

SHB 1663 - H AMD

By Representative Talcott

1 On page 3, line 30, after "student" insert ", prior to the
2 student's enrollment,"

EFFECT: Clarifies the timing of when a school district must provide a parent of a home-schooled student with a description of any difference between an enrollment option selected by a home-schooled student and home schooling. The description will be provided before the student enrolls in a digital learning course.
