3 29A.60.165, 48.31.405, 42.56.250, 42.56.270, 42.56.330, 42.56.360,  
4 74.15.310, 74.15.320, 74.15.330, 74.42.640, and 90.64.190; adding new  
5 sections to chapter 42.56 RCW; recodifying RCW 42.17.253, 42.17.31922,  
6 and 42.17.31923; and providing an effective date.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 **Sec. 1.** RCW 7.07.050 and 2005 c 172 s 6 are each amended to read  
9 as follows:

10 (1) There is no privilege under RCW 7.07.030 for a mediation  
11 communication that is:

12 (a) In an agreement evidenced by a record signed by all parties to  
13 the agreement;

14 (b) Made during a session of a mediation which is open, or is  
15 required by law to be open, to the public;

16 (c) A threat or statement of a plan to inflict bodily injury or  
17 commit a crime of violence;

18 (d) Intentionally used to plan a crime, attempt to commit or commit  
19 a crime, or to conceal an ongoing crime or ongoing criminal activity;

1 (e) Sought or offered to prove or disprove a claim or complaint of  
2 professional misconduct or malpractice filed against a mediator;

3 (f) Except as otherwise provided in subsection (3) of this section,  
4 sought or offered to prove or disprove a claim or complaint of  
5 professional misconduct or malpractice filed against a mediation party,  
6 nonparty participant, or representative of a party based on conduct  
7 occurring during a mediation; or

8 (g) Sought or offered to prove or disprove abuse, neglect,  
9 abandonment, or exploitation in a proceeding in which a child or adult  
10 protective services agency is a party, unless the public agency  
11 participates in the child or adult protection mediation.

12 (2) There is no privilege under RCW 7.07.030 if a court finds,  
13 after a hearing in camera, that the party seeking discovery or the  
14 proponent of the evidence has shown that the evidence is not otherwise  
15 available, that there is a need for the evidence that substantially  
16 outweighs the interest in protecting confidentiality, and that the  
17 mediation communication is sought or offered in:

18 (a) A criminal court proceeding involving a felony; or

19 (b) Except as otherwise provided in subsection (3) of this section,  
20 a proceeding to prove a claim to rescind or reform or a defense to  
21 avoid liability on a contract arising out of the mediation.

22 (3) A mediator may not be compelled to provide evidence of a  
23 mediation communication referred to in subsection (1)(f) or (2)(b) of  
24 this section.

25 (4) If a mediation communication is not privileged under subsection  
26 (1) or (2) of this section, only the portion of the communication  
27 necessary for the application of the exception from nondisclosure may  
28 be admitted. Admission of evidence under subsection (1) or (2) of this  
29 section does not render the evidence, or any other mediation  
30 communication, discoverable or admissible for any other purpose.

31 (5) Records of mediation communications that are privileged under  
32 this chapter are exempt from the requirements of chapter (~~42.17~~)  
33 42.56 RCW.

34 **Sec. 2.** RCW 15.53.9018 and 2005 c 18 s 7 are each amended to read  
35 as follows:

36 (1) Every registrant or licensee must file a semiannual report on  
37 forms provided by the department setting forth the number of tons of

1 commercial feed distributed in or into this state. The report must be  
2 filed regardless of the amount of feed distributed or inspection fees  
3 owed. The report must include:

4 (a) The name and mailing address of the registrant or licensee;

5 (b) The physical address of the registrant or licensee;

6 (c) The name, contact information, and signature of the person  
7 filing the report;

8 (d) The total number of tons distributed in or into this state;

9 (e) The total number of tons on which the registrant or licensee is  
10 paying;

11 (f) If the registrant or licensee is not paying inspection fees on  
12 all commercial feed he or she distributed in or into this state,  
13 information regarding the registrants or licensees that are responsible  
14 for paying the inspection fees and the number of tons involved; and

15 (g) Other information required by the department by rule.

16 (2) Except as provided in subsections (3) through (5) of this  
17 section, each initial distributor or responsible buyer must pay to the  
18 department an inspection fee on all commercial feed distributed by such  
19 person during the reporting period. The inspection fee must accompany  
20 the report required in subsection (1) of this section. The inspection  
21 fee shall be not less than four cents nor more than twelve cents per  
22 ton as prescribed by the department by rule. These fees shall be used  
23 for enforcement and administration of this chapter and its rules.

24 (3) The initial distributor is not required to pay an inspection  
25 fee for commercial feed he or she distributed to a responsible buyer.

