15 only for projects or improvements identified as 2005 transportation  
16 partnership projects or improvements in the omnibus transportation  
17 appropriations act, including any principal and interest on bonds  
18 authorized for the projects or improvements.

19       (2) If a regional transportation plan has not been adopted by  
20 January 2007, the legislature intends to reprioritize allocation of  
21 funding for the projects identified on the 2005 transportation  
22 partnership project list so that complete and functioning  
23 transportation projects can be constructed in a reasonable time.

24       (3) By January 1, 2006, the transportation performance audit board  
25 must develop performance measures and benchmarks for the evaluation of  
26 the expenditures of the transportation partnership account. The board

28 performance of the department of transportation's delivery of the plan  
29 as defined by project list, schedule, and budget enacted by the  
30 legislature.

31       (4) The legislature finds that:

32       (a) Citizens demand and deserve accountability of transportation-  
33 related programs and expenditures. Transportation-related programs

35 order to increase public trust;

36       (b) Transportation-related agencies that receive tax dollars must

29 required in RCW 43.88.090.

30 (7) Within the authorities and duties under chapter 43.09 RCW, the  
31 state auditor may conduct performance audits for transportation-related  
32 agencies. The state auditor shall contract with private firms to  
33 conduct the performance audits.

34 (8) The audits may include:

13 changing those roles and functions and ensuring compliance with  
14 statutory authority;
- 15 (f) Recommendations for eliminating or changing statutes, rules,

34 but not limited to environmental mitigation, competitive bidding  
35 practices, permitting processes, and capital project management.
- 36 (9) Within the authorities and duties under chapter 43.09 RCW, the  
37 state auditor must provide the preliminary performance audit reports to  
38 the audited state agency for comment. The auditor also may seek input

1 on the preliminary report from other appropriate officials. Comments  
2 must be received within thirty days after receipt of the preliminary  
3 performance audit report unless a different time period is approved by  
4 the state auditor. The final performance audit report shall include  
5 the objectives, scope, and methodology; the audit results, including  
6 findings and recommendations; the agency's response and conclusions;  
7 and identification of best practices.

8 (10) The state auditor shall provide final performance audit  
9 reports to the citizens of Washington, the governor, the joint  
10 legislative audit and review committee, the transportation performance  
11 audit board, the appropriate legislative committees, and other

17 finding and recommendation shall be included in the final audit report.  
18 The plan shall provide the name of the contact person responsible for  
19 each action, the action planned, and the anticipated completion date.  
20 If the audited agency does not agree with the audit findings and  
21 recommendations or believes action is not required, then the action  
22 plan shall include an explanation and specific reasons.

23 The office of financial management shall require periodic progress  
24 reports from the audited agency until all resolution has occurred. The

26 resolution. The office of financial management shall annually report  
27 by December 31st the status of performance audit resolution to the  
28 appropriate legislative committees and the state auditor. The  
29 legislature shall consider the performance audit results in connection  
30 with the state budget process.

31 The auditor may request status reports on specific audits or  
32 findings.

33 (12) For the period from July 1, 2005, until June 30, 2007, the

8 annually for motor vehicles subject to the fee under RCW 46.16.0621,  
9 except motor homes, a vehicle weight fee. The amount of the fee shall  
10 be based upon the vehicle scale weight, which is correlated with  
11 vehicle size and roadway lane usage. Fees imposed under this section  
12 must be used for transportation purposes, and shall not be used for the

24 the weight of each vehicle. The department shall adopt rules for  
25 determining weight for vehicles without manufacturer empty scale  
26 weights.

27           (4) The vehicle weight fee under this section is imposed to provide  
28 funds to mitigate the impact of vehicle loads on the state roads and  
29 highways and is separate and distinct from other vehicle license fees.  
30 Proceeds from the fee may be used for transportation purposes, or for  
31 facilities and activities that reduce the number of vehicles or load  
32 weights on the state roads and highways.

33           (5) The vehicle weight fee collected under this section shall be

17 use single-axle trailers of two thousand pounds scale weight or less  
18 may be licensed upon the payment of a license fee in the sum of fifteen  
19 dollars, but only if the trailer is operated upon public highways. The  
20 license fee must be collected annually for each registration year or  
21 fraction of a registration year. This reduced license fee applies only  
22 to trailers operated for personal use of the owners, and not trailers  
23 held for rental to the public or used in any commercial or business  
24 endeavor. The proceeds from the fees collected under this section  
25 shall be distributed in accordance with RCW 46.68.035.

35 (b) Upon surrender of the current certificate of registration or

8 shall require the applicant to attest that the vehicle shall be used  
9 primarily for farming purposes. The department shall provide licensing  
10 agents and subagents with a schedule of the appropriate licensing fees  
11 for farm vehicles.

12       **Sec. 205.** RCW 46.68.035 and 2003 c 361 s 202 are each amended to

15 such earlier date as the director may prescribe with respect to plates

18 plates at night. In addition to all other fees prescribed by law,  
19 there shall be paid and collected for each vehicle license number plate

21 for each set of two plates, the sum of (~~(one dollar:—PROVIDED,~~  
22 ~~HOWEVER,~~) four dollars. However, one plate is available only to those  
23 vehicles that by law require only one plate. Such fees shall be  
24 deposited in the motor vehicle fund.

