Brief Description: Changing provisions relating to driver's licenses.

**SB 6564-S - DIGEST**

(DIGEST OF PROPOSED 1ST SUBSTITUTE)

Provides that, if a court determines, in its discretion that a person is not able to pay a monetary obligation in full, and not more than one year has passed since the effective date of this act or the date the monetary obligation initially became due and payable, the court shall enter into a payment plan with the person, unless the person has previously been granted a payment plan with respect to the same monetary obligation, in which case the court may, at its discretion, implement a payment plan.

Provides that, if a person has not entered into a payment plan with the court and has not paid the monetary obligation in full on or before the time established for payment, the court shall notify the department of the delinquency. The department shall suspend the person's driver's license or driving privilege until all monetary obligations have been paid, including those imposed under this act, or until the person has entered into a payment plan under this act.
