By Committee on Children & Family Services

1 Strike everything after the enacting clause and insert the  
 2 following:

3 " **Sec. 1.** RCW 26.44.100 and 1998 c 314 s 8 are each amended to  
 4 read as follows:

5 (1) The legislature finds parents and children often are not  
 6 aware of their due process rights when agencies are investigating  
 7 allegations of child abuse and neglect. The legislature reaffirms  
 8 that all citizens, including parents, shall be afforded due  
 9 process, that protection of children remains the priority of the  
 10 legislature, and that this protection includes protecting the  
 11 family unit from unnecessary disruption. To facilitate this goal,  
 12 the legislature wishes to ensure that parents and children be  
 13 advised in writing and orally, if feasible, of their basic rights  
 14 and other specific information as set forth in this chapter,  
 15 provided that nothing contained in this chapter shall cause any  
 16 delay in protective custody action.

17 (2) The department shall, at the initial point of contact,  
 18 notify the alleged perpetrator of ((the allegations of))child  
 19 abuse ((and)) or neglect ((at the earliest possible point in the  
 20 investigation that will not jeopardize the safety and protection of  
 21 the child or the investigation process))of the complaints or  
 22 allegations made against the individual, in a manner consistent  
 23 with the laws protecting the rights of the persons making the  
 24 complaints or allegations, unless such notice will jeopardize the  
 25 safety or protection of the child or the course of the  
 26 investigation.

27 Whenever the department completes an investigation of a child  
 28 abuse or neglect report under chapter 26.44 RCW, the department  
 29 shall notify the alleged perpetrator of the report and the

1 department's investigative findings. The notice shall also advise  
2 the alleged perpetrator that:

3 (a) A written response to the report may be provided to the  
4 department and that such response will be filed in the record  
5 following receipt by the department;

6 (b) Information in the department's record may be considered in  
7 subsequent investigations or proceedings related to child  
8 protection or child custody;

9 (c) Founded reports of child abuse and neglect may be  
10 considered in determining whether the person is disqualified from  
11 being licensed to provide child care, employed by a licensed child  
12 care agency, or authorized by the department to care for children;  
13 and

14 (d) An alleged perpetrator named in a founded report of child  
15 abuse or neglect has the right to seek review of the finding as  
16 provided in this chapter.

17 (3) The notification required by this section shall be made by  
18 certified mail, return receipt requested, to the person's last  
19 known address.

20 (4) The duty of notification created by this section is subject  
21 to the ability of the department to ascertain the location of the  
22 person to be notified. The department shall exercise reasonable,  
23 good-faith efforts to ascertain the location of persons entitled to  
24 notification under this section.

25 (5) The department shall provide training to all persons who  
26 conduct investigations under this section that shall include, but  
27 is not limited to, training regarding the legal duties of the  
28 department from the initial time of contact during investigation  
29 through treatment in order to protect children and families.

30 NEW SECTION. Sec. 2. The legislature finds that whenever  
31 possible, children should remain in the home of their parents. It  
32 is only when the safety of the child is a concern that the child  
33 should be removed from the home.

34 The legislature finds that the safety of a child is put in  
35 jeopardy when a child is subject to chronic neglect. The  
36 legislature recognizes that chronic neglect may be more dangerous  
37 to a child than physical or sexual abuse, and must be treated as

1 such by those charged with the protection of children in this  
2 state.

3 It is the intent of the legislature that the department of  
4 social and health services be permitted to intervene in cases of  
5 chronic neglect where the well-being of the child is at risk. One  
6 incident of neglect may not rise to the level requiring state  
7 intervention; however, a pattern of neglect has been shown to cause  
8 damage to the health and well-being of the child subject to the  
9 neglect.

10 It is the intent of the legislature that when chronic neglect  
11 has been found to exist in a family, the legal system reinforce the  
12 need for the parent to engage in services that will decrease the  
13 likelihood of future neglect. However, if the parents fail to  
14 comply with the necessary services, the state must intervene to  
15 protect the children who are at risk.

