By Representative Ericksen

FAILED 2/22/2008

1 On page 49, after line 24, insert the following:

2 "The department shall take the necessary steps to move forward
3 with a state route number 520 bridge replacement project design
4 that provides six total lanes, with four general purpose lanes and
5 two lanes that are for high-occupancy vehicle travel and can
6 accommodate high capacity transportation. The bridge shall be
7 built to provide for additional capacity in the future without
8 additional retrofitting or construction."

EFFECT: Requires the department to take the steps necessary to move forward with a replacement state route 520 bridge design that provides six total lanes. Also requires that the bridge be built to provide for additional capacity in the future without additional retrofitting or construction.
