4 technical changes throughout chapters 41.08, 41.12, 41.16, and 41.18  
5 RCW with regard to gender-specific terminology. The legislature finds  
6 that gender-neutral terms must be used in accordance with RCW  
7 44.04.210. This act is technical in nature and no substantive legal  
8 changes are intended or implied.

9 **Sec. 2.** RCW 41.08.020 and 1935 c 31 s 2 are each amended to read  
10 as follows:

11 If any of the cities or towns referred to in RCW 41.08.010 shall at  
12 any time repeal the charter provisions or other local acts of said  
13 cities or towns providing for civil service for ((firemen))  
14 firefighters as referred to in RCW 41.08.010, in that event this  
15 chapter shall apply to all of such cities and towns which have at any  
16 time abolished civil service for members of the fire department.

17 **Sec. 3.** RCW 41.08.030 and 1935 c 31 s 3 are each amended to read  
18 as follows:

19 There is hereby created in every city, town or municipality except  
20 those referred to in RCW 41.08.010, having a full paid fire department  
21 a civil service commission which shall be composed of three persons.

22 The members of such commission shall be appointed by the person or  
23 group of persons who, acting singly or in conjunction, as a mayor, city  
24 manager, council, common council, commission, or otherwise, is or are  
25 vested by law with power and authority to select, appoint, or employ  
26 the chief of a fire department in any such city, prior to the enactment  
27 of this chapter. The members of such commission shall serve without  
28 compensation. No person shall be appointed a member of such commission

1 who is not a citizen of the United States, a resident of such city for  
2 at least three years immediately preceding such appointment, and an  
3 elector of the county wherein he or she resides. The term of office of  
4 such commissioners shall be for six years, except that the first three  
5 members of such commission shall be appointed for different terms, as  
6 follows: One to serve for a period of two years, one to serve for a  
7 period of four years, and one to serve for a period of six years. Any  
8 member of such commission may be removed from office for incompetency,  
9 incompatibility or dereliction of duty, or malfeasance in office, or  
10 other good cause: PROVIDED, HOWEVER, That no member of the commission  
11 shall be removed until charges have been preferred, in writing, due  
12 notice and a full hearing had. The members of such commission shall  
13 devote due time and attention to the performance of the duties  
14 hereinafter specified and imposed upon them by this chapter. Two  
15 members of such commission shall constitute a quorum and the votes of  
16 any two members of such commission concurring shall be sufficient for  
17 the decision of all matters and the transaction of all business to be  
18 decided or transacted by the commission under or by virtue of the  
19 provisions of this chapter. Confirmation of said appointment or  
20 appointments of commissioners by any legislative body shall not be  
21 required. At the time of any appointment not more than two  
22 commissioners shall be adherents of the same political party.

23 **Sec. 4.** RCW 41.08.075 and 1972 ex.s. c 37 s 4 are each amended to  
24 read as follows:

25 No city, town, or municipality shall require any person applying  
26 for or holding an office, place, position, or employment under the  
27 provisions of this chapter or under any local charter or other  
28 regulations described in RCW 41.08.010 to reside within the limits of  
29 such municipal corporation as a condition of employment, or to  
30 discriminate in any manner against any such person because of his or  
31 her residence outside of the limits of such city, town, or  
32 municipality.

33 **Sec. 5.** RCW 41.08.080 and 1935 c 31 s 8 are each amended to read  
34 as follows:

35 The tenure of every one holding an office, place, position or  
36 employment under the provisions of this chapter shall be only during

1 good behavior, and any such person may be removed or discharged,  
2 suspended without pay, demoted, or reduced in rank, or deprived of  
3 vacation privileges or other special privileges for any of the  
4 following reasons:

5 (1) Incompetency, inefficiency or inattention to or dereliction of  
6 duty;

7 (2) Dishonesty, intemperance, immoral conduct, insubordination,  
8 discourteous treatment of the public, or a fellow employee, or any  
9 other act of omission or commission tending to injure the public  
10 service; or any other willful failure on the part of the employee to  
11 properly conduct himself or herself; or any willful violation of the  
12 provisions of this chapter or the rules and regulations to be adopted  
13 hereunder;

14 (3) Mental or physical unfitness for the position which the  
15 employee holds;

16 (4) Dishonest, disgraceful, immoral or prejudicial conduct;

17 (5) Drunkenness or use of intoxicating liquors, narcotics, or any  
18 other habit forming drug, liquid or preparation to such extent that the  
19 use thereof interferes with the efficiency or mental or physical  
20 fitness of the employee, or which precludes the employee from properly  
21 performing the functions and duties of any position under civil  
22 service;

23 (6) Conviction of a felony, or a misdemeanor, involving moral  
24 turpitude;

25 (7) Any other act or failure to act which in the judgment of the  
26 civil service commissioners is sufficient to show the offender to be an  
27 unsuitable and unfit person to be employed in the public service.

28 **Sec. 6.** RCW 41.08.090 and 1935 c 31 s 9 are each amended to read  
29 as follows:

30 No person in the classified civil service who shall have been  
31 permanently appointed or inducted into civil service under provisions  
32 of this chapter, shall be removed, suspended, demoted or discharged  
33 except for cause, and only upon the written accusation of the  
34 appointing power, or any citizen or taxpayer, a written statement of  
35 which accusation, in general terms, shall be served upon the accused,  
36 and a duplicate filed with the commission. Any person so removed,  
37 suspended, demoted or discharged may within ten days from the time of

1 his or her removal, suspension, demotion or discharge, file with the  
2 commission a written demand for an investigation, whereupon the  
3 commission shall conduct such investigation. The investigation shall  
4 be confined to the determination of the question of whether such  
5 removal, suspension, demotion or discharge was or was not made for  
6 political or religious reasons and was or was not made in good faith  
7 (~~(+f)or~~) for cause. After such investigation the commission may  
8 affirm the removal, or if it shall find that the removal, suspension,  
9 or demotion was made for political or religious reasons, or was not  
10 made in good faith for cause, shall order the immediate reinstatement  
11 or reemployment of such person in the office, place, position or  
12 employment from which such person was removed, suspended, demoted or  
13 discharged, which reinstatement shall, if the commission so provides in  
14 its discretion, be retroactive, and entitle such person to pay or  
15 compensation from the time of such removal, suspension, demotion or  
16 discharge. The commission upon such investigation, in lieu of  
17 affirming the removal, suspension, demotion or discharge may modify the  
18 order of removal, suspension, demotion or discharge by directing a  
19 suspension, without pay, for a given period, and subsequent restoration  
20 to duty, or demotion in classification, grade, or pay; the findings of  
21 the commission shall be certified, in writing to the appointing power,  
22 and shall be forthwith enforced by such officer.

23 All investigations made by the commission pursuant to the  
24 provisions of this section shall be by public hearing, after reasonable  
25 notice to the accused of the time and place of such hearing, at which  
26 hearing the accused shall be afforded an opportunity of appearing in  
27 person and by counsel, and presenting his or her defense. If such  
28 judgment or order be concurred in by the commission or a majority  
29 thereof, the accused may appeal therefrom to the court of original and  
30 unlimited jurisdiction in civil suits of the county wherein he or she  
31 resides. Such appeal shall be taken by serving the commission, within  
32 thirty days after the entry of such judgment or order, a written notice  
33 of appeal, stating the grounds thereof, and demanding that a certified  
34 transcript of the record and of all papers on file in the office of the  
35 commission affecting or relating to such judgment or order, be filed by  
36 the commission with such court. The commission shall, within ten days  
37 after the filing of such notice, make, certify and file such transcript  
38 with such court. The court of original and unlimited jurisdiction in

1 civil suits shall thereupon proceed to hear and determine such appeal  
2 in a summary manner: PROVIDED, HOWEVER, That such hearing shall be  
3 confined to the determination of whether the judgment or order of  
4 removal, discharge, demotion or suspension made by the commission, was  
5 or was not made in good faith for cause, and no appeal to such court  
6 shall be taken except upon such ground or grounds.

7 **Sec. 7.** RCW 41.08.100 and 1935 c 31 s 11 are each amended to read  
8 as follows:

9 Whenever a position in the classified service becomes vacant, the  
10 appointing power, if it desires to fill the vacancy, shall make  
11 requisition upon the commission for the name and address of a person  
12 eligible for appointment thereto. The commission shall certify the  
13 name of the person highest on the eligible list for the class to which  
14 the vacant position has been allocated, who is willing to accept  
15 employment. If there is no appropriate eligible list for the class,  
16 the commission shall certify the name of the person standing highest on  
17 said list held appropriate for such class. If more than one vacancy is  
18 to be filled an additional name shall be certified for each additional  
19 vacancy. The appointing power shall forthwith appoint such person to  
20 such vacant position.

21 Whenever requisition is to be made, or whenever a position is held  
22 by a temporary appointee and an eligible list for the class of such  
23 position exists, the commission shall forthwith certify the name of the  
24 person eligible for appointment to the appointing power, and said  
25 appointing power shall forthwith appoint the person so certified to  
26 said position. No person so certified shall be laid off, suspended, or  
27 given leave of absence from duty, transferred or reduced in pay or  
28 grade, except for reasons which will promote the good of the service,  
29 specified in writing, and after an opportunity to be heard by the  
30 commission and then only with its consent and approval.

31 To enable the appointing power to exercise a choice in the filling  
32 of positions, no appointment, employment or promotion in any position  
33 in the classified service shall be deemed complete until after the  
34 expiration of a period of three to six months' probationary service, as  
35 may be provided in the rules of the civil service commission during  
36 which the appointing power may terminate the employment of the person  
37 certified to him or her, or it, if during the performance test thus

1 afforded, upon observation or consideration of the performance of duty,  
2 the appointing power deems him or her unfit or unsatisfactory for  
3 service in the department. Whereupon the appointing power shall  
4 designate the person certified as standing next highest on any such  
5 list and such person shall likewise enter upon said duties until some  
6 person is found who is deemed fit for appointment, employment or  
7 promotion for the probationary period provided therefor, whereupon the  
8 appointment, employment or promotion shall be deemed to be complete.

