5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** A new section is added to chapter 46.16 RCW
7 to read as follows:

8 (1) The legislature recognizes that the armed forces license plate
9 collection has been reviewed and approved by the special license plate
10 review board.

11 (2) The department shall issue a special license plate collection,
12 approved by the special license plate review board and the legislature,
13 recognizing the contribution of veterans, active duty military
14 personnel, and reservists. The collection includes five separate
15 designs, each containing a symbol representing a different branch of
16 the armed forces to include army, navy, air force, marine corps, and

3 established by the department.

4 (4) Upon request, the department must make available to the
5 purchaser, at no additional cost, a decal indicating the purchaser's
6 military status. The department must work with the department of
7 veterans affairs to establish a list of the decals to be made
8 available. The list of available decals must include, but is not
9 limited to, "veteran," "disabled veteran," "reservist," "retiree," or

13 (5) Armed forces license plates and decals are available only to
14 veterans as defined in RCW 41.04.007, active duty military personnel,
15 reservists, and the spouses of deceased veterans. Upon initial
16 application, any purchaser requesting an armed forces license plate and
17 decal will be required to show proof of eligibility by providing: A

19 retired military identification card; or a declaration of fact
20 attesting to the purchaser's eligibility as required under this
21 section.

23 with the department to reimburse the department for the costs
24 associated with providing military status decals described in
25 subsection (4) of this section.

26 (7) Armed forces license plates are not available free of charge to
27 disabled veterans, former prisoners of war, or spouses of deceased
28 former prisoners of war under the privileges defined in RCW 73.04.110

10 cost of production of the special license plates and the administration
11 of this program. This fee is in addition to all other fees required to
12 register and license the vehicle for which the plates have been
13 requested. All such additional special license plate fees collected by
14 the department shall be deposited in the state treasury and credited to
15 the motor vehicle fund.

17 application and registration of a motor vehicle, the holder of a

5 a county for the purpose of paying the principal and interest payments
6 on bonds issued by the county to construct a baseball stadium, as
7 defined in RCW 82.14.0485, including reasonably necessary
8 preconstruction costs, while the taxes are being collected under RCW

29 shall credit the proceeds to the veterans stewardship account
30 established in section 5 of this act.

31 **Sec. 4.** RCW 46.16.755 and 2004 c 222 s 4 are each amended to read
32 as follows:

33 (1)(a) Revenues generated from the sale of special license plates
34 for those sponsoring organizations who used the application process in
35 RCW 46.16.745(3) must be deposited into the motor vehicle account until
36 the department determines that the state's implementation costs have

1 been fully reimbursed. The department shall apply the application fee
2 required under RCW 46.16.745(3)(a) towards those costs.

3 (b) When it is determined that the state has been fully reimbursed
4 the department must notify the house of representatives and senate
5 transportation committees, the sponsoring organization, and the
6 treasurer, and commence the distribution of the revenue as otherwise
7 provided by law.

8 (c) For purposes of meeting the reimbursement requirements stated
9 in this section, an organization sponsoring a license plate collection
10 that includes two or more license plate designs must inform the
11 department how the reimbursement requirement is to be met for that
12 collection. Unless the state's implementation costs have been prepaid,
13 the sponsoring organization must elect one of the two following
14 reimbursement options:

15 (i) The sponsoring organization may elect to dedicate the revenues
16 from each plate in the collection to meet the reimbursement requirement
17 for implementation of that individual plate design. If one or more
18 plate designs within the collection cannot meet the reimbursement
19 requirement, those specific plates may be placed in probationary status
20 or discontinued as provided in subsection (2) of this section. Those
21 plates that meet the reimbursement requirement, however, will continue
22 to be made available for sale by the department of licensing.

23 (ii) Alternately, the organization may elect to dedicate the
24 revenues from all plates to meet a common reimbursement requirement for
25 the collection in its entirety. Although one or more of the plate
26 designs within the collection cannot meet the reimbursement
27 requirements individually, if the total revenues from the sale of all
28 the plates within the collection are sufficient to meet the entire
29 collection's reimbursement requirements, the complete collection will
30 continue to be made available. If revenues are insufficient to meet
31 the reimbursement requirement for the complete collection, the entire
32 collection may be placed on probation or discontinued as provided in
33 subsection (2) of this section.

34 (d) Selection of either of the alternatives in (c)(i) or (ii) of
35 this subsection does not preclude an organization from reimbursing the
36 department at any time from sources other than revenue from the sale of
37 the special license plates.

1 (2) If reimbursement does not occur within two years from the date
2 the plate is first offered for sale to the public, the special license
3 plate series must be placed in probationary status for a period of one
4 year from that date. If the state is still not fully reimbursed for
5 its implementation costs after the one-year probation, the plate series
6 must be discontinued immediately. Special plates issued before
7 discontinuation are valid until replaced under RCW 46.16.233.

