SENATE BILL 6383

---

State of Washington

59th Legislature

2006 Regular Session

By Senators Jacobsen, Spanel and Benton

Read first time 01/11/2006. Referred to Committee on Agriculture & Rural Economic Development.

1 AN ACT Relating to food from cloned animals; and adding a new  
2 section to chapter 15.04 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 15.04 RCW  
5 to read as follows:

6 (1) All food and food products sold in Washington state that are  
7 derived from cloned animals shall be labeled indicating that they are  
8 or contain products derived from cloned animals.

9 (2) As used in this section, "cloned animal" means an animal  
10 produced by replacing all the genetic material in an egg with a mature  
11 cell containing the complete genetic code from the donor.