9 **Sec. 8.** RCW 41.08.150 and 1935 c 31 s 16 are each amended to read  
10 as follows:

11 No commissioner or any other person((~~7~~)) shall, by himself or  
12 herself, or in cooperation with one or more persons, defeat, deceive,  
13 or obstruct any person in respect of his or her right of examination or  
14 registration according to the rules and regulations of this chapter, or  
15 falsely mark, grade, estimate or report upon the examination or proper  
16 standing of any person examined, registered or certified pursuant to  
17 the provisions of this chapter, or aid in so doing, or make any false  
18 representation concerning the same, or concerning the person examined,  
19 or furnish any person any special or secret information for the purpose  
20 of improving or injuring the prospects or chances of any person so  
21 examined, registered or certified, or to be examined, registered or  
22 certified or persuade any other person, or permit or aid in any manner  
23 any other person to personate him or her, in connection with any  
24 examination or registration or application or request to be examined or  
25 registered.

26 **Sec. 9.** RCW 41.08.220 and 1935 c 31 s 24 are each amended to read

18 two commissioners shall be adherents of the same political party.

19 **Sec. 12.** RCW 41.12.075 and 1972 ex.s. c 37 s 5 are each amended to

18 (6) Conviction of a felony, or a misdemeanor, involving moral

20 (7) Any other act or failure to act which in the judgment of the

23 **Sec. 14.** RCW 41.12.090 and 1937 c 13 s 9 are each amended to read  
24 as follows:

25 No person in the classified civil service who shall have been  
26 permanently appointed or inducted into civil service under provisions  
27 of this chapter, shall be removed, suspended, demoted or discharged  
28 except for cause, and only upon written accusation of the appointing  
29 power, or any citizen or taxpayer; a written statement of which  
30 accusation, in general terms, shall be served upon the accused, and a

2 After such investigation the commission may affirm the removal, or if  
3 it shall find that the removal, suspension, or demotion was made for

5 cause, shall order the immediate reinstatement (~~(of)~~) or  
6 reemployment of such person in the office, place, position or

8 discharged, which reinstatement shall, if the commission so provides in  
9 its discretion, be retroactive, and entitle such person to pay or  
10 compensation from the time of such removal, suspension, demotion or  
11 discharge. The commission upon such investigation, (~~(in)~~) in lieu of  
12 affirming the removal, suspension, demotion or discharge may modify the  
13 order of removal, suspension, demotion or discharge by directing a  
14 suspension, without pay, for a given period, and subsequent restoration  
15 to duty, or demotion in classification, grade, or pay; the findings of  
16 the commission shall be certified, in writing to the appointing power,  
17 and shall be forthwith enforced by such officer.

18 All investigations made by the commission pursuant to the

21 at which hearing the accused shall be afforded an opportunity of  
22 appearing in person and by counsel, and presenting his or her defense.

29 demanding that a certified transcript of the record and of all papers  
30 on file in the office of the commission affecting or relating to such  
31 judgment or order, be filed by the commission with such court. The

36 PROVIDED, HOWEVER, That such hearing shall be confined to the  
37 determination of whether the judgment or order of removal, discharge,

9 eligible for appointment thereto. The commission shall certify the  
10 name of the person highest on the eligible list for the class to which  
11 the vacant position has been allocated, who is willing to accept  
12 employment. If there is no appropriate eligible list for the class,  
13 the commission shall certify the name of the person standing highest on  
14 said list held appropriate for such class. If more than one vacancy is

37 service in the department, whereupon the appointing power shall

1 designate the person certified as standing next highest on any such  
2 list and such person shall likewise enter upon said duties until some  
3 person is found who is deemed fit for appointment, employment or  
4 promotion for the probationary period provided therefor, whereupon the  
5 appointment, employment or promotion shall be deemed to be complete.

6 **Sec. 16.** RCW 41.12.150 and 1937 c 13 s 16 are each amended to read

11           (1) The governor is hereby authorized to enter on behalf of the

13 welfare consistent with the terms and provisions of this chapter, for  
14 the purpose of extending the benefits of the federal old-age and

21 such provisions relating to coverage, benefits, contributions,  
22 effective date, modification and termination of the agreement,  
23 administration, and other appropriate provisions as the governor and  
24 secretary of health, education, and welfare shall agree upon, but,  
25 except as may be otherwise required by or under the social security act  
26 as to the services to be covered, such agreement shall provide in  
27 effect that--

28           (a) Benefits will be provided for employees whose services are  
29 covered by the agreement (and their dependents and survivors) on the  
30 same basis as though such services constituted employment within the  
31 meaning of title II of the social security act;

32           (b) The state will pay to the secretary of the treasury, at such  
33 time or times as may be prescribed under the social security act,  
34 contributions with respect to wages (as defined in RCW 41.48.020),  
35 equal to the sum of the taxes which would be imposed by the federal  
36 insurance contributions act if the services covered by the agreement  
37 constituted employment within the meaning of that act;

1 (c) Such agreement shall be effective with respect to services in  
2 employment covered by the agreement or modification thereof performed  
3 after a date specified therein but in no event may it be effective with  
4 respect to any such services performed prior to the first day of the  
5 calendar year immediately preceding the calendar year in which such  
6 agreement or modification of the agreement is accepted by the secretary  
7 of health, education and welfare.

8 (d) All services which constitute employment as defined in RCW  
9 41.48.020 and are performed in the employ of the state by employees of  
10 the state, shall be covered by the agreement;

11 (e) All services which (i) constitute employment as defined in RCW  
12 41.48.020, (ii) are performed in the employ of a political subdivision  
13 of the state, and (iii) are covered by a plan which is in conformity  
14 with the terms of the agreement and has been approved by the governor  
15 under RCW 41.48.050, shall be covered by the agreement; and

16 (f) As modified, the agreement shall include all services described  
17 in either paragraph (d) or paragraph (e) of this subsection and  
18 performed by individuals to whom section 218(c)(3)(C) of the social  
19 security act is applicable, and shall provide that the service of any  
20 such individual shall continue to be covered by the agreement in case  
21 he thereafter becomes eligible to be a member of a retirement system;  
22 and

23 (g) As modified, the agreement shall include all services described  
24 in either paragraph (d) or paragraph (e) of this subsection and  
25 performed by individuals in positions covered by a retirement system  
26 with respect to which the governor has issued a certificate to the  
27 secretary of health, education, and welfare pursuant to subsection (5)  
28 of this section.

29 (h) Law enforcement officers and (~~firemen~~) firefighters of each  
30 political subdivision of this state who are covered by the Washington  
31 Law Enforcement Officers' and Fire Fighters' Retirement System Act  
32 (chapter 209, Laws of 1969 ex. sess.) as now in existence or hereafter  
33 amended shall constitute a separate "coverage group" for purposes of  
34 the agreement entered into under this section and for purposes of  
35 section 218 of the social security act. To the extent that the  
36 agreement between this state and the federal secretary of health,  
37 education, and welfare in existence on the date of adoption of this

1 subsection is inconsistent with this subsection, the governor shall  
2 seek to modify the inconsistency.

3 (2) Any instrumentality jointly created by this state and any other  
4 state or states is hereby authorized, upon the granting of like  
5 authority by such other state or states, (a) to enter into an agreement  
6 with the secretary of health, education, and welfare whereby the  
7 benefits of the federal old-age and survivors insurance system shall be  
8 extended to employees of such instrumentality, (b) to require its  
9 employees to pay (and for that purpose to deduct from their wages)  
10 contributions equal to the amounts which they would be required to pay  
11 under RCW 41.48.040(1) if they were covered by an agreement made  
12 pursuant to subsection (1) of this section, and (c) to make payments to  
13 the secretary of the treasury in accordance with such agreement,  
14 including payments from its own funds, and otherwise to comply with  
15 such agreements. Such agreement shall, to the extent practicable, be  
16 consistent with the terms and provisions of subsection (1) and other  
17 provisions of this chapter.

18 (3) The governor is empowered to authorize a referendum, and to  
19 designate an agency or individual to supervise its conduct, in  
20 accordance with the requirements of section 218(d)(3) of the social  
21 security act, and subsection (4) of this section on the question of  
22 whether service in all positions covered by a retirement system  
23 established by the state or by a political subdivision thereof should  
24 be excluded from or included under an agreement under this chapter. If  
25 a retirement system covers positions of employees of the state of  
26 Washington, of the institutions of higher learning, and positions of  
27 employees of one or more of the political subdivisions of the state,  
28 then for the purpose of the referendum as provided herein, there may be  
29 deemed to be a separate retirement system with respect to employees of  
30 the state, or any one or more of the political subdivisions, or  
31 institutions of higher learning and the governor shall authorize a  
32 referendum upon request of the subdivisions' or institutions' of higher  
33 learning governing body: PROVIDED HOWEVER, That if a referendum of  
34 state employees generally fails to produce a favorable majority vote  
35 then the governor may authorize a referendum covering positions of  
36 employees in any state department who are compensated in whole or in  
37 part from grants made to this state under title III of the federal  
38 social security act: PROVIDED, That any city or town affiliated with

1 the statewide city employees retirement system organized under chapter  
2 41.44 RCW may at its option agree to a plan submitted by the board of  
3 trustees of said statewide city employees retirement system for  
4 inclusion under an agreement under this chapter if the referendum to be  
5 held as provided herein indicates a favorable result: PROVIDED  
6 FURTHER, That the teachers' retirement system be considered one system  
7 for the purpose of the referendum except as applied to the several  
8 colleges of education. The notice of referendum required by section  
9 218(d)(3)(C) of the social security act to be given to employees shall  
10 contain or shall be accompanied by a statement, in such form and such  
11 detail as the agency or individual designated to supervise the  
12 referendum shall deem necessary and sufficient, to inform the employees  
13 of the rights which will accrue to them and their dependents and  
14 survivors, and the liabilities to which they will be subject, if their  
15 services are included under an agreement under this chapter.