25 **Sec. 302.** RCW 46.16.270 and 1997 c 291 s 3 are each amended to

28 vehicle fund.

29 Upon the loss, defacement, or destruction of one or both of the  
30 vehicle license number plates issued for any vehicle where more than  
31 one plate was originally issued or where one or both have become so  
32 illegible or in such a condition as to be difficult to distinguish, or  
33 upon the owner's option, the owner of the vehicle shall make  
34 application for new vehicle license number plates upon a form furnished  
35 by the director. The application shall be filed with the director or

9 destruction of the tabs or windshield emblem, application shall be made  
10 on a form provided by the director and in the same manner as above  
11 described, and shall be accompanied by a fee of one dollar for each  
12 pair of tabs or for each windshield emblem, whereupon the director  
13 shall issue to the applicant a duplicate pair of tabs, year tabs, and  
14 when necessary month tabs or a windshield emblem to replace those lost,  
15 defaced, or destroyed. For vehicles owned, rented, or leased by the

20 a vehicle license number plate only to the extent required by the  
21 provisions of RCW 46.16.020, ((~~46.16.061,~~)) 46.16.237, and 46.01.140.  
22 For vehicles owned, rented, or leased by foreign countries or  
23 international bodies to which the United States government is a  
24 signatory by treaty, the payment of any fee for the replacement of a  
25 vehicle license number plate shall not be required.

29 driver's instruction permit with or without a photograph to an

4 department of licensing under chapter 46.82 RCW, that includes practice  
5 driving.

6 (2) **Waiver of written examination for instruction permit.** The  
7 department may waive the written examination, if, at the time of  
8 application, an applicant is enrolled in:

10 28A.220.020(2); or

11 (b) A course of instruction offered by a licensed driver training

14 as it deems necessary.

15 (3) **Effect of instruction permit.** A person holding a driver's  
16 instruction permit may drive a motor vehicle, other than a motorcycle,  
17 upon the public highways if:

20 years of driving experience, occupies the seat beside the driver.

21 (4) **Term of instruction permit.** A driver's instruction permit is  
22 valid for one year from the date of issue.

23 (a) The department may issue one additional one-year permit.

25 after an investigation that the permittee is diligently seeking to  
26 improve driving proficiency.

27 (c) A person applying to renew an instruction permit must submit  
28 the application to the department in person.

29 **Sec. 304.** RCW 46.20.070 and 2004 c 249 s 4 are each amended to  
30 read as follows:

31 (1) **Agricultural driving permit authorized.** The director may issue  
32 a juvenile agricultural driving permit to a person under the age of  
33 eighteen years if:

34 (a) The application is signed by the applicant and the applicant's  
35 father, mother, or legal guardian;

36 (b) The applicant has passed the driving examination required by  
37 RCW 46.20.120;

1 (c) The department has investigated the applicant's need for the  
2 permit and determined that the need justifies issuance;

3 (d) The department has determined the applicant is capable of  
4 operating a motor vehicle without endangering himself or herself or  
5 other persons and property; and

6 (e) The applicant has paid a fee of (~~fifteen~~) twenty dollars.

7 The permit must contain a photograph of the person.

8 (2) **Effect of agricultural driving permit.** (a) The permit  
9 authorizes the holder to:

10 (i) Drive a motor vehicle on the public highways of this state in  
11 connection with farm work. The holder may drive only within a  
12 restricted farming locality described on the permit; and

13 (ii) Participate in the classroom portion of a traffic safety  
14 education course authorized under RCW 28A.220.030 or the classroom

16 training school licensed and inspected by the department of licensing  
17 under chapter 46.82 RCW offered in the community where the holder  
18 resides.

19 (b) The director may transfer the permit from one farming locality  
20 to another. A transfer is not a renewal of the permit.

21 (3) **Term and renewal of agricultural driving permit.** An  
22 agricultural driving permit expires one year from the date of issue.

23 (a) A person under the age of eighteen who holds a permit may renew  
24 the permit by paying a fee of fifteen dollars.

25 (b) A person applying to renew an agricultural driving permit must  
26 submit the application to the department in person.

27 (c) An agricultural driving permit is invalidated when a permittee  
28 attains age eighteen. In order to drive a motor vehicle on a highway  
29 he or she must obtain a motor vehicle driver's license under this  
30 chapter.

31 (4) **Suspension, revocation, or cancellation.** The director has sole  
32 discretion to suspend, revoke, or cancel a juvenile agricultural  
33 driving permit if:

34 (a) The permittee has been found to have committed an offense that  
35 requires mandatory suspension or revocation of a driver's license; or

36 (b) The director is satisfied that the permittee has violated the  
37 permit's restrictions.

1       **Sec. 305.** RCW 46.20.117 and 2004 c 249 s 5 are each amended to  
2 read as follows:

3       (1) **Issuance.** The department shall issue an identicard, containing  
4 a picture, if the applicant:

5           (a) Does not hold a valid Washington driver's license;

6           (b) Proves his or her identity as required by RCW 46.20.035; and

7           (c) Pays the required fee. The fee is (~~fifteen~~) twenty dollars  
8 unless an applicant is a recipient of continuing public assistance  
9 grants under Title 74 RCW, who is referred in writing by the secretary  
10 of social and health services. For those persons the fee must be the  
11 actual cost of production of the identicard.