16 **Sec. 3.** RCW 13.34.138 and 2003 c 227 s 5 are each amended to  
17 read as follows:

18 (1) Except for children whose cases are reviewed by a citizen  
19 review board under chapter 13.70 RCW, the status of all children  
20 found to be dependent shall be reviewed by the court at least every  
21 six months from the beginning date of the placement episode or the  
22 date dependency is established, whichever is first, at a hearing in  
23 which it shall be determined whether court supervision should  
24 continue. The initial review hearing shall be an in-court review  
25 and shall be set six months from the beginning date of the  
26 placement episode or no more than ninety days from the entry of the  
27 disposition order, whichever comes first. The initial review  
28 hearing may be a permanency planning hearing when necessary to meet  
29 the time frames set forth in RCW 13.34.145(3) or 13.34.134. The  
30 review shall include findings regarding the agency and parental  
31 completion of disposition plan requirements, and if necessary,  
32 revised permanency time limits. This review shall consider both  
33 the agency's and parent's efforts that demonstrate consistent  
34 measurable progress over time in meeting the disposition plan  
35 requirements. The requirements for the initial review hearing,  
36 including the in-court requirement, shall be accomplished within  
37 existing resources. The supervising agency shall provide a foster  
38 parent, preadoptive parent, or relative with notice of, and their

1 right to an opportunity to be heard in, a review hearing pertaining  
2 to the child, but only if that person is currently providing care  
3 to that child at the time of the hearing. This section shall not  
4 be construed to grant party status to any person who has been  
5 provided an opportunity to be heard.

6 (a) A child shall not be returned home at the review hearing  
7 unless the court finds that a reason for removal as set forth in  
8 RCW 13.34.130 no longer exists. The parents, guardian, or legal  
9 custodian shall report to the court the efforts they have made to  
10 correct the conditions which led to removal. If a child is  
11 returned, casework supervision shall continue for a period of six  
12 months, at which time there shall be a hearing on the need for  
13 continued intervention.

14 (b) If the child is not returned home, the court shall  
15 establish in writing:

16 (i) Whether reasonable services have been provided to or  
17 offered to the parties to facilitate reunion, specifying the  
18 services provided or offered;

19 (ii) Whether the child has been placed in the least-restrictive  
20 setting appropriate to the child's needs, including whether  
21 consideration and preference has been given to placement with the  
22 child's relatives;

23 (iii) Whether there is a continuing need for placement and  
24 whether the placement is appropriate;

25 (iv) Whether there has been compliance with the case plan by  
26 the child, the child's parents, and the agency supervising the  
27 placement;

28 (v) Whether progress has been made toward correcting the  
29 problems that necessitated the child's placement in out-of-home  
30 care;

31 (vi) Whether the parents have visited the child and any reasons  
32 why visitation has not occurred or has been infrequent;

33 (vii) Whether additional services, including housing  
34 assistance, are needed to facilitate the return of the child to the  
35 child's parents; if so, the court shall order that reasonable  
36 services be offered specifying such services; and

37 (viii) The projected date by which the child will be returned  
38 home or other permanent plan of care will be implemented.

1 (c) The court at the review hearing may order that a petition  
2 seeking termination of the parent and child relationship be filed.

3 (2)(a) In any case in which the court orders that a dependent  
4 child may be returned to or remain in the child's home, the in-home  
5 placement shall be contingent upon the following:

6 (i) The cooperation by the parents with the agency case plan;

7 (ii) The compliance of the parents with court orders related to  
8 the care and supervision of the child; and

9 (iii) The continued participation of the parents in remedial  
10 services.

11 (b) The following may be grounds for removal of the child from  
12 the home, subject to review by the court:

13 (i) Noncompliance by the parents with the case plan or court  
14 order;

15 (ii) The parent's inability, unwillingness, or failure to  
16 participate in services or treatment for themselves or the child;  
17 or

18 (iii) The failure of the parents to successfully and  
19 substantially complete services or treatment for themselves or the  
20 child.

21 (3) The court's ability to order housing assistance under RCW  
22 13.34.130 and this section is: (a) Limited to cases in which  
23 homelessness or the lack of adequate and safe housing is the  
24 primary reason for an out-of-home placement; and (b) subject to the  
25 availability of funds appropriated for this specific purpose.

26 ~~((+3))~~ (4) The court shall consider the child's relationship  
27 with siblings in accordance with RCW 13.34.130(3).

28 **Sec. 4.** RCW 26.44.015 and 1999 c 176 s 28 are each amended to  
29 read as follows:

30 (1) This chapter shall not be construed to authorize  
31 interference with child-raising practices, including reasonable  
32 parental discipline, which are not injurious to the child's health,  
33 welfare, ~~((and))~~ or safety.

34 (2) Nothing in this chapter may be used to prohibit the  
35 reasonable use of corporal punishment as a means of discipline.

36 (3) No parent or guardian may be deemed abusive or neglectful  
37 solely by reason of the parent's or child's blindness, deafness,  
38 developmental disability, or other handicap.