16 (4) The governor, before authorizing a referendum, shall require  
17 the following conditions to be met:

18 (a) The referendum shall be by secret written ballot on the  
19 question of whether service in positions covered by such retirement  
20 system shall be excluded from or included under the agreement between  
21 the governor and the secretary of health, education, and welfare  
22 provided for in RCW 41.48.030(1);

23 (b) An opportunity to vote in such referendum shall be given and  
24 shall be limited to eligible employees;

25 (c) Not less than ninety days' notice of such referendum shall be  
26 given to all such employees;

27 (d) Such referendum shall be conducted under the supervision (of  
28 the governor or) of an agency or individual designated by the governor;

29 (e) The proposal for coverage shall be approved only if a majority  
30 of the eligible employees vote in favor of including services in such  
31 positions under the agreement;

32 (f) The state legislature, in the case of a referendum affecting  
33 the rights and liabilities of state employees covered under the state  
34 employees' retirement system and employees under the teachers'  
35 retirement system, and in all other cases the local legislative  
36 authority or governing body, shall have specifically approved the  
37 proposed plan and approved any necessary structural adjustment to the  
38 existing system to conform with the proposed plan.

1 (5) Upon receiving satisfactory evidence that with respect to any  
2 such referendum the conditions specified in subsection (4) of this  
3 section and section 218(d)(3) of the social security act have been met,  
4 the governor shall so certify to the secretary of health, education,  
5 and welfare.

6 (6) If the legislative body of any political subdivision of this  
7 state certifies to the governor that a referendum has been held under  
8 the terms of RCW 41.48.050(1)(i) and gives notice to the governor of  
9 termination of social security for any coverage group of the political  
10 subdivision, the governor shall give two years advance notice in  
11 writing to the federal department of health, education, and welfare of  
12 such termination of the agreement entered into under this section with  
13 respect to said coverage group.

5 made under the provisions of this section evidence may be given. The  
6 judge after hearing any such application shall make such an order as  
7 shall be just in the premises. The ((bondsmen)) bondspersons may be  
8 required to be present at such hearing if so required in the notice  
9 thereof, and shall answer under oath all questions that may be asked  
10 them touching their qualifications as ((bondsmen)) bondspersons, and in  
11 the event the ((bondsmen)) bondspersons shall fail or refuse to appear  
12 at such hearing and so answer such questions the bond shall be  
13 stricken. In the event the court shall order a new or additional bond  
14 to be furnished by defendant, and the same shall not be given within  
15 twenty-four hours, the court shall order the sheriff to forthwith  
16 execute the writ. In the event the defendant shall file a second or  
17 additional bond and it shall also be found insufficient after hearing,  
18 as above provided, the right to retain the premises by bond shall be  
19 lost and the sheriff shall forthwith put the plaintiff in possession of  
20 the premises.

21 **Sec. 78.** RCW 82.38.230 and 1998 c 176 s 77 are each amended to  
22 read as follows:

23 Whenever any licensee is delinquent in the payment of any  
24 obligation imposed hereunder, and such delinquency continues after  
25 notice and demand for payment by the department, the department shall  
26 proceed to collect the amount due from the licensee in the following  
27 manner: The department shall seize any property subject to the lien of  
28 said excise tax, penalty, and interest and thereafter sell it at public  
29 auction to pay said obligation and any and all costs that may have been  
30 incurred on account of the seizure and sale. Notice of such intended  
31 sale and the time and place thereof shall be given to such delinquent  
32 licensee and to all persons appearing of record to have an interest in  
33 such property. The notice shall be given in writing at least ten days  
34 before the date set for the sale by enclosing it in an envelope  
35 addressed to the licensee at the licensee's address as the same appears  
36 in the records of the department and, in the case of any person  
37 appearing of record to have an interest in such property, addressed to

1 such person at his or her last known residence or place of business,  
2 and depositing such envelope in the United States mail, postage  
3 prepaid. In addition, the notice shall be published for at least ten  
4 days before the date set for the sale in a newspaper of general  
5 circulation published in the county in which the property seized is to  
6 be sold. If there is no newspaper of general circulation in such  
7 county, the notice shall be posted in three public places in the county  
8 for a period of ten days. The notice shall contain a description of  
9 the property to be sold, together with a statement of the amount due  
10 under this chapter, the name of the licensee and the further statement  
11 that unless such amount is paid on or before the time fixed in the  
12 notice the property will be sold in accordance with law.

13 The department shall then proceed to sell the property in  
14 accordance with the law and the notice, and shall deliver to the  
15 purchaser a bill of sale or deed which shall vest title in the  
16 purchaser. If upon any such sale the moneys received exceed the amount  
17 due to the state under this chapter from the delinquent licensee, the  
18 excess shall be returned to the licensee and the licensee's receipt  
19 obtained for the excess. If any person having an interest in or lien  
20 upon the property has filed with the department prior to such sale,  
21 notice of such interest or lien, the department shall withhold payment  
22 of any such excess to the licensee pending a determination of the  
23 rights of the respective parties thereto by a court of competent  
24 jurisdiction. If for any reason the receipt of the licensee is not  
25 available, the department shall deposit such excess with the state  
26 treasurer as trustee for the licensee or the licensee's heirs,  
27 successors, or assigns: PROVIDED, That prior to making any seizure of  
28 property as provided for in this section, the department may first  
29 serve upon the licensee's (~~bondsman~~) bondsperson a notice of the  
30 delinquency, with a demand for the payment of the amount due.

31 **Sec. 79.** RCW 87.03.020 and 1988 c 127 s 40 are each amended to  
32 read as follows:

33 For the purpose of organizing an irrigation district, a petition,  
34 signed by the required number of holders of title or evidence of title  
35 to land within the proposed district, shall be presented to the board  
36 of county commissioners of the county in which the lands, or the

1 greater portion thereof, are situated, which petition shall contain the  
2 following:

3 (1) A description of the lands to be included in the operation of  
4 the district, in legal subdivisions or fractions thereof, and the name  
5 of the county or counties in which said lands are situated.

6 (2) The signature and post office address of each petitioner,  
7 together with the legal description of the particular lands within the  
8 proposed district owned by said respective petitioners.

9 (3) A general statement of the probable source or sources of water  
10 supply and a brief outline of the plan of improvement, which may be in  
11 the alternative, contemplated by the organization of the district.

12 (4) A statement of the number of directors, either three or five,  
13 desired for the administration of the district and of the name by which  
14 the petitioners desire the district to be designated.

15 (5) Any other matter deemed material.

16 (6) A prayer requesting the board to take the steps necessary to  
17 organize the district.

18 The petition must be accompanied by a good and sufficient bond, to  
19 be approved by the board of county commissioners, in double the amount  
20 of the probable cost of organizing the district, and conditioned that  
21 the ((bondsmen)) bondspersons will pay all of the cost in case such  
22 organization shall not be effected. Said petition shall be presented  
23 at a regular meeting of the said board, or at any special meeting  
24 ordered to consider and act upon said petition, and shall be published  
25 once a week, for at least two weeks (three issues) before the time at  
26 which the same is to be presented, in some newspaper of general  
27 circulation printed and published in the county where said petition is  
28 to be presented, together with a notice signed by the clerk of the  
29 board of county commissioners stating the time of the meeting at which  
30 the same will be presented. There shall also be published a notice of  
31 the hearing on said petition in a newspaper published at Olympia,  
32 Washington, to be designated by the director of ecology from year to  
33 year, which said notice shall be published for at least two weeks  
34 (three issues) prior to the date of said meeting and shall contain the  
35 name of the county or counties and the number of each township and  
36 range in which the lands embraced within the boundaries of the proposed  
37 district are situated, also the time, place and purpose for said  
38 meeting, which said notice shall be signed by the petitioner whose name

1 first appears upon the said petition. If any portion of the lands  
2 within said proposed district lie within another county or counties,  
3 then the said petition and notice shall be published for the time above  
4 provided in one newspaper printed and published in each of said  
5 counties. The said notice, together with a map of the district, shall  
6 also be served by registered mail at least thirty days before the said  
7 hearing upon the state director of ecology at Olympia, Washington, who  
8 shall, at the expense of the district in case it is later organized,  
9 otherwise at the expense of the petitioners' (~~bondsmen~~) bondspersons,  
10 make such investigation of the sufficiency of the source and supply of  
11 water for the purposes of the proposed district, as he or she may deem  
12 necessary, and file a report of his or her findings, together with a  
13 statement of his or her costs, with the board of county commissioners  
14 at or prior to the time set for said hearing. When the petition is  
15 presented, the board of county commissioners shall hear the same, shall  
16 receive such evidence as it may deem material, and may adjourn such  
17 hearing from time to time, not exceeding four weeks in all, and on the  
18 final hearing shall establish and define the boundaries of the district  
19 along such lines as in the judgment of the board will best reclaim the  
20 lands involved and enter an order to that effect: PROVIDED, That said  
21 board shall not modify the boundaries so as to except from the  
22 operation of the district any territory within the boundaries outlined  
23 in the petition, which is susceptible of irrigation by the same system  
24 of works applicable to other lands in such proposed district and for  
25 which a water supply is available; nor shall any lands which, in the  
26 judgment of said board, will not be benefited, be included within such  
27 district; any lands included within any district, which have a partial  
28 or full water right shall be given equitable credit therefor in the  
29 apportionment of the assessments in this act provided for: AND  
30 PROVIDED FURTHER, That any owner, whose lands are susceptible of  
31 irrigation from the same source, and in the judgment of the board it is  
32 practicable to irrigate the same by the proposed district system,  
33 shall, upon application to the board at the time of the hearing, be  
34 entitled to have such lands included in the district.

