Brief Description: Concerning electrical work on boilers.

**SB 6586 - DIGEST**

(DIGEST AS ENACTED)

Provides that, until July 1, 2005, the department of labor and industries shall cease to administer and enforce licensing requirements under RCW 19.28.091, certification requirements under RCW 19.28.161, and inspection and permitting requirements under RCW 19.28.101, as applied only to maintenance work on the electrical controls of a boiler performed by an employee of a service company.

Directs the electrical board and the board of boiler rules to jointly evaluate whether electrical licensing, certification, inspection, and permitting requirements should apply to maintenance work on the electrical controls of a boiler performed by an employee of a service company. The electrical board shall report their joint findings and recommendations for legislation or rule making, if any, to the commerce and labor committee of the house of representatives and the commerce and trade committee of the senate by December 1, 2004.