1           **Sec. 5.** RCW 26.44.020 and 2000 c 162 s 19 are each amended to

15 accredited Christian Science practitioner: PROVIDED, HOWEVER, That  
16 a person who is being furnished Christian Science treatment by a

18 considered, for that reason alone, a neglected person for the

30 professional capacity during the regular course of employment in

8 alleged abuse or neglect. Child protective services includes  
9 referral to services to ameliorate conditions that endanger the  
10 welfare of children, the coordination of necessary programs and  
11 services relevant to the prevention, intervention, and treatment of  
12 child abuse and neglect, and services to children to ensure that  
13 each child has a permanent home. In determining whether protective  
14 services should be provided, the department shall not decline to

17 the abuse or neglect.

29 a child-placing agency, private adoption agency, or any other  
30 provider licensed under chapter 74.15 RCW.

31 NEW SECTION. Sec. 6. A new section is added to chapter 26.44  
32 RCW to read as follows:

33 (1) If the department, upon investigation of a report that a  
34 child has been abused or neglected as defined in this chapter,  
35 determines that the child has been subject to or is at risk of  
36 negligent treatment or maltreatment, the department may offer  
37 services to the child's parents, guardians, or legal custodians (a)  
38 to ameliorate the conditions that endangered the welfare of the

1 child or that place the child at risk of future abuse or neglect,  
2 or (b) to address or treat the effects of mistreatment or neglect  
3 upon the child. If the child's parents, guardians, or legal  
4 custodians are available and willing to participate on a voluntary  
5 basis in in-home services, and the department determines that in-  
6 home services on a voluntary basis are appropriate for the family,  
7 the department may offer such services.

8 (2) In cases where the department has offered appropriate and  
9 reasonable services under subsection (1) of this section, and the  
10 parents, guardians, or legal custodians refuse to accept or fail to  
11 obtain appropriate treatment or services, or are unable or  
12 unwilling to participate in or successfully and substantially  
13 complete the treatment or services identified by the department,  
14 the department may initiate a dependency proceeding under chapter  
15 13.34 RCW on the basis that the negligent treatment or maltreatment  
16 by the parent, guardian, or legal custodian constitutes neglect.

17 (3) Nothing in this section precludes the department from  
18 filing a dependency petition as provided in chapter 13.34 RCW if it  
19 determines that such action is necessary to protect the child from  
20 abuse or neglect or safeguard the child from future abuse or  
21 neglect.

22 (4) Nothing in this section shall be construed to create in any  
23 person an entitlement to services or financial assistance in paying  
24 for services or to create judicial authority to order the provision  
25 of services to any person or family if the services are unavailable  
26 or unsuitable or if the child or family is not eligible for such  
27 services.

28 **Sec. 7.** RCW 74.13.031 and 2004 c 183 s 3 are each amended to  
29 read as follows:

30 The department shall have the duty to provide child welfare  
31 services and shall:

32 (1) Develop, administer, supervise, and monitor a coordinated  
33 and comprehensive plan that establishes, aids, and strengthens  
34 services for the protection and care of runaway, dependent, or  
35 neglected children.

36 (2) Within available resources, recruit an adequate number of  
37 prospective adoptive and foster homes, both regular and  
38 specialized, i.e. homes for children of ethnic minority, including

1 Indian homes for Indian children, sibling groups, handicapped and  
2 emotionally disturbed, teens, pregnant and parenting teens, and  
3 annually report to the governor and the legislature concerning the  
4 department's success in: (a) Meeting the need for adoptive and  
5 foster home placements; (b) reducing the foster parent turnover  
6 rate; (c) completing home studies for legally free children; and  
7 (d) implementing and operating the passport program required by RCW  
8 74.13.285. The report shall include a section entitled "Foster  
9 Home Turn-Over, Causes and Recommendations."

10 (3) Investigate (~~((complaints of any recent act or failure to~~  
11 ~~act))~~ reports of child abuse or neglect as defined in chapter 26.44  
12 RCW on the part of a parent, guardian, or legal custodian of the  
13 child, member of the household of such persons, agency as defined  
14 in chapter 74.15 RCW providing care to the child, or other  
15 caretaker ((that results in death, serious physical or emotional  
16 harm, or sexual abuse or exploitation, or that presents an imminent  
17 risk of serious harm)) of the child who is serving in place of the  
18 parent, and on the basis of the findings of such investigation,  
19 offer child welfare services in relation to the problem to such  
20 ((~~parents, legal custodians, or~~)) persons ((~~serving in loco~~  
21 ~~parentis~~)), and/or bring the situation to the attention of an  
22 appropriate court, or another community agency: PROVIDED, That an  
23 investigation is not required of nonaccidental injuries which are  
24 clearly not the result of a lack of care or supervision by the  
25 child's parents, guardians, legal custodians, or persons serving in  
26 ((~~loco parentis~~)) place of a parent. If the investigation reveals  
27 that a crime against a child may have been committed, the  
28 department shall notify the appropriate law enforcement agency.

