Brief Description: Establishing a relationship and accountability among Washington state and American Indian tribes regarding health care services.

SB 6608 - DIGEST

Provides that, consistent with the centennial accord, the new millennium agreement, related treaties, and federal and state law, it is the intent of the legislature to establish a framework whereby the state and federally recognized tribes jointly establish operations and methods of accountability to provide health care services to maintain and improve the health status of American Indians residing in Washington state.

Repeals RCW 43.70.590.