12       (2) **Design and term.** The identicard must:

13           (a) Be distinctly designed so that it will not be confused with the  
14 official driver's license; and

15           (b) Expire on the fifth anniversary of the applicant's birthdate  
16 after issuance.

17       (3) **Renewal.** An application for identicard renewal may be  
18 submitted by means of:

19           (a) Personal appearance before the department; or

20           (b) Mail or electronic commerce, if permitted by rule of the  
21 department and if the applicant did not renew his or her identicard by  
22 mail or by electronic commerce when it last expired. However, the  
23 department may accept an application for renewal of an identicard  
24 submitted by means of mail or electronic commerce only if specific  
25 authority and funding is provided for this purpose by June 30, 2004, in  
26 the omnibus transportation appropriations act.

27       An identicard may not be renewed by mail or by electronic commerce  
28 unless the renewal issued by the department includes a photograph of  
29 the identicard holder.

30       (4) **Cancellation.** The department may cancel an identicard if the  
31 holder of the identicard used the card or allowed others to use the  
32 card in violation of RCW 46.20.0921.

33       **Sec. 306.** RCW 46.20.120 and 2004 c 249 s 6 are each amended to  
34 read as follows:

35       An applicant for a new or renewed driver's license must  
36 successfully pass a driver licensing examination to qualify for a

1 driver's license. The department shall give examinations at places and  
2 times reasonably available to the people of this state.

3 (1) **Waiver.** The department may waive:

4 (a) All or any part of the examination of any person applying for  
5 the renewal of a driver's license unless the department determines that  
6 the applicant is not qualified to hold a driver's license under this  
7 title; or

8 (b) The actual demonstration of the ability to operate a motor  
9 vehicle if the applicant:

10 (i) Surrenders a valid driver's license issued by the person's  
11 previous home state; and

12 (ii) Is otherwise qualified to be licensed.

13 (2) **Fee.** Each applicant for a new license must pay an examination  
14 fee of (~~ten~~) twenty dollars.

15 (a) The examination fee is in addition to the fee charged for  
16 issuance of the license.

17 (b) "New license" means a license issued to a driver:

18 (i) Who has not been previously licensed in this state; or

19 (ii) Whose last previous Washington license has been expired for  
20 more than five years.

21 (3) An application for driver's license renewal may be submitted by  
22 means of:

23 (a) Personal appearance before the department; or

24 (b) Mail or electronic commerce, if permitted by rule of the  
25 department and if the applicant did not renew his or her license by  
26 mail or by electronic commerce when it last expired. However, the  
27 department may accept an application for renewal of a driver's license  
28 submitted by means of mail or electronic commerce only if specific  
29 authority and funding is provided for this purpose by June 30, 2004, in  
30 the omnibus transportation appropriations act.

31 (4) A person whose license expired or will expire while he or she  
32 is living outside the state, may:

33 (a) Apply to the department to extend the validity of his or her  
34 license for no more than twelve months. If the person establishes to  
35 the department's satisfaction that he or she is unable to return to  
36 Washington before the date his or her license expires, the department  
37 shall extend the person's license. The department may grant  
38 consecutive extensions, but in no event may the cumulative total of

1 extensions exceed twelve months. An extension granted under this  
2 section does not change the expiration date of the license for purposes  
3 of RCW 46.20.181. The department shall charge a fee of five dollars  
4 for each license extension;

5 (b) Apply to the department to renew his or her license by mail or,  
6 if permitted by rule of the department, by electronic commerce even if  
7 subsection (3)(b) of this section would not otherwise allow renewal by  
8 that means. If the person establishes to the department's satisfaction  
9 that he or she is unable to return to Washington within twelve months  
10 of the date that his or her license expires, the department shall renew  
11 the person's license by mail or, if permitted by rule of the  
12 department, by electronic commerce.

13 (5) If a qualified person submits an application for renewal under  
14 subsection (3)(b) or (4)(b) of this section, he or she is not required  
15 to pass an examination nor provide an updated photograph. A license  
16 renewed by mail or by electronic commerce that does not include a  
17 photograph of the licensee must be labeled "not valid for  
18 identification purposes."

19 **Sec. 307.** RCW 46.20.308 and 2004 c 187 s 1 and 2004 c 95 s 2 are  
20 each reenacted and amended to read as follows:

21 (1) Any person who operates a motor vehicle within this state is  
22 deemed to have given consent, subject to the provisions of RCW  
23 46.61.506, to a test or tests of his or her breath or blood for the  
24 purpose of determining the alcohol concentration or presence of any  
25 drug in his or her breath or blood if arrested for any offense where,  
26 at the time of the arrest, the arresting officer has reasonable grounds  
27 to believe the person had been driving or was in actual physical  
28 control of a motor vehicle while under the influence of intoxicating  
29 liquor or any drug or was in violation of RCW 46.61.503. Neither  
30 consent nor this section precludes a police officer from obtaining a  
31 search warrant for a person's breath or blood.