29 (4) Offer, on a voluntary basis, family reconciliation services  
30 to families who are in conflict.

31 (5) Monitor out-of-home placements, on a timely and routine  
32 basis, to assure the safety, well-being, and quality of care being  
33 provided is within the scope of the intent of the legislature as  
34 defined in RCW 74.13.010 and 74.15.010, and annually submit a  
35 report measuring the extent to which the department achieved the  
36 specified goals to the governor and the legislature.

37 (6) Have authority to accept custody of children from parents  
38 and to accept custody of children from juvenile courts, where  
39 authorized to do so under law, to provide child welfare services

1 including placement for adoption, and to provide for the physical  
2 care of such children and make payment of maintenance costs if  
3 needed. Except where required by Public Law 95-608 (25 U.S.C. Sec.  
4 1915), no private adoption agency which receives children for  
5 adoption from the department shall discriminate on the basis of  
6 race, creed, or color when considering applications in their  
7 placement for adoption.

8 (7) Have authority to provide temporary shelter to children who  
9 have run away from home and who are admitted to crisis residential  
10 centers.

11 (8) Have authority to purchase care for children; and shall  
12 follow in general the policy of using properly approved private  
13 agency services for the actual care and supervision of such  
14 children insofar as they are available, paying for care of such  
15 children as are accepted by the department as eligible for support  
16 at reasonable rates established by the department.

17 (9) Establish a children's services advisory committee which  
18 shall assist the secretary in the development of a partnership plan  
19 for utilizing resources of the public and private sectors, and  
20 advise on all matters pertaining to child welfare, licensing of  
21 child care agencies, adoption, and services related thereto. At  
22 least one member shall represent the adoption community.

23 (10) Have authority to provide continued foster care or group  
24 care for individuals from eighteen through twenty years of age to  
25 enable them to complete their high school or vocational school  
26 program.

27 (11) Refer cases to the division of child support whenever  
28 state or federal funds are expended for the care and maintenance of  
29 a child, including a child with a developmental disability who is  
30 placed as a result of an action under chapter 13.34 RCW, unless the  
31 department finds that there is good cause not to pursue collection  
32 of child support against the parent or parents of the child.

33 (12) Have authority within funds appropriated for foster care  
34 services to purchase care for Indian children who are in the  
35 custody of a federally recognized Indian tribe or tribally licensed  
36 child-placing agency pursuant to parental consent, tribal court  
37 order, or state juvenile court order; and the purchase of such care  
38 shall be subject to the same eligibility standards and rates of

1 support applicable to other children for whom the department  
2 purchases care.

3 Notwithstanding any other provision of RCW 13.32A.170 through  
4 13.32A.200 and 74.13.032 through 74.13.036, or of this section all  
5 services to be provided by the department of social and health  
6 services under subsections (4), (6), and (7) of this section,  
7 subject to the limitations of these subsections, may be provided by  
8 any program offering such services funded pursuant to Titles II and  
9 III of the federal juvenile justice and delinquency prevention act  
10 of 1974.

11 (13) Within amounts appropriated for this specific purpose,  
12 provide preventive services to families with children that prevent  
13 or shorten the duration of an out-of-home placement.

14 (14) Have authority to provide independent living services to  
15 youths, including individuals eighteen through twenty years of age,  
16 who are or have been in foster care.

17 NEW SECTION. **Sec. 8.** The legislature recognizes that the  
18 fiscal and workload impact of this act may not be fully determined  
19 until after it is implemented and that such impact may further be  
20 affected by the funding or availability of community-based  
21 prevention and remedial services. For that reason, the department  
22 of social and health services shall report on the implementation of  
23 this act to the appropriate legislative committees and the governor  
24 by December 1, 2006. The report shall include information  
25 regarding any change over previous years in the number and type of  
26 child abuse and neglect referrals received and investigations  
27 conducted, any change in in-home and out-of-home dependency  
28 placements and/or filings, any increased service costs, barriers to  
29 implementation, and an assessment of the fiscal and workload impact  
30 on the department. Such information shall be reviewed by the  
31 legislature for possible amendment of this act or additional  
32 allocation of resources to the department for implementation  
33 purposes.

34 NEW SECTION. **Sec. 9.** This act takes effect January 1, 2006.

35 NEW SECTION. **Sec. 10.** This act may be known and cited as the  
36 Justice and Raiden Act."