8 (3) The special license plate applicant trust account is created in
9 the custody of the state treasurer. All receipts from special license
10 plate applicants, except the application fee as provided in RCW
11 46.16.745(3), must be deposited into the account. Only the director of
12 the department or the director's designee may authorize disbursements
13 from the account. The account is not subject to the allotment
14 procedures under chapter 43.88 RCW, nor is an appropriation required
15 for disbursements.

16 (4) The department shall provide the special license plate
17 applicant with a written receipt for the payment.

18 (5) The department shall maintain a record of each special license
19 plate applicant trust account deposit, including, but not limited to,
20 the name and address of each special license plate applicant whose
21 funds are being deposited, the amount paid, and the date of the
22 deposit.

23 (6) After the department receives written notice that the special
24 license plate applicant's application has been:

25 (a) Approved by the legislature the director shall request that the
26 money be transferred to the motor vehicle account;

27 (b) Denied by the special license plate review board or the
28 legislature the director shall provide a refund to the applicant within
29 thirty days; or

30 (c) Withdrawn by the special license plate applicant the director
31 shall provide a refund to the applicant within thirty days.

32 NEW SECTION. **Sec. 5.** A new section is added to chapter 43.60A RCW
33 to read as follows:

34 (1) The veterans stewardship account is created in the custody of
35 the state treasurer. Disbursements of funds shall be on the
36 authorization of the director or the director's designee, and only for
37 the purposes stated in subsection (4) of this section. In order to

1 maintain an effective expenditure and revenue control, funds shall be
2 subject in all respects to chapter 43.88 RCW, but no appropriation is
3 required to permit expenditure of the funds.

4 (2) The department may request and accept nondedicated
5 contributions, grants, or gifts in cash or otherwise, including funds
6 generated by the issuance of the armed forces license plate collection
7 under chapter 46.16 RCW.

8 (3) All receipts, except as provided in RCW 46.16.313 (12) and
9 (13), from the sale of armed forces license plates must be deposited
10 into the veterans stewardship account.

11 (4) All moneys deposited into the veterans stewardship account must
12 be used by the department for activities that benefit veterans,
13 including but not limited to, providing programs and services for
14 homeless veterans; establishing memorials honoring veterans; and
15 maintaining a future state veterans' cemetery. Funds from the account
16 may not be used to supplant existing funds received by the department.

17 **Sec. 6.** RCW 73.04.115 and 1990 c 250 s 91 are each amended to read
18 as follows:

19 (1) The department shall issue to the surviving spouse of any
20 deceased former prisoner of war described in RCW 73.04.110(2), one set
21 of regular or special license plates for use on a personal passenger
22 vehicle registered to that person.

23 (2) The plates shall be issued without the payment of any license
24 fees or excise tax on the vehicle. Whenever any person who has been
25 issued license plates under this section applies to the department for
26 transfer of the plates to a subsequently acquired motor vehicle, a
27 transfer fee of five dollars shall be charged in addition to all other
28 appropriate fees. If the surviving spouse remarries, he or she shall
29 return the special plates to the department within fifteen days and
30 apply for regular license plates.

31 (3) For purposes of this section, the term "special license plates"
32 does not include any plate from the armed forces license plate
33 collection established in section 1 of this act.

34 **Sec. 7.** RCW 73.04.110 and 2004 c 223 s 6 and 2004 c 125 s 1 are
35 each reenacted and amended to read as follows:

36 (1) Any person who is a veteran as defined in RCW 41.04.007 who

1 submits to the department of licensing satisfactory proof of a service-
2 connected disability rating from the veterans administration or the
3 military service from which the veteran was discharged and:

12 connected compensation at the one hundred percent rate that is expected
13 to exist for more than one year;

14 is entitled to regular or special license plates issued by the
15 department of licensing. The special license plates shall bear
16 distinguishing marks, letters, or numerals indicating that the motor
17 vehicle is owned by a disabled veteran or former prisoner of war. This
18 license shall be issued annually for one personal use vehicle without
19 payment of any license fees or excise tax thereon. Whenever any person
20 who has been issued license plates under the provisions of this section
21 applies to the department for transfer of the plates to a subsequently
22 acquired motor vehicle, a transfer fee of ten dollars shall be charged
23 in addition to all other appropriate fees. The department may
24 periodically verify the one hundred percent rate as provided in
25 subsection ~~((4))~~ (1)(d) of this section.

26 (2) Any person who has been issued free motor vehicle license
27 plates under this section prior to July 1, 1983, shall continue to be
28 eligible for the annual free license plates.

29 (3) For the purposes of this section, (a): "Blind" means the
30 definition of "blind" used by the state of Washington in determining
31 eligibility for financial assistance to the blind under Title 74 RCW;
32 and (b) "special license plates" does not include any plate from the
33 armed forces license plate collection established in section 1 of this
34 act.

35 Any unauthorized use of a special plate is a gross misdemeanor.