32 (2) The test or tests of breath shall be administered at the  
33 direction of a law enforcement officer having reasonable grounds to  
34 believe the person to have been driving or in actual physical control  
35 of a motor vehicle within this state while under the influence of  
36 intoxicating liquor or any drug or the person to have been driving or  
37 in actual physical control of a motor vehicle while having alcohol in

1 a concentration in violation of RCW 46.61.503 in his or her system and  
2 being under the age of twenty-one. However, in those instances where  
3 the person is incapable due to physical injury, physical incapacity, or  
4 other physical limitation, of providing a breath sample or where the  
5 person is being treated in a hospital, clinic, doctor's office,  
6 emergency medical vehicle, ambulance, or other similar facility or  
7 where the officer has reasonable grounds to believe that the person is  
8 under the influence of a drug, a blood test shall be administered by a  
9 qualified person as provided in RCW 46.61.506(5). The officer shall  
10 inform the person of his or her right to refuse the breath or blood  
11 test, and of his or her right to have additional tests administered by  
12 any qualified person of his or her choosing as provided in RCW  
13 46.61.506. The officer shall warn the driver, in substantially the  
14 following language, that:

15 (a) If the driver refuses to take the test, the driver's license,  
16 permit, or privilege to drive will be revoked or denied for at least  
17 one year; and

18 (b) If the driver refuses to take the test, the driver's refusal to  
19 take the test may be used in a criminal trial; and

20 (c) If the driver submits to the test and the test is administered,  
21 the driver's license, permit, or privilege to drive will be suspended,  
22 revoked, or denied for at least ninety days if the driver is age  
23 twenty-one or over and the test indicates the alcohol concentration of  
24 the driver's breath or blood is 0.08 or more, or if the driver is under  
25 age twenty-one and the test indicates the alcohol concentration of the  
26 driver's breath or blood is 0.02 or more, or if the driver is under age  
27 twenty-one and the driver is in violation of RCW 46.61.502 or  
28 46.61.504.

29 (3) Except as provided in this section, the test administered shall  
30 be of the breath only. If an individual is unconscious or is under  
31 arrest for the crime of vehicular homicide as provided in RCW 46.61.520  
32 or vehicular assault as provided in RCW 46.61.522, or if an individual  
33 is under arrest for the crime of driving while under the influence of  
34 intoxicating liquor or drugs as provided in RCW 46.61.502, which arrest  
35 results from an accident in which there has been serious bodily injury  
36 to another person, a breath or blood test may be administered without  
37 the consent of the individual so arrested.

1 (4) Any person who is dead, unconscious, or who is otherwise in a  
2 condition rendering him or her incapable of refusal, shall be deemed  
3 not to have withdrawn the consent provided by subsection (1) of this  
4 section and the test or tests may be administered, subject to the  
5 provisions of RCW 46.61.506, and the person shall be deemed to have  
6 received the warnings required under subsection (2) of this section.

7 (5) If, following his or her arrest and receipt of warnings under  
8 subsection (2) of this section, the person arrested refuses upon the  
9 request of a law enforcement officer to submit to a test or tests of  
10 his or her breath or blood, no test shall be given except as authorized  
11 under subsection (3) or (4) of this section.

12 (6) If, after arrest and after the other applicable conditions and  
13 requirements of this section have been satisfied, a test or tests of  
14 the person's blood or breath is administered and the test results  
15 indicate that the alcohol concentration of the person's breath or blood  
16 is 0.08 or more if the person is age twenty-one or over, or 0.02 or  
17 more if the person is under the age of twenty-one, or the person  
18 refuses to submit to a test, the arresting officer or other law  
19 enforcement officer at whose direction any test has been given, or the  
20 department, where applicable, if the arrest results in a test of the  
21 person's blood, shall:

22 (a) Serve notice in writing on the person on behalf of the  
23 department of its intention to suspend, revoke, or deny the person's  
24 license, permit, or privilege to drive as required by subsection (7) of  
25 this section;

26 (b) Serve notice in writing on the person on behalf of the  
27 department of his or her right to a hearing, specifying the steps he or  
28 she must take to obtain a hearing as provided by subsection (8) of this  
29 section;

30 (c) Mark the person's Washington state driver's license or permit  
31 to drive, if any, in a manner authorized by the department;

32 (d) Serve notice in writing that the marked license or permit, if  
33 any, is a temporary license that is valid for sixty days from the date  
34 of arrest or from the date notice has been given in the event notice is  
35 given by the department following a blood test, or until the  
36 suspension, revocation, or denial of the person's license, permit, or  
37 privilege to drive is sustained at a hearing pursuant to subsection (8)

1 of this section, whichever occurs first. No temporary license is valid  
2 to any greater degree than the license or permit that it replaces; and

3 (e) Immediately notify the department of the arrest and transmit to  
4 the department within seventy-two hours, except as delayed as the  
5 result of a blood test, a sworn report or report under a declaration  
6 authorized by RCW 9A.72.085 that states:

7 (i) That the officer had reasonable grounds to believe the arrested  
8 person had been driving or was in actual physical control of a motor  
9 vehicle within this state while under the influence of intoxicating  
10 liquor or drugs, or both, or was under the age of twenty-one years and  
11 had been driving or was in actual physical control of a motor vehicle  
12 while having an alcohol concentration in violation of RCW 46.61.503;

13 (ii) That after receipt of the warnings required by subsection (2)  
14 of this section the person refused to submit to a test of his or her  
15 blood or breath, or a test was administered and the results indicated  
16 that the alcohol concentration of the person's breath or blood was 0.08  
17 or more if the person is age twenty-one or over, or was 0.02 or more if  
18 the person is under the age of twenty-one; and

19 (iii) Any other information that the director may require by rule.