35 At said hearing the board shall also give the district a name and  
36 shall order that an election be held therein for the purpose of  
37 determining whether or not the district shall be organized under the  
38 provisions of this act and for the purpose of electing directors.

1 The clerk of the board of county commissioners shall then give  
2 notice of the election ordered to be held as aforesaid, which notice  
3 shall describe the district boundaries as established, and shall give  
4 the name by which said proposed district has been designated, and shall  
5 state the purposes and objects of said election, and shall be published  
6 once a week, for at least two weeks (three issues) prior to said  
7 election, in a newspaper of general circulation published in the county  
8 where the petition aforesaid was presented; and if any portion of said  
9 proposed district lies within another county or counties, then said  
10 notice shall be published in like manner in a newspaper within each of  
11 said counties. Said election notice shall also require the electors to  
12 cast ballots which shall contain the words "Irrigation District--Yes,"  
13 and "Irrigation District--No," and also the names of persons to be  
14 voted for as directors of the district: PROVIDED, That where in this  
15 act publication is required to be made in a newspaper of any county,  
16 the same may be made in a newspaper of general circulation in such  
17 county, selected by the person or body charged with making the  
18 publication and such newspaper shall be the official paper for such  
19 purpose.

20 **Sec. 80.** RCW 87.84.020 and 1961 c 226 s 3 are each amended to read  
21 as follows:

23 irrigation and rehabilitation district shall be signed by at least  
24 fifty holders of title or evidence of title to land within the  
25 district. The petition shall contain the following:

- 26 (1) The legal description of the property to be served.  
27 (2) The signature and address of each petitioner, together with the  
28 legal description of the lands within the district owned by each.  
29 (3) Any other matter deemed material.

30 The petition shall be accompanied by a bond, to be approved by the  
31 board, in double the amount of the probable cost of organizing the  
32 district, and conditioned that the ((~~bondsman~~)) bondsperson will pay  
33 all the costs if the organization is not effected.

34 **Sec. 81.** RCW 19.29.010 and 1989 c 12 s 3 are each amended to read  
35 as follows:

36 It shall be unlawful from and after the passage of this chapter for

1 any officer, agent, or employee of the state of Washington, or of any  
2 county, city or other political subdivision thereof, or for any other  
3 person, firm or corporation, or its officers, agents or employees, to  
4 run, place, erect, maintain, or use any electrical apparatus or  
5 construction, except as provided in the rules of this chapter.

6 Rule 1. No wire or cable, except the neutral, carrying a current  
7 of less than seven hundred fifty volts of electricity within the  
8 corporate limits of any city or town shall be run, placed, erected,  
9 maintained or used on any insulator the center of which is less than  
10 thirteen inches from the center line of any pole. And no such wire,  
11 except the neutral, shall be run past any pole to which it is not

36 center line of any pole. And no such wire or cable shall be run past  
37 any pole to which it is not attached at a distance of less than twenty-  
38 four inches from the center line thereof: PROVIDED, That this shall

1 not apply to any wire or cable where the same is run from under ground  
2 and placed vertically on the pole; nor to any wire or cable where the

7 of attachment to said building or structure; nor to any jumper wire or  
8 cable carrying a current or connected with transformers or other  
9 appliances on the same pole: PROVIDED FURTHER, That where said wire or  
10 cable is run vertically, it shall be rigidly supported and where  
11 possible run on the ends of the cross-arms.

16 fifty volts or less of electricity; and no wire or cable carrying a  
17 current of more than seventy-five hundred volts of electricity shall be  
18 run, placed, erected, maintained, or used within seven feet of any wire  
19 or cable carrying less than seventy-five hundred volts: PROVIDED, That  
20 the foregoing provisions of this paragraph shall not apply to any wire  
21 or cable within buildings or other structures; nor where the same are  
22 run from under ground and placed vertically upon the pole; nor to any  
23 service wire or cable where the same is made to leave any pole or  
24 fixture thereon for the purpose of entering any building or other  
25 structure, and the point of attachment to said building or structure;  
26 nor to any jumper wire or cable carrying a current or connected with a  
27 transformer or other appliance on the same pole: PROVIDED, That where  
28 run vertically, wires or cables shall be rigidly supported, and where  
29 possible run on the ends of the cross-arms: PROVIDED FURTHER, That as

5 shall be maintained as between such wire or cable and such electric  
6 light, power or trolley wire; and said methods of construction,  
7 insulation or protection shall be installed by, or at the expense of  
8 the person owning the wire last placed in point of time: PROVIDED,  
9 That telephone, telegraph or signal wires or cables operated for  
10 private use and not furnishing service to the public, may be placed  
11 less than three feet from any line carrying a voltage of less than

19 All aerial and underground transformers used for low potential  
20 distribution shall be subjected to an insulation test in accordance  
21 with the standardized rules of the American Institute of Electrical  
22 Engineers. In addition to this each transformer shall be tested at  
23 rated line voltage prior to each installation and shall have attached  
24 to it a tag showing the date on which the test was made, and the name  
25 of the person making the test.

26 Rule 6. No wire or cable, other than ground wires, used to conduct  
27 or carry electricity, shall be placed, run, erected, maintained or used  
28 vertically on any pole without causing such wire or cable to be at all

30 protection of anyone coming in contact with said wire or cable.

31 Rule 7. The neutral point or wire of all transformer secondaries  
32 strung or erected for use in low potential distributing systems shall  
33 be grounded in all cases where the normal maximum difference of  
34 potential between the ground and any point in the secondary circuit  
35 will not exceed one hundred and fifty volts. When no neutral point or  
36 wire is accessible one side of the secondary circuit shall be grounded  
37 in the case of single phase transformers, and any one common point in

14 roofs of buildings shall be of sufficient strength to withstand all  
15 strains to which they may be subjected, due to the breaking of all  
16 wires on one side thereof, and except where insulated wires or cables  
17 are held close to fire walls by straps or rings, shall be of such  
18 height and so placed that all of the wires supported by such fixtures  
19 shall be at least seven feet above any point of roofs less than one-  
20 quarter pitch over which they pass or may be attached, and no roof  
21 fixtures or wire shall be so placed that they will interfere with the

27 efficiently insulated with circuit breakers at all times at a distance  
28 of not less than eight feet nor more than ten feet measured along the  
29 line of said guy wire or cable from each end thereof: PROVIDED, No  
30 circuit breaker shall be required at the lower end of the guy wire or  
31 cable where the same is attached to a ground anchor, nor shall any  
32 circuit breaker be required where said guy wire or cable runs direct  
33 from a grounded messenger wire to a grounded anchor rod.

34 Rule 11. In all span wires used for the purpose of supporting  
35 trolley wires or series arc lamps there shall be at least two circuit  
36 breakers, one of which shall at all times be maintained no less than  
37 four feet nor more than six feet distant from the trolley wire or  
38 series arc lamp, and in cases where the same is supported by a building

1 or metallic pole, the other circuit breaker shall be maintained at the  
2 building or at the pole: PROVIDED, That in span wires which support  
3 two or more trolley wires no circuit breaker shall be required in the  
4 span wire between any two of the trolley wires: PROVIDED FURTHER, That  
5 in span wires supporting trolley wires attached to wooden poles only  
6 the circuit breaker adjacent to the trolley wire shall be required.

7 Rule 12. At all points where in case of a breakdown of trolley  
8 span wires, the trolley wire would be liable to drop within seven feet  
9 of the ground, there shall be double span wires and hangers placed at  
10 such points.

11 Rule 13. All energized wires or appliances installed inside of any  
12 building or vault, for the distribution of electrical energy, shall be

25 such platform or mat when working upon the live parts of such  
26 generators or motors.

27 Rule 16. Suitable insulated platforms or mats shall be provided  
28 for the use of all persons while working on any live part of  
29 switchboards on which any wire or appliance carries a potential in  
30 excess of three hundred volts.

31 Rule 17. Every generator, motor, transformer, switch or other  
32 similar piece of apparatus and device used in the generation,  
33 transmission or distribution of electrical energy in stations or  
34 substations, shall be either provided with a name plate giving the  
35 capacity in volts and amperes, or have this information stamped thereon  
36 in such a manner as to be clearly legible.

37 Rule 18. When lines of seven hundred fifty volts or over are cut  
38 out at the station or substation to allow employees to work upon them,

5 and all automatic overload circuit breakers must have the trip coils so  
6 adjusted as to afford complete protection against overloads and short  
7 circuits, and the same must be so arranged that no pole can be opened  
8 manually without opening all the poles, and the trip coils shall be  
9 instantly operative upon closing.

10 Rule 20. All feeders for electric railways must, before leaving  
11 the plant or substation, be protected by an approved circuit breaker  
12 which will cut off the circuit in case of an accidental ground or short

20 (~~linemen~~) lineworkers or other employees working on the wires. The  
21 person opening any line switch shall enter upon said card the name of  
22 the person ordering the switch opened, the time opened, the time line  
23 was reported clear and by whom, and shall sign his own name.

9 rail of any railway or street car track: PROVIDED, That this shall not  
10 apply where satisfactory proof shall be submitted to the proper  
11 authorities that it is impracticable or physically impossible to comply  
12 with the provisions of this paragraph: PROVIDED, That in complying  
13 with the provisions of this rule only the construction last in point of  
14 time performed, placed or erected shall be held to be in violation  
15 thereof.

