
SENATE BILL 6753

State of Washington

59th Legislature

2006 Regular Session

By Senators Fraser and Kline

Read first time 01/20/2006. Referred to Committee on Water, Energy & Environment.

1 AN ACT Relating to intergovernmental water management; and adding
2 a new section to chapter 90.03 RCW.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** A new section is added to chapter 90.03 RCW
5 to read as follows:

6 The state of Washington supports and shall participate in the
7 implementation of a pilot intergovernmental program with federally
8 recognized Indian tribes to voluntarily find collaborative solutions in
9 water management. This program shall be mediated by the United States
10 government's institute on conflict resolution and follow a process
11 similar to the national environmental policy act. All agreed upon
12 results of the process shall be adopted by rule and incorporated into
13 the management of water resources by the state.