20 (7) The department of licensing, upon the receipt of a sworn report  
21 or report under a declaration authorized by RCW 9A.72.085 under  
22 subsection (6)(e) of this section, shall suspend, revoke, or deny the  
23 person's license, permit, or privilege to drive or any nonresident  
24 operating privilege, as provided in RCW 46.20.3101, such suspension,  
25 revocation, or denial to be effective beginning sixty days from the  
26 date of arrest or from the date notice has been given in the event  
27 notice is given by the department following a blood test, or when  
28 sustained at a hearing pursuant to subsection (8) of this section,  
29 whichever occurs first.

30 (8) A person receiving notification under subsection (6)(b) of this  
31 section may, within thirty days after the notice has been given,  
32 request in writing a formal hearing before the department. The person  
33 shall pay a fee of (~~one~~) two hundred dollars as part of the request.  
34 If the request is mailed, it must be postmarked within thirty days  
35 after receipt of the notification. Upon timely receipt of such a  
36 request for a formal hearing, including receipt of the required (~~one~~)  
37 two hundred dollar fee, the department shall afford the person an  
38 opportunity for a hearing. The department may waive the required

1 ((one)) two hundred dollar fee if the person is an indigent as defined  
2 in RCW 10.101.010. Except as otherwise provided in this section, the  
3 hearing is subject to and shall be scheduled and conducted in  
4 accordance with RCW 46.20.329 and 46.20.332. The hearing shall be  
5 conducted in the county of the arrest, except that all or part of the  
6 hearing may, at the discretion of the department, be conducted by  
7 telephone or other electronic means. The hearing shall be held within  
8 sixty days following the arrest or following the date notice has been  
9 given in the event notice is given by the department following a blood  
10 test, unless otherwise agreed to by the department and the person, in  
11 which case the action by the department shall be stayed, and any valid  
12 temporary license marked under subsection (6)(c) of this section  
13 extended, if the person is otherwise eligible for licensing. For the  
14 purposes of this section, the scope of the hearing shall cover the  
15 issues of whether a law enforcement officer had reasonable grounds to  
16 believe the person had been driving or was in actual physical control  
17 of a motor vehicle within this state while under the influence of  
18 intoxicating liquor or any drug or had been driving or was in actual  
19 physical control of a motor vehicle within this state while having  
20 alcohol in his or her system in a concentration of 0.02 or more if the  
21 person was under the age of twenty-one, whether the person was placed  
22 under arrest, and (a) whether the person refused to submit to the test  
23 or tests upon request of the officer after having been informed that  
24 such refusal would result in the revocation of the person's license,  
25 permit, or privilege to drive, or (b) if a test or tests were  
26 administered, whether the applicable requirements of this section were  
27 satisfied before the administration of the test or tests, whether the  
28 person submitted to the test or tests, or whether a test was  
29 administered without express consent as permitted under this section,  
30 and whether the test or tests indicated that the alcohol concentration  
31 of the person's breath or blood was 0.08 or more if the person was age  
32 twenty-one or over at the time of the arrest, or 0.02 or more if the  
33 person was under the age of twenty-one at the time of the arrest. The  
34 sworn report or report under a declaration authorized by RCW 9A.72.085  
35 submitted by a law enforcement officer is prima facie evidence that the  
36 officer had reasonable grounds to believe the person had been driving  
37 or was in actual physical control of a motor vehicle within this state  
38 while under the influence of intoxicating liquor or drugs, or both, or

1 the person had been driving or was in actual physical control of a  
2 motor vehicle within this state while having alcohol in his or her  
3 system in a concentration of 0.02 or more and was under the age of  
4 twenty-one and that the officer complied with the requirements of this  
5 section.

6 A hearing officer shall conduct the hearing, may issue subpoenas  
7 for the attendance of witnesses and the production of documents, and  
8 shall administer oaths to witnesses. The hearing officer shall not  
9 issue a subpoena for the attendance of a witness at the request of the  
10 person unless the request is accompanied by the fee required by RCW  
11 5.56.010 for a witness in district court. The sworn report or report  
12 under a declaration authorized by RCW 9A.72.085 of the law enforcement  
13 officer and any other evidence accompanying the report shall be  
14 admissible without further evidentiary foundation and the  
15 certifications authorized by the criminal rules for courts of limited  
16 jurisdiction shall be admissible without further evidentiary  
17 foundation. The person may be represented by counsel, may question  
18 witnesses, may present evidence, and may testify. The department shall  
19 order that the suspension, revocation, or denial either be rescinded or  
20 sustained.