16 Rule 27. Whenever persons are working in any manhole whose opening  
17 to the outer air is less than three feet from the rail of any railway  
18 or street car track, a (~~watchman~~) watchperson or attendant shall be  
19 stationed on the surface at the entrance of such manhole at all times  
20 while work is being performed therein.

21 Rule 28. All persons employed in manholes shall be furnished with  
22 insulated platforms so as to protect the workers while at work in the  
23 manholes: PROVIDED, That this paragraph shall not apply to manholes  
24 containing only telephone, telegraph or signal wires or cables.

25 Rule 29. No work shall be permitted to be done on any live wire,  
26 cable or appliance carrying more than seven hundred fifty volts of  
27 electricity by less than two competent and experienced persons, who, at  
28 all times while performing such work shall be in the same room,  
29 chamber, manhole or other place in which, or on the same pole on which,  
30 such work is being done: PROVIDED, That in districts where only one  
31 competent and experienced person is regularly employed, and a second  
32 competent and experienced person cannot be obtained without delay at  
33 prevailing rate of pay in said district, such work shall be permitted  
34 to be done by one competent and experienced person and a helper who  
35 need not be on the same pole on which said work is being done.

36 No work shall be permitted to be done in any manhole or subway on  
37 any live wire, cable or appliance carrying more than three hundred

1 volts of electricity by less than two competent and experienced  
2 persons, who at all times while performing such work shall be in the  
3 same manhole or subway in which such work is being done.

4 Rule 30. The grounding provided for in these rules shall be done  
5 in the following manner: By connecting a wire or wires not less than  
6 No. 6 B.&S. gauge to a water pipe of a metallic system outside of the  
7 meter, if there is one, or to a copper plate one-sixteenth inch thick  
8 and not less than three feet by six feet area buried in coke below the  
9 permanent moisture level, or to other device equally as efficient. The  
10 ground wire or wires of a direct current system of three or more wires  
11 shall not be smaller than the neutral wire at the central station, and  
12 not smaller than a No. 6 B.&S. gauge elsewhere: PROVIDED, That the  
13 maximum cross section area of any ground wire or wires at the central  
14 station need not exceed one million circular mils. The ground wires  
15 shall be carried in as nearly a straight line as possible, and kinks,  
16 coils and short bends shall be avoided: PROVIDED, That the provisions  
17 of this rule shall not apply as to size to ground wires run from  
18 instrument transformers or meters.

19 **Sec. 82.** RCW 81.40.095 and 1961 c 14 s 81.40.095 are each amended  
20 to read as follows:

21 The utilities and transportation commission shall adopt and enforce  
22 rules and regulations relating to sanitation and adequate shelter as it  
23 affects the health of all railroad employees, including but not limited  
24 to railroad ((~~trainmen, enginemen, yardmen~~)) workers, maintenance of  
25 way employees, highway crossing ((~~watchmen~~)) watchpersons, clerical,  
26 platform, freight house and express employees.

27 **Sec. 83.** RCW 19.28.261 and 2003 c 399 s 302 are each amended to  
28 read as follows:

29 (1) Nothing in RCW 19.28.161 through 19.28.271 shall be construed  
30 to require that a person obtain a license or a certified electrician in  
31 order to do electrical work at his or her residence or farm or place of  
32 business or on other property owned by him or her unless the electrical  
33 work is on the construction of a new building intended for rent, sale,  
34 or lease. However, if the construction is of a new residential  
35 building with up to four units intended for rent, sale, or lease, the  
36 owner may receive an exemption from the requirement to obtain a license

1 or use a certified electrician if he or she provides a signed affidavit  
2 to the department stating that he or she will be performing the work  
3 and will occupy one of the units as his or her principal residence.  
4 The owner shall apply to the department for this exemption and may only  
5 receive an exemption once every twenty-four months. It is intended  
6 that the owner receiving this exemption shall occupy the unit as his or  
7 her principal residence for twenty-four months after completion of the  
8 units.

9 (2) Nothing in RCW 19.28.161 through 19.28.271 shall be intended to  
10 derogate from or dispense with the requirements of any valid electrical  
11 code enacted by a city or town pursuant to RCW 19.28.010(3), except  
12 that no code shall require the holder of a certificate of competency to  
13 demonstrate any additional proof of competency or obtain any other  
14 license or pay any fee in order to engage in the electrical  
15 construction trade.

16 (3) RCW 19.28.161 through 19.28.271 shall not apply to common  
17 carriers subject to Part I of the Interstate Commerce Act, nor to their  
18 officers and employees.

19 (4) Nothing in RCW 19.28.161 through 19.28.271 shall be deemed to  
20 apply to the installation or maintenance of telephone, telegraph,  
21 radio, or television wires and equipment; nor to any electrical utility  
22 or its employees in the installation, repair, and maintenance of  
23 electrical wiring, circuits, and equipment by or for the utility, or  
24 comprising a part of its plants, lines or systems.

25 (5) The licensing provisions of RCW 19.28.161 through 19.28.271  
26 shall not apply to:

27 (a) Persons making electrical installations on their own property  
28 or to regularly employed employees working on the premises of their  
29 employer, unless the electrical work is on the construction of a new  
30 building intended for rent, sale, or lease;

31 (b) Employees of an employer while the employer is performing  
32 utility type work of the nature described in RCW 19.28.091 so long as  
33 such employees have registered in the state of Washington with or  
34 graduated from a state-approved outside (~~lineman~~) lineworker  
35 apprenticeship course that is recognized by the department and that  
36 qualifies a person to perform such work;

37 (c) Any work exempted under RCW 19.28.091(6); and

1 (d) Certified plumbers, certified residential plumbers, or plumber  
2 trainees meeting the requirements of chapter 18.106 RCW and performing  
3 exempt work under RCW 19.28.091(8).

4 (6) Nothing in RCW 19.28.161 through 19.28.271 shall be construed  
5 to restrict the right of any householder to assist or receive  
6 assistance from a friend, neighbor, relative or other person when none  
7 of the individuals doing the electrical installation hold themselves  
8 out as engaged in the trade or business of electrical installations.

9 (7) Nothing precludes any person who is exempt from the licensing  
10 requirements of this chapter under this section from obtaining a  
11 journeyman or specialty certificate of competency if they otherwise  
12 meet the requirements of this chapter.

13 **Sec. 84.** RCW 19.28.321 and 2001 c 211 s 21 are each amended to  
14 read as follows:

15 The director of labor and industries of the state of Washington and  
16 the officials of all incorporated cities and towns where electrical  
17 inspections are required by local ordinances shall have power and it  
18 shall be their duty to enforce the provisions of this chapter in their  
19 respective jurisdictions. The director of labor and industries shall  
20 appoint a chief electrical inspector and may appoint other electrical  
21 inspectors as the director deems necessary to assist the director in  
22 the performance of the director's duties. The chief electrical  
23 inspector, subject to the review of the director, shall be responsible  
24 for providing the final interpretation of adopted state electrical  
25 standards, rules, and policies for the department and its inspectors,  
26 assistant inspectors, electrical plan examiners, and other individuals  
27 supervising electrical program personnel. If a dispute arises within  
28 the department regarding the interpretation of adopted state electrical  
29 standards, rules, or policies, the chief electrical inspector, subject  
30 to the review of the director, shall provide the final interpretation  
31 of the disputed standard, rule, or policy. All electrical inspectors  
32 appointed by the director of labor and industries shall have not less  
33 than: Four years experience as (~~journeyman~~) journeyperson  
34 electricians in the electrical construction trade installing and  
35 maintaining electrical wiring and equipment, or two years electrical  
36 training in a college of electrical engineering of recognized standing  
37 and four years continuous practical electrical experience in

1 installation work, or four years of electrical training in a college of  
2 electrical engineering of recognized standing and two years continuous  
3 practical electrical experience in electrical installation work; or  
4 four years experience as a (~~journeyman~~) journeyperson electrician  
5 performing the duties of an electrical inspector employed by the  
6 department or a city or town with an approved inspection program under  
7 RCW 19.28.141, except that for work performed in accordance with the  
8 national electrical safety code and covered by this chapter, such  
9 inspections may be performed by a person certified as an outside  
10 (~~journeyman—lineman~~) journeyperson lineworker, under RCW  
11 19.28.261(~~(+2)~~) (5)(b), with four years experience or a person with  
12 four years experience as a certified outside (~~journeyman—lineman~~)  
13 journeyperson lineworker performing the duties of an electrical  
14 inspector employed by an electrical utility. Such state inspectors  
15 shall be paid such salary as the director of labor and industries shall  
16 determine, together with their travel expenses in accordance with RCW  
17 43.03.050 and 43.03.060 as now existing or hereafter amended. As a  
18 condition of employment, inspectors hired exclusively to perform  
19 inspections in accordance with the national electrical safety code must  
20 possess and maintain certification as an outside (~~journeyman—lineman~~)  
21 journeyperson lineworker. The expenses of the director of labor and  
22 industries and the salaries and expenses of state inspectors incurred  
23 in carrying out the provisions of this chapter shall be paid entirely  
24 out of the electrical license fund, upon vouchers approved by the  
25 director of labor and industries.

26 **Sec. 85.** RCW 50.04.240 and 1945 c 35 s 25 are each amended to read  
27 as follows:

28 The term "employment" shall not include service as a (~~newsboy~~)  
29 newspaper delivery person selling or distributing newspapers on the  
30 street or from house to house.

