

**2SHB 3216** - H AMD 1100

By Representative Morris

**ADOPTED 2/15/2008**

1           On page 3, line 3, after "and" strike the remainder of the  
2 section and insert "to explore mechanisms to streamline and make  
3 more efficient current permitting processes for wave and tidal  
4 power projects."

**EFFECT:** Modifies the mission of the work group to explore mechanisms to streamline and make more efficient current permitting processes for wave and tidal power projects.
