

By Representative Morris

SHB 2738 - H COMM AMD
By Committee on Transportation

1 On page 1, after line 11, strike all of section 2, and insert
2 the following:

3 "NEW SECTION. **Sec. 2** A new section is added to chapter 19.112
4 RCW to read as follows:

5 (1) When the director determines that a predominant portion of
6 the feedstock to satisfy the two percent requirement was grown in
7 Washington state, or the date November 30, 2008, has passed,
8 businesses selling fuel at the distributor level in the state of
9 Washington must at the end of each calendar year provide evidence
10 to the department of licensing that at least two percent of total
11 diesel fuel sales were biodiesel fuel.

12 (2) If the director determines that both in-state oil seed
13 crushing capacity and feedstock grown in Washington state can
14 satisfy the two percent requirement, businesses selling fuel at the
15 distributor level in the state of Washington must at the end of
16 each calendar year provide evidence to the department of licensing
17 that at least five percent of total diesel fuel sales were
18 biodiesel fuel.

19 (3) For the purposes of this chapter, "biodiesel fuel" has the
20 meaning provided in RCW 82.29A.135.

21 (4) The director shall adopt rules for enforcing and carrying
22 out the purposes of this section."

EFFECT: Requires businesses selling fuel at the distributor level in the state of Washington to provide evidence to the Department of Licensing at the end of each calendar year that at least two percent of total diesel fuel sales were biodiesel fuel. Requires businesses selling fuel at the distributor level in the state of Washington to provide evidence to the Department of Licensing at the end of each calendar year that at least five percent of total diesel fuel sales were biodiesel

fuel, if the minimum biodiesel fuel sales requirement increases to five percent.