31 **Sec. 86.** RCW 28B.07.020 and 1985 c 370 s 47 are each amended to  
32 read as follows:

33 As used in this chapter, the following words and terms shall have  
34 the following meanings, unless the context otherwise requires:

35 (1) "Authority" means the Washington higher education facilities  
36 authority created under RCW 28B.07.030 or any board, body, commission,

1 department or officer succeeding to the principal functions of the

5 indebtedness, or other evidences of indebtedness of the authority  
6 issued under this chapter.

12 neither restricts entry on racial or religious grounds, which provides  
13 programs of education beyond high school leading at least to the

15 Association of Schools and Colleges or by an accrediting association  
16 recognized by the higher education coordinating board.

17 (5) "Participant" means a higher education institution which, under

21 (6) "Project" means any land or any improvement, including, but not  
22 limited to, buildings, structures, fixtures, utilities, machinery,  
23 excavations, paving, and landscaping, and any interest in such land or  
24 improvements, and any personal property pertaining or useful to such  
25 land and improvements, which are necessary, useful, or convenient for  
26 the operation of a higher education institution, including but not  
27 limited to, the following: Dormitories or other multi-unit housing  
28 facilities for students, faculty, officers, or employees; dining halls;  
29 student unions; administration buildings; academic buildings;  
30 libraries; laboratories; research facilities; computer facilities;

38 following costs paid or incurred: Costs of acquisition of land or

1 interests in land and any improvement; costs of contractors, builders,

12 any project; and any other similar costs. Except as specifically set  
13 forth in this definition, the term "project cost" does not include

20 **Sec. 87.** RCW 39.04.155 and 2001 c 284 s 1 are each amended to read  
21 as follows:

22 (1) This section provides uniform small works roster provisions to  
23 award contracts for construction, building, renovation, remodeling,  
24 alteration, repair, or improvement of real property that may be used by  
25 state agencies and by any local government that is expressly authorized  
26 to use these provisions. These provisions may be used in lieu of other  
27 procedures to award contracts for such work with an estimated cost of  
28 two hundred thousand dollars or less. The small works roster process  
29 includes the limited public works process authorized under subsection  
30 (3) of this section and any local government authorized to award  
31 contracts using the small works roster process under this section may  
32 award contracts using the limited public works process under subsection  
33 (3) of this section.

34 (2)(a) A state agency or authorized local government may create a  
35 single general small works roster, or may create a small works roster  
36 for different specialties or categories of anticipated work. Where  
37 applicable, small works rosters may make distinctions between

1 contractors based upon different geographic areas served by the  
2 contractor. The small works roster or rosters shall consist of all  
3 responsible contractors who have requested to be on the list, and where  
4 required by law are properly licensed or registered to perform such  
5 work in this state. A state agency or local government establishing a  
6 small works roster or rosters may require eligible contractors desiring  
7 to be placed on a roster or rosters to keep current records of any  
8 applicable licenses, certifications, registrations, bonding, insurance,  
9 or other appropriate matters on file with the state agency or local  
10 government as a condition of being placed on a roster or rosters. At  
11 least once a year, the state agency or local government shall publish  
12 in a newspaper of general circulation within the jurisdiction a notice  
13 of the existence of the roster or rosters and solicit the names of  
14 contractors for such roster or rosters. In addition, responsible  
15 contractors shall be added to an appropriate roster or rosters at any  
16 time they submit a written request and necessary records. Master  
17 contracts may be required to be signed that become effective when a  
18 specific award is made using a small works roster.

19 (b) A state agency establishing a small works roster or rosters  
20 shall adopt rules implementing this subsection. A local government  
21 establishing a small works roster or rosters shall adopt an ordinance  
22 or resolution implementing this subsection. Procedures included in  
23 rules adopted by the department of general administration in  
24 implementing this subsection must be included in any rules providing  
25 for a small works roster or rosters that is adopted by another state  
26 agency, if the authority for that state agency to engage in these  
27 activities has been delegated to it by the department of general  
28 administration under chapter 43.19 RCW. An interlocal contract or  
29 agreement between two or more state agencies or local governments  
30 establishing a small works roster or rosters to be used by the parties  
31 to the agreement or contract must clearly identify the lead entity that  
32 is responsible for implementing the provisions of this subsection.

33 (c) Procedures shall be established for securing telephone,  
34 written, or electronic quotations from contractors on the appropriate  
35 small works roster to assure that a competitive price is established  
36 and to award contracts to the lowest responsible bidder, as defined in  
37 RCW 43.19.1911. Invitations for quotations shall include an estimate  
38 of the scope and nature of the work to be performed as well as

1 materials and equipment to be furnished. However, detailed plans and  
2 specifications need not be included in the invitation. This subsection  
3 does not eliminate other requirements for architectural or engineering  
4 approvals as to quality and compliance with building codes. Quotations  
5 may be invited from all appropriate contractors on the appropriate  
6 small works roster. As an alternative, quotations may be invited from  
7 at least five contractors on the appropriate small works roster who  
8 have indicated the capability of performing the kind of work being  
9 contracted, in a manner that will equitably distribute the opportunity  
10 among the contractors on the appropriate roster. However, if the  
11 estimated cost of the work is from one hundred thousand dollars to two  
12 hundred thousand dollars, a state agency or local government, other  
13 than a port district, that chooses to solicit bids from less than all  
14 the appropriate contractors on the appropriate small works roster must  
15 also notify the remaining contractors on the appropriate small works  
16 roster that quotations on the work are being sought. The government  
17 has the sole option of determining whether this notice to the remaining  
18 contractors is made by: (i) Publishing notice in a legal newspaper in  
19 general circulation in the area where the work is to be done; (ii)  
20 mailing a notice to these contractors; or (iii) sending a notice to  
21 these contractors by facsimile or other electronic means. For purposes  
22 of this subsection (2)(c), "equitably distribute" means that a state  
23 agency or local government soliciting bids may not favor certain  
24 contractors on the appropriate small works roster over other  
25 contractors on the appropriate small works roster who perform similar  
26 services.

27 (d) A contract awarded from a small works roster under this section  
28 need not be advertised.

29 (e) Immediately after an award is made, the bid quotations obtained  
30 shall be recorded, open to public inspection, and available by  
31 telephone inquiry.

32 (3) In lieu of awarding contracts under subsection (2) of this  
33 section, a state agency or authorized local government may award a  
34 contract for work, construction, alteration, repair, or improvement  
35 (~~(project [projects])~~) projects estimated to cost less than thirty-five  
36 thousand dollars using the limited public works process provided under  
37 this subsection. Public works projects awarded under this subsection  
38 are exempt from the other requirements of the small works roster

1 process provided under subsection (2) of this section and are exempt  
2 from the requirement that contracts be awarded after advertisement as  
3 provided under RCW 39.04.010.

4 For limited public works projects, a state agency or authorized  
5 local government shall solicit electronic or written quotations from a  
6 minimum of three contractors from the appropriate small works roster  
7 and shall award the contract to the lowest responsible bidder as  
8 defined under RCW 43.19.1911. After an award is made, the quotations  
9 shall be open to public inspection and available by electronic request.  
10 A state agency or authorized local government shall attempt to  
11 distribute opportunities for limited public works projects equitably  
12 among contractors willing to perform in the geographic area of the  
13 work. A state agency or authorized local government shall maintain a  
14 list of the contractors contacted and the contracts awarded during the  
15 previous twenty-four months under the limited public works process,  
16 including the name of the contractor, the contractor's registration  
17 number, the amount of the contract, a brief description of the type of  
18 work performed, and the date the contract was awarded. For limited  
19 public works projects, a state agency or authorized local government  
20 may waive the payment and performance bond requirements of chapter  
21 39.08 RCW and the retainage requirements of chapter 60.28 RCW, thereby  
22 assuming the liability for the contractor's nonpayment of laborers,  
23 mechanics, subcontractors, (~~materialmen~~) material suppliers,  
24 suppliers, and taxes imposed under Title 82 RCW that may be due from  
25 the contractor for the limited public works project, however the state  
26 agency or authorized local government shall have the right of recovery  
27 against the contractor for any payments made on the contractor's  
28 behalf.

29 (4) The breaking of any project into units or accomplishing any  
30 projects by phases is prohibited if it is done for the purpose of  
31 avoiding the maximum dollar amount of a contract that may be let using  
32 the small works roster process or limited public works process.

33 (5) As used in this section, "state agency" means the department of  
34 general administration, the state parks and recreation commission, the  
35 department of natural resources, the department of fish and wildlife,  
36 the department of transportation, any institution of higher education  
37 as defined under RCW 28B.10.016, and any other state agency delegated

1 authority by the department of general administration to engage in  
2 construction, building, renovation, remodeling, alteration,  
3 improvement, or repair activities.

4 **Sec. 88.** RCW 39.08.010 and 1989 c 145 s 1 are each amended to read  
5 as follows:

6 Whenever any board, council, commission, trustees, or body acting  
7 for the state or any county or municipality or any public body shall  
8 contract with any person or corporation to do any work for the state,  
9 county, or municipality, or other public body, city, town, or district,  
10 such board, council, commission, trustees, or body shall require the  
11 person or persons with whom such contract is made to make, execute, and  
12 deliver to such board, council, commission, trustees, or body a good  
13 and sufficient bond, with a surety company as surety, conditioned that  
14 such person or persons shall faithfully perform all the provisions of  
15 such contract and pay all laborers, mechanics, and subcontractors and  
16 (~~materialmen~~) material suppliers, and all persons who supply such  
17 person or persons, or subcontractors, with provisions and supplies for  
18 the carrying on of such work, which bond in cases of cities and towns  
19 shall be filed with the clerk or comptroller thereof, and any person or  
20 persons performing such services or furnishing material to any  
21 subcontractor shall have the same right under the provisions of such  
22 bond as if such work, services or material was furnished to the  
23 original contractor: PROVIDED, HOWEVER, That the provisions of RCW  
24 39.08.010 through 39.08.030 shall not apply to any money loaned or  
25 advanced to any such contractor, subcontractor or other person in the  
26 performance of any such work: PROVIDED FURTHER, That on contracts of  
27 twenty-five thousand dollars or less, at the option of the contractor  
28 the respective public entity may, in lieu of the bond, retain fifty  
29 percent of the contract amount for a period of thirty days after date  
30 of final acceptance, or until receipt of all necessary releases from  
31 the department of revenue and the department of labor and industries  
32 and settlement of any liens filed under chapter 60.28 RCW, whichever is  
33 later: PROVIDED FURTHER, That for contracts of one hundred thousand  
34 dollars or less, the public entity may accept a full payment and  
35 performance bond from an individual surety or sureties: AND PROVIDED  
36 FURTHER, That the surety must agree to be bound by the laws of the

1 state of Washington and subjected to the jurisdiction of the state of  
2 Washington.