26 (4) In a situation where a responsible buyer is distributing to  
27 another responsible buyer, the inspection fee must be paid by the last  
28 responsible buyer to distribute the commercial feed.

29 (5) The initial distributor or responsible buyer is not required to  
30 pay an inspection fee for: (a) Pet food and specialty pet food  
31 distributed in packages weighing less than ten pounds; (b) distribution  
32 of bona fide experimental feeds on which accurate records and  
33 experimental programs are maintained; (c) commercial feed distributed  
34 to points outside this state; and (d) food processing byproducts from  
35 fruit, vegetable, or potato processing plants, freezing or dehydrating  
36 facilities, or juice or jelly preserving plants.

37 (6) Tonnage will be reported and inspection fees will be paid on

1 (a) byproducts or products of sugar refineries; and (b) materials used  
2 in the preparation of pet foods and specialty pet food.

3 (7)(a) Each person made responsible by this chapter for filing a  
4 report or paying inspection fees must do so according to the following  
5 schedule:

6 (i) For the period January 1st through June 30th of each year, the  
7 report and inspection fees are due on July 31st of that year; and

8 (ii) For the period July 1st through December 31st of each year,  
9 the report and inspection fees are due on January 31st of the following  
10 year.

11 (b) If a complete report is not received by the due date or the  
12 appropriate inspection fees are not received by the due date, the  
13 person responsible for filing the report or paying the inspection fee  
14 must pay a late fee equal to fifteen percent of the inspection fee owed  
15 or fifty dollars, whichever is greater.

16 (c) The department may cancel the registration of a person's  
17 commercial feed or may cancel a person's commercial feed license if  
18 that person fails to pay the late fee. The applicant or licensee may  
19 request a hearing as authorized under chapter 34.05 RCW.

20 (8) If inspection fees are owed, the minimum inspection fee is  
21 twelve dollars and fifty cents.

22 (9) For the purpose of verifying the accuracy of reports and  
23 payment of appropriate inspection fees, the department may examine, at  
24 reasonable times, a registrant's or licensee's distribution records and  
25 may require each registrant or licensee to maintain records or file  
26 additional reports. These records must be maintained in usable  
27 condition by the registrant or licensee for a period of three years  
28 unless by rule this retention period is extended and must be submitted  
29 to the department upon request.

30 (10) The report required by subsection (1) of this section shall  
31 not be a public record, and any information given in such report which  
32 would reveal the business operation of the person making the report is  
33 exempt from public disclosure under chapter ((42.17)) 42.56 RCW, and  
34 information obtained by the department from other governmental agencies  
35 or other sources that is used to verify information received in the  
36 report is exempt from public disclosure under chapter ((42.17)) 42.56  
37 RCW. However, this subsection does not prevent the use of information  
38 concerning the business operation of a person if any action, suit, or

1 proceeding instituted under the authority of this chapter, including  
2 any civil action for collection of unpaid inspection fees, which action  
3 is hereby authorized and which shall be as an action at law in the name  
4 of the director of the department.

5 (11) Any commercial feed obtained by a consumer or contract feeder  
6 outside the jurisdiction of this state and brought into this state for  
7 use is subject to all the provisions of this chapter, including  
8 inspection fees.

9 **Sec. 3.** RCW 18.20.390 and 2005 c 33 s 2 are each amended to read  
10 as follows:

11 (1) To ensure the proper delivery of services and the maintenance  
12 and improvement in quality of care through self-review, any boarding  
13 home licensed under this chapter may maintain a quality assurance  
14 committee that, at a minimum, includes:

15 (a) A licensed registered nurse under chapter 18.79 RCW;

16 (b) The administrator; and

17 (c) Three other members from the staff of the boarding home.

18 (2) When established, the quality assurance committee shall meet at  
19 least quarterly to identify issues that may adversely affect quality of  
20 care and services to residents and to develop and implement plans of  
21 action to correct identified quality concerns or deficiencies in the  
22 quality of care provided to residents.

23 (3) To promote quality of care through self-review without the fear  
24 of reprisal, and to enhance the objectivity of the review process, the  
25 department shall not require, and the long-term care ombudsman program  
26 shall not request, disclosure of any quality assurance committee  
27 records or reports, unless the disclosure is related to the committee's  
28 compliance with this section, if:

29 (a) The records or reports are not maintained pursuant to statutory  
30 or regulatory mandate; and

31 (b) The records or reports are created for and collected and  
32 maintained by the committee.

