

SHB 2073 - H AMD 87

By Representative Condotta

WITHDRAWN 3/8/2007

1 On page 6, line 7, after "development." insert "The department
2 will also assist stakeholders in developing additional vocational
3 training programs in various industries, including but not limited
4 to agriculture and construction. These programs will expand the
5 choices available to injured workers in developing their vocational
6 training plans with the assistance of vocational professionals."

EFFECT: Requires the Department of Labor and Industries to assist stakeholders in developing additional vocational training programs in various industries, including but not limited to agriculture and construction.