21 (9) If the suspension, revocation, or denial is sustained after  
22 such a hearing, the person whose license, privilege, or permit is  
23 suspended, revoked, or denied has the right to file a petition in the  
24 superior court of the county of arrest to review the final order of  
25 revocation by the department in the same manner as an appeal from a  
26 decision of a court of limited jurisdiction. Notice of appeal must be  
27 filed within thirty days after the date the final order is served or  
28 the right to appeal is waived. Notwithstanding RCW 46.20.334, RALJ  
29 1.1, or other statutes or rules referencing de novo review, the appeal  
30 shall be limited to a review of the record of the administrative  
31 hearing. The appellant must pay the costs associated with obtaining  
32 the record of the hearing before the hearing officer. The filing of  
33 the appeal does not stay the effective date of the suspension,  
34 revocation, or denial. A petition filed under this subsection must  
35 include the petitioner's grounds for requesting review. Upon granting  
36 petitioner's request for review, the court shall review the  
37 department's final order of suspension, revocation, or denial as  
38 expeditiously as possible. The review must be limited to a

1 determination of whether the department has committed any errors of  
2 law. The superior court shall accept those factual determinations  
3 supported by substantial evidence in the record: (a) That were  
4 expressly made by the department; or (b) that may reasonably be  
5 inferred from the final order of the department. The superior court  
6 may reverse, affirm, or modify the decision of the department or remand  
7 the case back to the department for further proceedings. The decision  
8 of the superior court must be in writing and filed in the clerk's  
9 office with the other papers in the case. The court shall state the  
10 reasons for the decision. If judicial relief is sought for a stay or  
11 other temporary remedy from the department's action, the court shall  
12 not grant such relief unless the court finds that the appellant is  
13 likely to prevail in the appeal and that without a stay the appellant  
14 will suffer irreparable injury. If the court stays the suspension,  
15 revocation, or denial it may impose conditions on such stay.

16 (10)(a) If a person whose driver's license, permit, or privilege to  
17 drive has been or will be suspended, revoked, or denied under  
18 subsection (7) of this section, other than as a result of a breath or  
19 blood test refusal, and who has not committed an offense for which he  
20 or she was granted a deferred prosecution under chapter 10.05 RCW,  
21 petitions a court for a deferred prosecution on criminal charges  
22 arising out of the arrest for which action has been or will be taken  
23 under subsection (7) of this section, the court may direct the  
24 department to stay any actual or proposed suspension, revocation, or  
25 denial for at least forty-five days but not more than ninety days. If  
26 the court stays the suspension, revocation, or denial, it may impose  
27 conditions on such stay. If the person is otherwise eligible for  
28 licensing, the department shall issue a temporary license, or extend  
29 any valid temporary license marked under subsection (6) of this  
30 section, for the period of the stay. If a deferred prosecution  
31 treatment plan is not recommended in the report made under RCW  
32 10.05.050, or if treatment is rejected by the court, or if the person  
33 declines to accept an offered treatment plan, or if the person violates  
34 any condition imposed by the court, then the court shall immediately  
35 direct the department to cancel the stay and any temporary marked  
36 license or extension of a temporary license issued under this  
37 subsection.

1 (b) A suspension, revocation, or denial imposed under this section,  
2 other than as a result of a breath or blood test refusal, shall be  
3 stayed if the person is accepted for deferred prosecution as provided  
4 in chapter 10.05 RCW for the incident upon which the suspension,  
5 revocation, or denial is based. If the deferred prosecution is  
6 terminated, the stay shall be lifted and the suspension, revocation, or  
7 denial reinstated. If the deferred prosecution is completed, the stay  
8 shall be lifted and the suspension, revocation, or denial canceled.

9 (c) The provisions of (b) of this subsection relating to a stay of  
10 a suspension, revocation, or denial and the cancellation of any  
11 suspension, revocation, or denial do not apply to the suspension,  
12 revocation, denial, or disqualification of a person's commercial  
13 driver's license or privilege to operate a commercial motor vehicle.

14 (11) When it has been finally determined under the procedures of  
15 this section that a nonresident's privilege to operate a motor vehicle  
16 in this state has been suspended, revoked, or denied, the department  
17 shall give information in writing of the action taken to the motor  
18 vehicle administrator of the state of the person's residence and of any  
19 state in which he or she has a license.

20 **Sec. 308.** RCW 46.20.311 and 2004 c 95 s 3 are each amended to read  
21 as follows:

22 (1)(a) The department shall not suspend a driver's license or  
23 privilege to drive a motor vehicle on the public highways for a fixed  
24 period of more than one year, except as specifically permitted under  
25 RCW 46.20.267, 46.20.342, or other provision of law.

26 (b) Except for a suspension under RCW 46.20.267, 46.20.289,  
27 46.20.291(5), 46.61.740, or 74.20A.320, whenever the license or driving  
28 privilege of any person is suspended by reason of a conviction, a  
29 finding that a traffic infraction has been committed, pursuant to  
30 chapter 46.29 RCW, or pursuant to RCW 46.20.291 or 46.20.308, the  
31 suspension shall remain in effect until the person gives and thereafter  
32 maintains proof of financial responsibility for the future as provided  
33 in chapter 46.29 RCW.

