

2SHB 1291 - H AMD

By Representative Cody

1 On page 2, line 10, strike "PART I: FUNDING PATIENT SAFETY
2 EFFORTS"

3 Correct the section numbers appropriately.

4 On page 6, beginning on line 12, strike all material through "law."
5 on page 14, line 3

6 Renummer the remaining sections consecutively and correct any
7 internal references accordingly. Correct the title.

EFFECT: Removes evidentiary protections for statements of apology or fault and statements regarding remedial actions. Removes expanded evidentiary protections for offers to pay medical expenses. Removes the requirement that a prescription be hand printed, typewritten, or electronically generated. Removes the expansion of eligibility for coordinated quality improvement programs to include consortiums of five or more health care providers.
