

2SHB 1503 - H AMD TO H AMD (H2947.6) **436**
By Representative Chandler

1 On page 2, line 26 of the amendment, after "51.52.060" strike
2 "with a preliminary list of witnesses" and insert "and confirmation
3 of witnesses with the board of industrial insurance appeals"

EFFECT: Provides that the worker and the representative of the worker must not contact certain medical witnesses without written authorization from the Department or self-insurer after confirmation of witnesses with the Board of Industrial Insurance Appeals (instead of when notice of appeal is filed with a preliminary list of witnesses).