34 (c) If the suspension is the result of a violation of RCW 46.61.502  
35 or 46.61.504, the department shall determine the person's eligibility  
36 for licensing based upon the reports provided by the alcoholism agency  
37 or probation department designated under RCW 46.61.5056 and shall deny

1 reinstatement until enrollment and participation in an approved program  
2 has been established and the person is otherwise qualified. If the  
3 suspension is the result of a violation of RCW 46.61.502 or 46.61.504,  
4 and the person is required pursuant to RCW 46.20.720 to drive only a  
5 motor vehicle equipped with a functioning ignition interlock, the  
6 department shall determine the person's eligibility for licensing based  
7 upon written verification by a company doing business in the state that  
8 it has installed the required device on a vehicle owned or operated by  
9 the person seeking reinstatement. If, based upon notification from the  
10 interlock provider or otherwise, the department determines that an  
11 interlock required under RCW 46.20.720 is no longer installed or  
12 functioning as required, the department shall suspend the person's  
13 license or privilege to drive. Whenever the license or driving  
14 privilege of any person is suspended or revoked as a result of  
15 noncompliance with an ignition interlock requirement, the suspension  
16 shall remain in effect until the person provides notice issued by a  
17 company doing business in the state that a vehicle owned or operated by  
18 the person is equipped with a functioning ignition interlock device.

19 (d) Whenever the license or driving privilege of any person is  
20 suspended as a result of certification of noncompliance with a child  
21 support order under chapter 74.20A RCW or a residential or visitation  
22 order, the suspension shall remain in effect until the person provides  
23 a release issued by the department of social and health services  
24 stating that the person is in compliance with the order.

25 (e)(i) The department shall not issue to the person a new,  
26 duplicate, or renewal license until the person pays a reissue fee of  
27 (~~twenty~~) seventy-five dollars.

28 (ii) If the suspension is the result of a violation of RCW  
29 46.61.502 or 46.61.504, or is the result of administrative action under  
30 RCW 46.20.308, the reissue fee shall be one hundred fifty dollars.

31 (2)(a) Any person whose license or privilege to drive a motor  
32 vehicle on the public highways has been revoked, unless the revocation  
33 was for a cause which has been removed, is not entitled to have the  
34 license or privilege renewed or restored until: (i) After the  
35 expiration of one year from the date the license or privilege to drive  
36 was revoked; (ii) after the expiration of the applicable revocation  
37 period provided by RCW 46.20.3101 or 46.61.5055; (iii) after the

1 expiration of two years for persons convicted of vehicular homicide; or  
2 (iv) after the expiration of the applicable revocation period provided  
3 by RCW 46.20.265.

4 (b)(i) After the expiration of the appropriate period, the person  
5 may make application for a new license as provided by law together with  
6 a reissue fee in the amount of (~~twenty~~) seventy-five dollars.

7 (ii) If the revocation is the result of a violation of RCW  
8 46.20.308, 46.61.502, or 46.61.504, the reissue fee shall be one  
9 hundred fifty dollars. If the revocation is the result of a violation  
10 of RCW 46.61.502 or 46.61.504, the department shall determine the  
11 person's eligibility for licensing based upon the reports provided by  
12 the alcoholism agency or probation department designated under RCW  
13 46.61.5056 and shall deny reissuance of a license, permit, or privilege  
14 to drive until enrollment and participation in an approved program has  
15 been established and the person is otherwise qualified. If the  
16 revocation is the result of a violation of RCW 46.61.502 or 46.61.504,  
17 and the person is required pursuant to RCW 46.20.720 to drive only a  
18 motor vehicle equipped with a functioning ignition interlock or other  
19 biological or technical device, the department shall determine the  
20 person's eligibility for licensing based upon written verification by  
21 a company doing business in the state that it has installed the  
22 required device on a vehicle owned or operated by the person applying  
23 for a new license. If, following issuance of a new license, the  
24 department determines, based upon notification from the interlock  
25 provider or otherwise, that an interlock required under RCW 46.20.720  
26 is no longer functioning, the department shall suspend the person's  
27 license or privilege to drive until the department has received written  
28 verification from an interlock provider that a functioning interlock is  
29 installed.

30 (c) Except for a revocation under RCW 46.20.265, the department  
31 shall not then issue a new license unless it is satisfied after  
32 investigation of the driving ability of the person that it will be safe  
33 to grant the privilege of driving a motor vehicle on the public  
34 highways, and until the person gives and thereafter maintains proof of  
35 financial responsibility for the future as provided in chapter 46.29  
36 RCW. For a revocation under RCW 46.20.265, the department shall not  
37 issue a new license unless it is satisfied after investigation of the

1 driving ability of the person that it will be safe to grant that person  
2 the privilege of driving a motor vehicle on the public highways.

3 (3)(a) Whenever the driver's license of any person is suspended  
4 pursuant to Article IV of the nonresident violators compact or RCW  
5 46.23.020 or 46.20.289 or 46.20.291(5), the department shall not issue  
6 to the person any new or renewal license until the person pays a  
7 reissue fee of (~~twenty~~) seventy-five dollars.