3 **Sec. 89.** RCW 39.08.030 and 2003 c 301 s 4 are each amended to read  
4 as follows:

5 (1) The bond mentioned in RCW 39.08.010 shall be in an amount equal  
6 to the full contract price agreed to be paid for such work or  
7 improvement, except under subsection (2) of this section, and shall be  
8 to the state of Washington, except as otherwise provided in RCW  
9 39.08.100, and except in cases of cities and towns, in which cases such  
10 municipalities may by general ordinance fix and determine the amount of  
11 such bond and to whom such bond shall run: PROVIDED, The same shall  
12 not be for a less amount than twenty-five percent of the contract price  
13 of any such improvement, and may designate that the same shall be  
14 payable to such city, and not to the state of Washington, and all such  
15 persons mentioned in RCW 39.08.010 shall have a right of action in his,  
16 her, or their own name or names on such bond for work done by such  
17 laborers or mechanics, and for materials furnished or provisions and  
18 goods supplied and furnished in the prosecution of such work, or the  
19 making of such improvements: PROVIDED, That such persons shall not  
20 have any right of action on such bond for any sum whatever, unless  
21 within thirty days from and after the completion of the contract with  
22 an acceptance of the work by the affirmative action of the board,  
23 council, commission, trustees, officer, or body acting for the state,  
24 county or municipality, or other public body, city, town or district,  
25 the laborer, mechanic or subcontractor, or (~~materialman~~) material  
26 supplier, or person claiming to have supplied materials, provisions or  
27 goods for the prosecution of such work, or the making of such  
28 improvement, shall present to and file with such board, council,  
29 commission, trustees or body acting for the state, county or  
30 municipality, or other public body, city, town or district, a notice in  
31 writing in substance as follows:

2 the name of the laborer, mechanic or subcontractor, or  
3 ((~~materialman~~)) material supplier, or person claiming to  
4 have furnished labor, materials or provisions for or upon  
5 such contract or work) has a claim in the sum of . . . . .  
6 dollars (here insert the amount) against the bond taken from  
7 . . . . . (here insert the name of the principal and surety or  
8 sureties upon such bond) for the work of . . . . . (here insert  
9 a brief mention or description of the work concerning which  
10 said bond was taken).  
11 (here to be signed) .....

12 Such notice shall be signed by the person or corporation making the  
13 claim or giving the notice, and said notice, after being presented and  
14 filed, shall be a public record open to inspection by any person, and  
15 in any suit or action brought against such surety or sureties by any  
16 such person or corporation to recover for any of the items hereinbefore  
17 specified, the claimant shall be entitled to recover in addition to all  
18 other costs, attorney's fees in such sum as the court shall adjudge  
19 reasonable: PROVIDED, HOWEVER, That no attorney's fees shall be  
20 allowed in any suit or action brought or instituted before the  
21 expiration of thirty days following the date of filing of the notice  
22 hereinbefore mentioned: PROVIDED FURTHER, That any city may avail  
23 itself of the provisions of RCW 39.08.010 through 39.08.030,  
24 notwithstanding any charter provisions in conflict herewith: AND  
25 PROVIDED FURTHER, That any city or town may impose any other or further  
26 conditions and obligations in such bond as may be deemed necessary for  
27 its proper protection in the fulfillment of the terms of the contract  
28 secured thereby, and not in conflict herewith.

29 (2) Under the job order contracting procedure described in RCW  
30 39.10.130, bonds will be in an amount not less than the dollar value of  
31 all open work orders.

32 **Sec. 90.** RCW 47.28.030 and 1999 c 15 s 1 are each amended to read  
33 as follows:

34 A state highway shall be constructed, altered, repaired, or  
35 improved, and improvements located on property acquired for right of  
36 way purposes may be repaired or renovated pending the use of such right  
37 of way for highway purposes, by contract or state forces. The work or

1 portions thereof may be done by state forces when the estimated costs  
2 thereof (~~(is [are])~~) are less than fifty thousand dollars and effective  
3 July 1, 2005, sixty thousand dollars: PROVIDED, That when delay of  
4 performance of such work would jeopardize a state highway or constitute  
5 a danger to the traveling public, the work may be done by state forces  
6 when the estimated cost thereof is less than eighty thousand dollars  
7 and effective July 1, 2005, one hundred thousand dollars. When the  
8 department of transportation determines to do the work by state forces,  
9 it shall enter a statement upon its records to that effect, stating the  
10 reasons therefor. To enable a larger number of small businesses, and  
11 minority, and women contractors to effectively compete for department  
12 of transportation contracts, the department may adopt rules providing  
13 for bids and award of contracts for the performance of work, or  
14 furnishing equipment, materials, supplies, or operating services  
15 whenever any work is to be performed and the engineer's estimate  
16 indicates the cost of the work would not exceed eighty thousand dollars  
17 and effective July 1, 2005, one hundred thousand dollars. The rules  
18 adopted under this section:

19 (1) Shall provide for competitive bids to the extent that  
20 competitive sources are available except when delay of performance  
21 would jeopardize life or property or inconvenience the traveling  
22 public; and

23 (2) Need not require the furnishing of a bid deposit nor a  
24 performance bond, but if a performance bond is not required then  
25 progress payments to the contractor may be required to be made based on  
26 submittal of paid invoices to substantiate proof that disbursements  
27 have been made to laborers, (~~(materialmen)~~) material suppliers,  
28 mechanics, and subcontractors from the previous partial payment; and

29 (3) May establish prequalification standards and procedures as an  
30 alternative to those set forth in RCW 47.28.070, but the  
31 prequalification standards and procedures under RCW 47.28.070 shall  
32 always be sufficient.

33 The department of transportation shall comply with such goals and  
34 rules as may be adopted by the office of minority and women's business  
35 enterprises to implement chapter 39.19 RCW with respect to contracts  
36 entered into under this chapter. The department may adopt such rules  
37 as may be necessary to comply with the rules adopted by the office of  
38 minority and women's business enterprises under chapter 39.19 RCW.

1       **Sec. 91.** RCW 60.28.010 and 1986 c 181 s 6 are each amended to read  
2 as follows:

3       (1) Contracts for public improvements or work, other than for  
4 professional services, by the state, or any county, city, town,  
5 district, board, or other public body, herein referred to as "public  
6 body", shall provide, and there shall be reserved by the public body  
7 from the moneys earned by the contractor on estimates during the  
8 progress of the improvement or work, a sum not to exceed five percent,  
9 said sum to be retained by the state, county, city, town, district,  
10 board, or other public body, as a trust fund for the protection and  
11 payment of any person or persons, mechanic, subcontractor or  
12 (~~materialman~~) material supplier who shall perform any labor upon such  
13 contract or the doing of said work, and all persons who shall supply  
14 such person or persons or subcontractors with provisions and supplies  
15 for the carrying on of such work, and the state with respect to taxes  
16 imposed pursuant to Title 82 RCW which may be due from such contractor.  
17 Every person performing labor or furnishing supplies toward the  
18 completion of said improvement or work shall have a lien upon said  
19 moneys so reserved: PROVIDED, That such notice of the lien of such  
20 claimant shall be given in the manner and within the time provided in  
21 RCW 39.08.030 as now existing and in accordance with any amendments  
22 that may hereafter be made thereto: PROVIDED FURTHER, That the board,  
23 council, commission, trustees, officer or body acting for the state,  
24 county or municipality or other public body; (a) at any time after  
25 fifty percent of the original contract work has been completed, if it  
26 finds that satisfactory progress is being made, may make any of the  
27 partial payments which would otherwise be subsequently made in full;  
28 but in no event shall the amount to be retained be reduced to less than  
29 five percent of the amount of the moneys earned by the contractor:  
30 PROVIDED, That the contractor may request that retainage be reduced to  
31 one hundred percent of the value of the work remaining on the project;  
32 and (b) thirty days after completion and acceptance of all contract  
33 work other than landscaping, may release and pay in full the amounts  
34 retained during the performance of the contract (other than continuing  
35 retention of five percent of the moneys earned for landscaping) subject  
36 to the provisions of RCW 60.28.020.

37       (2) The moneys reserved under the provisions of subsection (1) of  
38 this section, at the option of the contractor, shall be:

1 (a) Retained in a fund by the public body until thirty days  
2 following the final acceptance of said improvement or work as  
3 completed;

4 (b) Deposited by the public body in an interest bearing account in  
5 a bank, mutual savings bank, or savings and loan association, not  
6 subject to withdrawal until after the final acceptance of said  
7 improvement or work as completed, or until agreed to by both parties:  
8 PROVIDED, That interest on such account shall be paid to the  
9 contractor;

10 (c) Placed in escrow with a bank or trust company by the public  
11 body until thirty days following the final acceptance of said  
12 improvement or work as completed. When the moneys reserved are to be  
13 placed in escrow, the public body shall issue a check representing the  
14 sum of the moneys reserved payable to the bank or trust company and the  
15 contractor jointly. Such check shall be converted into bonds and  
16 securities chosen by the contractor and approved by the public body and  
17 such bonds and securities shall be held in escrow. Interest on such  
18 bonds and securities shall be paid to the contractor as the said  
19 interest accrues.

