- NEW SECTION. Sec. 102. A new section is added to chapter 72.09
 RCW to read as follows:
- 12 (1) Through June 30, 2010, it is the intent of the legislature to 13 provide one hundred additional placements for therapeutic drug and 14 alcohol treatment in the state's correctional institutions, above the 15 level of placements provided on January 1, 2006.
 - (2) This section expires June 30, 2010.

The funding appropriated for this purpose must not be used to supplant existing funding and cannot be used for any purpose other than the enforcement of illegal drug laws.

- **Sec. 303.** RCW 9.94A.500 and 2000 c 75 s 8 are each amended to read 12 as follows:
 - (1) Before imposing a sentence upon a defendant, the court shall conduct a sentencing hearing. The sentencing hearing shall be held within forty court days following conviction. Upon the motion of either party for good cause shown, or on its own motion, the court may extend the time period for conducting the sentencing hearing.

Except in cases where the defendant shall be sentenced to a term of total confinement for life without the possibility of release or, when authorized by RCW 10.95.030 for the crime of aggravated murder in the first degree, sentenced to death, the court may order the department to complete a risk assessment report. If available before sentencing, the report shall be provided to the court.

Unless specifically waived by the court, the court shall order the department to complete a chemical dependency screening report before imposing a sentence upon a defendant who has been convicted of a violation of the uniform controlled substances act under chapter 69.50 RCW ((er)), a criminal solicitation to commit such a violation under chapter 9A.28 RCW, or any felony where the court finds that the offender has a chemical dependency that has contributed to his or her offense. The department of corrections shall give priority to presentence investigations for sexual offenders. If the court determines that the defendant may be a mentally ill person as defined in RCW 71.24.025, although the defendant has not established

that at the time of the crime he or she lacked the capacity to commit the crime, was incompetent to commit the crime, or was insane at the time of the crime, the court shall order the department to complete a presentence report before imposing a sentence.

The court shall consider the risk assessment report and presentence reports, if any, including any victim impact statement and criminal history, and allow arguments from the prosecutor, the defense counsel, the offender, the victim, the survivor of the victim, or a representative of the victim or survivor, and an investigative law enforcement officer as to the sentence to be imposed.

All of this information shall be part of the record. Copies of all risk assessment reports and presentence reports presented to the sentencing court and all written findings of facts and conclusions of law as to sentencing entered by the court shall be sent to the department by the clerk of the court at the conclusion of the sentencing and shall accompany the offender if the offender is committed to the custody of the department.
