SUBSTITUTE HOUSE BILL 2073

AS AMENDED BY THE SENATE

Passed Legislature - 2005 Regular Session

State of Washington 59th Legislature 2005 Regular Session

By House Committee on Juvenile Justice & Family Law (originally sponsored by Representatives Dickerson, Moeller and Chase)

READ FIRST TIME 03/04/05.

1 AN ACT Relating to juvenile sentencing alternatives; and amending
2 RCW 13.40.167.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 13.40.167 and 2003 c 378 s 4 are each amended to read
5 as follows:

6 (1) When an offender is subject to a standard range (~~commitment of~~
7 ~~15 to 65 weeks~~)) disposition involving confinement by the department,
8 the court may:

9 (a) Impose the standard range; or

10 (b) Suspend the standard range disposition on condition that the
11 offender complies with the terms of this mental health disposition
12 alternative.

13 (2) The court may impose this disposition alternative when the
14 court finds the following:

15 (a) The offender has a current diagnosis, consistent with the
16 American psychiatry association diagnostic and statistical manual of
17 mental disorders, of axis I psychiatric disorder, excluding youth that
18 are diagnosed as solely having a conduct disorder, oppositional defiant
19 disorder, substance abuse disorder, paraphilia, or pedophilia;

1 (b) An appropriate treatment option is available in the local
2 community;

3 (c) The plan for the offender identifies and addresses requirements
4 for successful participation and completion of the treatment
5 intervention program including: Incentives and graduated sanctions
6 designed specifically for amenable youth, including the use of
7 detention, detoxication, and in-patient or outpatient substance abuse
8 treatment and psychiatric hospitalization, and structured community
9 support consisting of mental health providers, probation, educational
10 and vocational advocates, child welfare services, and family and
11 community support. For any mental health treatment ordered for an
12 offender under this section, the treatment option selected shall be
13 chosen from among programs which have been successful in addressing
14 mental health needs of juveniles and successful in mental health
15 treatment of juveniles and identified as research-based best practice
16 programs. A list of programs which meet these criteria shall be agreed
17 upon by: The Washington association of juvenile court administrators,
18 the juvenile rehabilitation administration of the department of social
19 and health services, a representative of the division of public
20 behavioral health and justice policy at the University of Washington,
21 and the Washington institute for public policy. The list of programs
22 shall be created not later than July 1, 2003. The group shall provide
23 the list to all superior courts, its own membership, the legislature,
24 and the governor. The group shall meet annually and revise the list as
25 appropriate; and

26 (d) The offender, offender's family, and community will benefit
27 from use of the mental health disposition alternative.

28 (3) The court on its own motion may order, or on motion by either
29 party, shall order a comprehensive mental health evaluation to
30 determine if the offender has a designated mental disorder. The court
31 may also order a chemical dependency evaluation to determine if the
32 offender also has a co-occurring chemical dependency disorder. The
33 evaluation shall include at a minimum the following: The offender's
34 version of the facts and the official version of the facts, the
35 offender's offense, an assessment of the offender's mental health and
36 drug-alcohol problems and previous treatment attempts, and the
37 offender's social, criminal, educational, and employment history and

3 plan shall include at a minimum:

5 (b) Anticipated length of treatment;

6 (c) Whether one or more treatment interventions are proposed and
7 the anticipated sequence of those treatment interventions;

10 (f) The monitoring plan.

11 (5) The court on its own motion may order, or on motion by either
12 party, shall order a second mental health or chemical dependency
13 evaluation. The party making the motion shall select the evaluator.
14 The requesting party shall pay the cost of any examination ordered
15 under this subsection and subsection (3) of this section unless the
16 court finds the offender is indigent and no third party insurance
17 coverage is available, in which case the state shall pay the cost.

18 (6) Upon receipt of the assessments, evaluations, and reports the
19 court shall consider whether the offender and the community will
20 benefit from use of the mental health disposition alternative. The
21 court shall consider the victim's opinion whether the offender should
22 receive the option.

23 (7) If the court determines that the mental health disposition
24 alternative is appropriate, the court shall impose a standard range
25 disposition (~~(of not more than 65 weeks)~~), suspend execution of the
26 disposition, and place the offender on community supervision up to one
27 year and impose one or more other local sanctions. Confinement in a
28 secure county detention facility, other than county group homes,
29 inpatient psychiatric treatment facilities, and substance abuse
30 programs, shall be limited to thirty days. As a condition of a
31 suspended disposition, the court shall require the offender to
32 participate in the recommended treatment interventions.

33 (8) The treatment providers shall submit monthly reports to the
34 court and parties on the offender's progress in treatment. The report
35 shall reference the treatment plan and include at a minimum the
36 following: Dates of attendance, offender's compliance with
37 requirements, treatment activities, medication management, the

1 offender's relative progress in treatment, and any other material
2 specified by the court at the time of the disposition.

3 (9) If the offender fails to comply with the suspended disposition,
4 the court may impose sanctions pursuant to RCW 13.40.200 or may revoke
5 the suspended disposition and order the disposition's execution.

6 (10) An offender is ineligible for the mental health disposition
7 option under this section if (~~the offender is adjudicated of a sex or~~
