By Senator Delvin

PULLED 03/01/2006

1 On page 2, line 1 of the amendment, after "1994" strike ", and
2 until July 1, 2008"

3 On page 2, beginning on line 3 of the amendment, after "weight."
4 strike all material through "weight." on line 5 and insert "After July
5 1, 2008, a person may not use dishwashing detergent that contains 0.5
6 percent or more phosphorus by weight if the effluent drains into an on-
7 site sewage disposal system, as defined in RCW 70.118.020, within
8 counties that are located east of the crest of the Cascade mountains
9 with populations greater than four hundred thousand as determined by
10 office of financial management population estimates."

EFFECT: Makes the 0.5 percent phosphorus limit applicable only if
dishwashing effluent drains into on-site sewage disposal systems (i.e.,
septic systems) in Spokane County.
