29 conduct under RCW 18.130.180 is accepted by the hospital.

30 (4) Failure of a hospital to comply with this section is punishable
31 by a civil penalty not to exceed two hundred fifty dollars.

32 (5) A hospital, its chief administrator, or its executive officer
33 who files a report under this section is immune from suit, whether
34 direct or derivative, in any civil action related to the filing or
35 contents of the report, unless the conviction, determination, or

11 the decision whether to issue a statement of charges, take informal
12 action, or close the complaint without action against a practitioner.
13 In its biennial report to the legislature under RCW 18.130.310, the

18 **Sec. 2.** RCW 18.130.070 and 1998 c 132 s 8 are each amended to read
19 as follows:

20 (1) The disciplining authority may adopt rules requiring any
21 person, including, but not limited to, licensees, corporations,
22 organizations, health care facilities, impaired practitioner programs,
23 or voluntary substance abuse monitoring programs approved by the
24 disciplining authority and state or local governmental agencies, to
25 report to the disciplining authority any conviction, determination, or
26 finding that a license holder has committed an act which constitutes
27 unprofessional conduct, or to report information to the disciplining
28 authority, an impaired practitioner program, or voluntary substance
29 abuse monitoring program approved by the disciplining authority, which
30 indicates that the license holder may not be able to practice his or
31 her profession with reasonable skill and safety to consumers as a
32 result of a mental or physical condition. If a report has been made by
33 a hospital to the department pursuant to RCW 70.41.210, a report to the
34 disciplining authority is not required. To facilitate meeting the
35 intent of this section, the cooperation of agencies of the federal
36 government is requested by reporting any conviction, determination, or
37 finding that a federal employee or contractor regulated by the

1 ((disciplinary)) disciplining authorities enumerated in this chapter
2 has committed an act which constituted unprofessional conduct and
3 reporting any information which indicates that a federal employee or
4 contractor regulated by the ((disciplinary)) disciplining authorities
5 enumerated in this chapter may not be able to practice his or her
6 profession with reasonable skill and safety as a result of a mental or
7 physical condition.

8 (2) If a person fails to furnish a required report, the
9 disciplining authority may petition the superior court of the county in
10 which the person resides or is found, and the court shall issue to the
11 person an order to furnish the required report. A failure to obey the
12 order is a contempt of court as provided in chapter 7.21 RCW.

13 (3) A person is immune from civil liability, whether direct or
14 derivative, for providing information to the disciplining authority
15 pursuant to the rules adopted under subsection (1) of this section.

16 (4) The holder of a license subject to the jurisdiction of this
17 chapter shall report to the disciplining authority any conviction,
18 determination, or finding that the licensee has committed
19 unprofessional conduct or is unable to practice with reasonable skill
20 or safety. Failure to report within thirty days of notice of the
21 conviction, determination, or finding constitutes grounds for
22 disciplinary action.
