17 subject to a civil fine of up to one hundred dollars. Local law  
18 enforcement agencies shall enforce this section by issuing a notice of  
19 infraction to be assessed in the same manner as traffic infractions.  
20 The provisions contained in chapter 46.63 RCW for the disposition of  
21 traffic infractions apply to the disposition of infractions for  
22 violation of this subsection except as follows:

34 to a civil fine of up to one hundred dollars. Each day upon which a  
35 violation occurs or is permitted to continue constitutes a separate  
36 violation.

1       (~~(3)~~) (2) The state building code council has the sole authority  
2 to adopt rules, as necessary, to implement this chapter, and local  
3 (~~fire departments or fire districts~~) building code enforcement  
4 officials shall enforce RCW 70.160.040 (~~(or 70.160.050)~~) and section 5  
5 of this act regarding the duties of owners or persons in control of  
6 public places(~~(, and local health departments shall enforce RCW~~

13 assess and recover a civil penalty for the violation.

14       NEW SECTION. Sec. 5. A new section is added to chapter 70.160 RCW  
15 to read as follows:

16       (1) Where a designated smoking area, including a lounge or lounge  
17 area, is provided for in a place where bingo is conducted for a bona  
18 fide charitable or nonprofit organization as authorized under chapter  
19 9.46 RCW, private facility, restaurant, bowling center, or card room or  
20 enhanced card room as authorized by this chapter, the area shall be  
21 either an enclosed area or the area shall have sufficient negative air  
22 pressure between the smoking and nonsmoking areas, which shall be  
23 separated by solid walls or windows, exclusive of doors or passageways  
24 that extend from the floor to a minimum of five feet in height between  
25 the smoking and nonsmoking area, so that environmental tobacco smoke is  
26 not permitted to flow into the nonsmoking area from the smoking area at  
27 all times. "Enclosed area" means all space between a floor and a  
28 ceiling that is enclosed on all sides by solid walls or windows,  
29 exclusive of doors or passageways, which extend from the floor to the  
30 ceiling.

31       (2) Local building code enforcement officials shall have the sole  
32 enforcement authority under this chapter and shall apply the state  
33 building code council rules and the following standards where smoking  
34 areas are provided:

35       (a) Passage between the main entrance of a facility to all  
36 nonsmoking areas shall be possible through areas that are also

1 nonsmoking. A separate entrance may be maintained for direct entry  
2 into a designated smoking area if desired.

3 (b) If the owner or other person in charge establishes an area as  
4 a smoking area for something less than a twenty-four-hour period, that  
5 designation and the hours the area is designated as a smoking area  
6 shall be conspicuously posted at all entrances to such area together  
7 with a sign that prohibits persons under eighteen years of age when the  
8 area is functioning as a smoking area, provided, such areas shall  
9 maintain the negative air pressure requirements contained in this  
10 section at all times.

11 (c) The boundary between a nonsmoking area and a smoking permitted  
12 area shall be clearly designated so that persons may differentiate  
13 between the two areas.

14 (3) As used in this section, "negative air pressure" means the use  
15 and any combination of mechanical exhaust systems, ventilation systems,  
16 and/or solid walls or windows that are shown by the owner or other  
17 person in charge to function in a manner that prohibits and eliminates,  
18 without air recirculation, the flow of air from the designated smoking  
19 area into the nonsmoking area. If sufficient negative air pressure is  
20 not being achieved, smoking shall not be permitted in the designated  
21 smoking area until repairs are completed.

22 NEW SECTION. **Sec. 6.** A new section is added to chapter 70.160 RCW  
23 to read as follows:

24 (1) Employers shall disclose to a prospective employee that all or  
25 a portion of the facility that the prospective employee would work is  
26 a designated smoking area.

27 (2) Employees under the age of eighteen shall not be permitted to  
28 enter designated smoking areas at any time.

29 NEW SECTION. **Sec. 7.** A new section is added to chapter 70.160 RCW  
30 to read as follows:

31 The state of Washington hereby fully occupies and preempts the  
32 entire field of indoor smoking regulation within the boundaries of the  
33 state. Local laws and ordinances that regulate indoor smoking are  
34 preempted and repealed.

1        NEW SECTION.   **Sec. 8.**   The following acts or parts of acts are each  
2 repealed:

3        (1) RCW 70.160.050 (Owners, lessees to post signs prohibiting or  
4 permitting smoking--Boundaries to be clearly designated) and 1985 c 236  
5 s 5; and

6        (2) RCW 70.160.080 (Local regulations authorized) and 1985 c 236 s  
7 9.

8        NEW SECTION.   **Sec. 9.**   For facilities that possess an occupancy  
9 permit from the applicable building official as of June 1, 2005, the  
10 requirements of this act apply January 1, 2007. For facilities that do  
11 not possess an occupancy permit from the applicable building official  
12 as of June 1, 2005, the requirements of this act apply June 1, 2006.
