By Committee on Water, Energy & Environment

1 Strike everything after the enacting clause and insert the
2 following:

3 "NEW SECTION. **Sec. 1.** (1) State agencies that own and operate or
4 contract for refueling stations shall provide the following information
5 to the legislature by December 31, 2007, for hydrogen and liquid
6 natural gas refueling stations, and by December 1, 2006, for biodiesel
7 and ethanol (E85) refueling stations:

8 (a) At which refueling sites it is practicable to offer alternative
9 fuels for use by other state or local agencies and, if it is not
10 practicable, why not. Include a priority list on which stations would
11 be most feasible to offer alternative fuels;

12 (b) At which refueling sites it is practicable to offer alternative
13 fuels for public use, and why or why not. Include a priority list on
14 which stations would be most feasible to offer alternative fuels to the
15 public. Include any concerns for offering alternative fuels to the
16 public including, but not limited to, liability and tax issues;

17 (c) Details of the agency's plans for renovating existing refueling
18 stations or construction of new refueling stations and the associated
19 costs;

20 (d) The cost to reconfigure existing refueling stations or
21 construction of new refueling stations to include any of the
22 alternative fuels, and to offer any or all of the alternative fuels at
23 those stations to other state agencies.

24 (2) For purposes of this section, alternative fuels means
25 biodiesel, ethanol (E85), hydrogen, and liquid natural gas."
