By Representative Hinkle

**FAILED 3/12/2007**

1           On page 2, line 9, after "vaccine." insert "The information  
2 about the human papillomavirus disease and its vaccine must include  
3 a clear disclosure statement on the front of the distributed  
4 material in bold-face type, in a font size at least two points  
5 larger than other font sizes on the page, that reads: "The only  
6 sure way to prevent the human papillomavirus disease is to abstain  
7 from all sexual activity.""

**EFFECT:** Requires information distributed on HPV and its vaccine to include a statement on the front of the materials that the only way to prevent HPV disease is to abstain from sexual activity.