33 (4) If the boarding home refuses to release records or reports that  
34 would otherwise be protected under this section, the department may  
35 then request only that information that is necessary to determine  
36 whether the boarding home has a quality assurance committee and to  
37 determine that it is operating in compliance with this section.

1 However, if the boarding home offers the department documents generated  
2 by, or for, the quality assurance committee as evidence of compliance  
3 with boarding home requirements, the documents are protected as quality  
4 assurance committee documents under subsections (6) and (8) of this  
5 section when in the possession of the department. The department is  
6 not liable for an inadvertent disclosure, a disclosure related to a  
7 required federal or state audit, or disclosure of documents incorrectly  
8 marked as quality assurance committee documents by the facility.

9 (5) Good faith attempts by the committee to identify and correct  
10 quality deficiencies shall not be used as a basis for sanctions.

11 (6) Information and documents, including the analysis of complaints  
12 and incident reports, created specifically for, and collected and  
13 maintained by, a quality assurance committee are not subject to  
14 discovery or introduction into evidence in any civil action, and no  
15 person who was in attendance at a meeting of such committee or who  
16 participated in the creation, collection, or maintenance of information  
17 or documents specifically for the committee shall be permitted or  
18 required to testify as to the content of such proceedings or the  
19 documents and information prepared specifically for the committee.  
20 This subsection does not preclude:

21 (a) In any civil action, the discovery of the identity of persons  
22 involved in the care that is the basis of the civil action whose  
23 involvement was independent of any quality improvement committee  
24 activity;

25 (b) In any civil action, the testimony of any person concerning the  
26 facts which form the basis for the institution of such proceedings of  
27 which the person had personal knowledge acquired independently of their  
28 participation in the quality assurance committee activities.

29 (7) A quality assurance committee under subsection (1) of this  
30 section, RCW 70.41.200, 74.42.640, 4.24.250, or 43.70.510 may share  
31 information and documents, including the analysis of complaints and  
32 incident reports, created specifically for, and collected and  
33 maintained by, the committee, with one or more other quality assurance  
34 committees created under subsection (1) of this section, RCW 70.41.200,  
35 74.42.640, 4.24.250, or 43.70.510 for the improvement of the quality of  
36 care and services rendered to boarding home residents. Information and  
37 documents disclosed by one quality assurance committee to another  
38 quality assurance committee and any information and documents created

1 or maintained as a result of the sharing of information and documents  
2 shall not be subject to the discovery process and confidentiality shall  
3 be respected as required by subsections (6) and (8) of this section,  
4 RCW 43.70.510(4), 70.41.200(3), 4.24.250(1), and 74.42.640 (7) and (9).  
5 The privacy protections of chapter 70.02 RCW and the federal health  
6 insurance portability and accountability act of 1996 and its  
7 implementing regulations apply to the sharing of individually  
8 identifiable patient information held by a coordinated quality  
9 improvement program. Any rules necessary to implement this section  
10 shall meet the requirements of applicable federal and state privacy  
11 laws.

12 (8) Information and documents, including the analysis of complaints  
13 and incident reports, created specifically for, and collected and  
14 maintained by, a quality assurance committee are exempt from disclosure  
15 under chapter ((42.17)) 42.56 RCW.

16 (9) Notwithstanding any records created for the quality assurance  
17 committee, the facility shall fully set forth in the resident's  
18 records, available to the resident, the department, and others as  
19 permitted by law, the facts concerning any incident of injury or loss  
20 to the resident, the steps taken by the facility to address the  
21 resident's needs, and the resident outcome.

22 **Sec. 4.** RCW 29A.60.165 and 2005 c 243 s 8 are each amended to read  
23 as follows:

24 (1) If the voter neglects to sign the outside envelope of an  
25 absentee or provisional ballot, the auditor shall notify the voter by  
26 telephone and advise the voter of the correct procedures for completing  
27 the unsigned affidavit. If the auditor is not able to provide the  
28 information personally to the voter by telephone, then the voter must  
29 be contacted by first class mail and advised of the correct procedures  
30 for completing the unsigned affidavit. Leaving a voice mail message  
31 for the voter is not to be considered as personally contacting the  
32 voter. In order for the ballot to be counted, the voter must either:

33 (a) Appear in person and sign the envelope no later than the day  
34 before the certification of the primary or election; or

35 (b) Sign a copy of the envelope provided by the auditor, and return  
36 it to the auditor no later than the day before the certification of the  
37 primary or election.