8 (b) If the suspension is the result of a violation of the laws of  
9 this or any other state, province, or other jurisdiction involving (i)  
10 the operation or physical control of a motor vehicle upon the public  
11 highways while under the influence of intoxicating liquor or drugs, or  
12 (ii) the refusal to submit to a chemical test of the driver's blood  
13 alcohol content, the reissue fee shall be one hundred fifty dollars.

14 **Sec. 309.** RCW 46.20.049 and 1999 c 308 s 4 are each amended to  
15 read as follows:

16 There shall be an additional fee for issuing any class of  
17 commercial driver's license in addition to the prescribed fee required  
18 for the issuance of the original driver's license. The additional fee  
19 for each class shall (~~not exceed twenty~~) be thirty dollars for the  
20 original commercial driver's license or subsequent renewals(~~or~~  
21 ~~unless~~). If the commercial driver's license is renewed or extended  
22 for a period other than five years, (~~in which case~~) the fee for each  
23 class shall (~~not exceed four~~) be six dollars for each year that the  
24 commercial driver's license is renewed or extended. The fee shall be  
25 deposited in the highway safety fund.

#### 26 **PART IV - MISCELLANEOUS PROVISIONS**

27 **Sec. 401.** RCW 43.135.045 and 2003 1st sp.s. c 25 s 920 are each  
28 amended to read as follows:

29 (1) The emergency reserve fund is established in the state  
30 treasury. During each fiscal year, the state treasurer shall deposit  
31 in the emergency reserve fund all general fund--state revenues in  
32 excess of the state expenditure limit for that fiscal year. Deposits  
33 shall be made at the end of each fiscal quarter based on projections of  
34 state revenues and the state expenditure limit. The treasurer shall

1 make transfers between these accounts as necessary to reconcile actual  
2 annual revenues and the expenditure limit for fiscal year 2000 and  
3 thereafter.

4 (2) The legislature may appropriate moneys from the emergency  
5 reserve fund only with approval of at least two-thirds of the members  
6 of each house of the legislature, and then only if the appropriation  
7 does not cause total expenditures to exceed the state expenditure limit  
8 under this chapter.

9 (3) The emergency reserve fund balance shall not exceed five  
10 percent of annual general fund--state revenues as projected by the  
11 official state revenue forecast. Any balance in excess of five percent  
12 shall be transferred on a quarterly basis by the state treasurer as  
13 follows: Seventy-five percent to the student achievement fund hereby  
14 created in the state treasury and twenty-five percent to the general  
15 fund balance. The treasurer shall make transfers between these  
16 accounts as necessary to reconcile actual annual revenues for fiscal  
17 year 2000 and thereafter. When per-student state funding for the  
18 maintenance and operation of K-12 education meets a level of no less  
19 than ninety percent of the national average of total funding from all  
20 sources per student as determined by the most recent published data  
21 from the national center for education statistics of the United States  
22 department of education, as calculated by the office of financial  
23 management, further deposits to the student achievement fund shall be  
24 required only to the extent necessary to maintain the ninety-percent  
25 level. Remaining funds are part of the general fund balance and these  
26 funds are subject to the expenditure limits of this chapter.

27 (4) The education construction fund is hereby created in the state  
28 treasury.

29 (a) Funds may be appropriated from the education construction fund  
30 exclusively for common school construction or higher education  
31 construction.

32 (b) Funds may be appropriated for any other purpose only if  
33 approved by a two-thirds vote of each house of the legislature and if  
34 approved by a vote of the people at the next general election. An  
35 appropriation approved by the people under this subsection shall result  
36 in an adjustment to the state expenditure limit only for the fiscal  
37 period for which the appropriation is made and shall not affect any  
38 subsequent fiscal period.

1 (5) Funds from the student achievement fund shall be appropriated  
2 to the superintendent of public instruction strictly for distribution  
3 to school districts to meet the provisions set out in the student  
4 achievement act. Allocations shall be made on an equal per full-time  
5 equivalent student basis to each school district.

6 ~~((6) Earnings of the emergency reserve fund under RCW  
7 43.84.092(4)(a) shall be transferred quarterly to the multimodal  
8 transportation account, except for those earnings that are in excess of  
9 thirty five million dollars each fiscal year. Within thirty days  
10 following any fiscal year in which earnings transferred to the  
11 multimodal transportation account under this subsection did not total  
12 thirty five million dollars, the state treasurer shall transfer from  
13 the emergency reserve fund an amount necessary to bring the total  
14 deposited in the multimodal transportation account under this  
15 subsection to thirty five million dollars. The revenues to the  
16 multimodal transportation account reflected in this subsection provide  
17 ongoing support for the transportation programs of the state. However,  
18 it is the intent of the legislature that any new long term financial  
19 support that may be subsequently provided for transportation programs  
20 will be used to replace and supplant the revenues reflected in this  
21 subsection, thereby allowing those revenues to be returned to the  
22 purposes to which they were previously dedicated. No transfers from  
23 the emergency reserve fund to the multimodal fund shall be made during  
24 the 2003-05 fiscal biennium.))~~