1           (2)(a) If the handwriting of the signature on an absentee or  
2 provisional ballot envelope is not the same as the handwriting of the  
3 signature on the registration file, the auditor shall notify the voter  
4 by telephone and advise the voter of the correct procedures for  
5 updating his or her signature on the voter registration file. If the  
6 auditor is not able to provide the information personally to the voter  
7 by telephone, then the voter must be contacted by first class mail and  
8 advised of the correct procedures for completing the unsigned  
9 affidavit. Leaving a voice mail message for the voter is not to be  
10 considered as personally contacting the voter. In order for the ballot  
11 to be counted, the voter must either:

12           (i) Appear in person and sign a new registration form no later than  
13 the day before the certification of the primary or election; or

14           (ii) Sign a copy of the affidavit provided by the auditor and  
15 return it to the auditor no later than the day before the certification  
16 of the primary or election. If the signature on the copy of the  
17 affidavit does not match the signature on file, the voter must appear  
18 in person and sign a new registration form no later than the day before  
19 the certification of the primary or election in order for the ballot to  
20 be counted.

21           (b) If the signature on an absentee or provisional ballot envelope  
22 is not the same as the signature on the registration file because the  
23 name is different, the ballot may be counted as long as the handwriting  
24 is clearly the same. The auditor shall send the voter a change-of-name  
25 form under RCW 29A.08.440 and direct the voter to complete the form.

26           (c) If the signature on an absentee or provisional ballot envelope  
27 is not the same as the signature on the registration file because the  
28 voter used initials or a common nickname, the ballot may be counted as  
29 long as the surname and handwriting are clearly the same.

30           (3) A voter may not cure a missing or mismatched signature for  
31 purposes of counting the ballot in a recount.

32           (4) A record must be kept of all ballots with missing and  
33 mismatched signatures. The record must contain the date on which the  
34 voter was contacted or the notice was mailed, as well as the date on  
35 which the voter signed the envelope, a copy of the envelope, a new  
36 registration form, or a change-of-name form. That record is a public  
37 record under chapter ((42.17)) 42.56 RCW and may be disclosed to  
38 interested parties on written request.

1       **Sec. 5.** RCW 48.31.405 and 2005 c 432 s 4 are each amended to read  
2 as follows:

3       (1) Except as set forth in this section, proceedings, hearings,  
4 notices, correspondence, reports, records, and other information in the  
5 possession of the commissioner relating to the supervision of any  
6 insurer under this chapter are confidential and are not subject to  
7 chapter ((42.17)) 42.56 RCW, are not subject to subpoena, and are not  
8 subject to discovery or admissible in evidence in any private civil  
9 action, except as provided by this section. However, the commissioner  
10 is authorized to use the documents, materials, or other information in  
11 the furtherance of any regulatory or legal action brought as part of  
12 the commissioner's official duties.

13       (2) The employees of the commissioner have access to these  
14 proceedings, hearings, notices, correspondence, reports, records, or  
15 information as permitted by the commissioner. Neither the commissioner  
16 nor any person who received documents, materials, or other information  
17 while acting under the authority of the commissioner is permitted or  
18 required to testify in any private civil action concerning any  
19 confidential documents, materials, or information subject to subsection  
20 (1) of this section.

21       (3) The commissioner may share the notices, correspondence,  
22 reports, records, or information with other state, federal, and  
23 international regulatory agencies, with the national association of  
24 insurance commissioners and its affiliates and subsidiaries, and with  
25 state, federal, and international law enforcement authorities, if the  
26 commissioner determines that the disclosure is necessary or proper for  
27 the enforcement of the laws of this or another state of the United  
28 States, and provided that the recipient agrees to maintain the  
29 confidentiality of the documents, material, or other information. No  
30 waiver of any applicable privilege or claim of confidentiality may  
31 occur as a result of the sharing of documents, materials, or other  
32 information under this subsection.

33       (4) The commissioner may open the proceedings or hearings or make  
34 public the notices, correspondence, reports, records, or other  
35 information if the commissioner deems that it is in the best interest  
36 of the public or in the best interest of the insurer or its insureds,  
37 creditors, or the general public. However, the determination of

1 whether to disclose any confidential information at the public  
2 proceedings or hearings is subject to applicable law.

3 (5) This section does not apply to hearings, notices,  
4 correspondence, reports, records, or other information obtained upon  
5 the appointment of a receiver for the insurer by a court of competent  
6 jurisdiction.

12 to administer a license, employment, or academic examination;