20 (3) The contractor or subcontractor may withhold payment of not  
21 more than five percent from the moneys earned by any subcontractor or  
22 sub-subcontractor or supplier contracted with by the contractor to  
23 provide labor, materials, or equipment to the public project. Whenever  
24 the contractor or subcontractor reserves funds earned by a  
25 subcontractor or sub-subcontractor or supplier, the contractor or  
26 subcontractor shall pay interest to the subcontractor or sub-  
27 subcontractor or supplier at a rate equal to that received by the  
28 contractor or subcontractor from reserved funds.

29 (4) With the consent of the public body the contractor may submit  
30 a bond for all or any portion of the amount of funds retained by the  
31 public body in a form acceptable to the public body. Such bond and any  
32 proceeds therefrom shall be made subject to all claims and liens and in  
33 the same manner and priority as set forth for retained percentages in  
34 this chapter. The public body shall release the bonded portion of the  
35 retained funds to the contractor within thirty days of accepting the  
36 bond from the contractor. Whenever a public body accepts a bond in  
37 lieu of retained funds from a contractor, the contractor shall accept  
38 like bonds from any subcontractors or suppliers from which the

1 contractor has retained funds. The contractor shall then release the  
2 funds retained from the subcontractor or supplier to the subcontractor  
3 or supplier within thirty days of accepting the bond from the  
4 subcontractor or supplier.

5 (5) If the public body administering a contract, after a  
6 substantial portion of the work has been completed, finds that an  
7 unreasonable delay will occur in the completion of the remaining  
8 portion of the contract for any reason not the result of a breach  
9 thereof, it may, if the contractor agrees, delete from the contract the  
10 remaining work and accept as final the improvement at the stage of  
11 completion then attained and make payment in proportion to the amount  
12 of the work accomplished and in such case any amounts retained and  
13 accumulated under this section shall be held for a period of thirty  
14 days following such acceptance. In the event that the work shall have  
15 been terminated before final completion as provided in this section,  
16 the public body may thereafter enter into a new contract with the same  
17 contractor to perform the remaining work or improvement for an amount  
18 equal to or less than the cost of the remaining work as was provided  
19 for in the original contract without advertisement or bid. The  
20 provisions of this chapter 60.28 RCW shall be deemed exclusive and  
21 shall supersede all provisions and regulations in conflict herewith.

22 (6) Whenever the department of transportation has contracted for  
23 the construction of two or more ferry vessels, thirty days after  
24 completion and final acceptance of each ferry vessel, the department  
25 may release and pay in full the amounts retained in connection with the  
26 construction of such vessel subject to the provisions of RCW 60.28.020:  
27 PROVIDED, That the department of transportation may at its discretion  
28 condition the release of funds retained in connection with the  
29 completed ferry upon the contractor delivering a good and sufficient  
30 bond with two or more sureties, or with a surety company, in the amount  
31 of the retained funds to be released to the contractor, conditioned  
32 that no taxes shall be certified or claims filed for work on such ferry  
33 after a period of thirty days following final acceptance of such ferry;  
34 and if such taxes are certified or claims filed, recovery may be had on  
35 such bond by the department of revenue and the (~~materialmen~~) material  
36 suppliers and laborers filing claims.

37 (7) Contracts on projects funded in whole or in part by farmers

1 home administration and subject to farmers home administration  
2 regulations shall not be subject to subsections (1) through (6) of this  
3 section.

4 **Sec. 92.** RCW 60.28.011 and 2003 c 301 s 7 are each amended to read  
5 as follows:

6 (1) Public improvement contracts shall provide, and public bodies  
7 shall reserve, a contract retainage not to exceed five percent of the  
8 moneys earned by the contractor as a trust fund for the protection and  
9 payment of: (a) The claims of any person arising under the contract;  
10 and (b) the state with respect to taxes imposed pursuant to Title 82  
11 RCW which may be due from such contractor.

12 (2) Every person performing labor or furnishing supplies toward the  
13 completion of a public improvement contract shall have a lien upon  
14 moneys reserved by a public body under the provisions of a public  
15 improvement contract. However, the notice of the lien of the claimant  
16 shall be given within forty-five days of completion of the contract  
17 work, and in the manner provided in RCW 39.08.030.

18 (3) The contractor at any time may request the contract retainage  
19 be reduced to one hundred percent of the value of the work remaining on  
20 the project.

21 (a) After completion of all contract work other than landscaping,  
22 the contractor may request that the public body release and pay in full  
23 the amounts retained during the performance of the contract, and sixty  
24 days thereafter the public body must release and pay in full the  
25 amounts retained (other than continuing retention of five percent of  
26 the moneys earned for landscaping) subject to the provisions of  
27 chapters 39.12 and 60.28 RCW.

28 (b) Sixty days after completion of all contract work the public  
29 body must release and pay in full the amounts retained during the  
30 performance of the contract subject to the provisions of chapters 39.12  
31 and 60.28 RCW.

32 (4) The moneys reserved by a public body under the provisions of a  
33 public improvement contract, at the option of the contractor, shall be:

- 34 (a) Retained in a fund by the public body;
- 35 (b) Deposited by the public body in an interest bearing account in  
36 a bank, mutual savings bank, or savings and loan association. Interest

1 on moneys reserved by a public body under the provision of a public  
2 improvement contract shall be paid to the contractor;

3 (c) Placed in escrow with a bank or trust company by the public  
4 body. When the moneys reserved are placed in escrow, the public body  
5 shall issue a check representing the sum of the moneys reserved payable  
6 to the bank or trust company and the contractor jointly. This check  
7 shall be converted into bonds and securities chosen by the contractor  
8 and approved by the public body and the bonds and securities shall be  
9 held in escrow. Interest on the bonds and securities shall be paid to  
10 the contractor as the interest accrues.

11 (5) The contractor or subcontractor may withhold payment of not  
12 more than five percent from the moneys earned by any subcontractor or  
13 sub-subcontractor or supplier contracted with by the contractor to  
14 provide labor, materials, or equipment to the public project. Whenever  
15 the contractor or subcontractor reserves funds earned by a  
16 subcontractor or sub-subcontractor or supplier, the contractor or  
17 subcontractor shall pay interest to the subcontractor or sub-  
18 subcontractor or supplier at a rate equal to that received by the  
19 contractor or subcontractor from reserved funds.

20 (6) A contractor may submit a bond for all or any portion of the  
21 contract retainage in a form acceptable to the public body and from a  
22 bonding company meeting standards established by the public body. The  
23 public body shall accept a bond meeting these requirements unless the  
24 public body can demonstrate good cause for refusing to accept it. This  
25 bond and any proceeds therefrom are subject to all claims and liens and  
26 in the same manner and priority as set forth for retained percentages  
27 in this chapter. The public body shall release the bonded portion of  
28 the retained funds to the contractor within thirty days of accepting  
29 the bond from the contractor. Whenever a public body accepts a bond in  
30 lieu of retained funds from a contractor, the contractor shall accept  
31 like bonds from any subcontractors or suppliers from which the  
32 contractor has retained funds. The contractor shall then release the  
33 funds retained from the subcontractor or supplier to the subcontractor  
34 or supplier within thirty days of accepting the bond from the  
35 subcontractor or supplier.

36 (7) If the public body administering a contract, after a  
37 substantial portion of the work has been completed, finds that an  
38 unreasonable delay will occur in the completion of the remaining

1 portion of the contract for any reason not the result of a breach  
2 thereof, it may, if the contractor agrees, delete from the contract the  
3 remaining work and accept as final the improvement at the stage of  
4 completion then attained and make payment in proportion to the amount  
5 of the work accomplished and in this case any amounts retained and  
6 accumulated under this section shall be held for a period of sixty days  
7 following the completion. In the event that the work is terminated  
8 before final completion as provided in this section, the public body  
9 may thereafter enter into a new contract with the same contractor to  
10 perform the remaining work or improvement for an amount equal to or  
11 less than the cost of the remaining work as was provided for in the  
12 original contract without advertisement or bid. The provisions of this  
13 chapter are exclusive and shall supersede all provisions and  
14 regulations in conflict herewith.

15 (8) Whenever the department of transportation has contracted for  
16 the construction of two or more ferry vessels, sixty days after  
17 completion of all contract work on each ferry vessel, the department  
18 must release and pay in full the amounts retained in connection with  
19 the construction of the vessel subject to the provisions of RCW  
20 60.28.020 and chapter 39.12 RCW. However, the department of  
21 transportation may at its discretion condition the release of funds  
22 retained in connection with the completed ferry upon the contractor  
23 delivering a good and sufficient bond with two or more sureties, or  
24 with a surety company, in the amount of the retained funds to be  
25 released to the contractor, conditioned that no taxes shall be  
26 certified or claims filed for work on the ferry after a period of sixty  
27 days following completion of the ferry; and if taxes are certified or  
28 claims filed, recovery may be had on the bond by the department of  
29 revenue and the ((~~materialmen~~)) material suppliers and laborers filing  
30 claims.

31 (9) Except as provided in subsection (1) of this section,  
32 reservation by a public body for any purpose from the moneys earned by  
33 a contractor by fulfilling its responsibilities under public  
34 improvement contracts is prohibited.

35 (10) Contracts on projects funded in whole or in part by farmers  
36 home administration and subject to farmers home administration  
37 regulations are not subject to subsections (1) through (9) of this  
38 section.

1 (11) This subsection applies only to a public body that has  
2 contracted for the construction of a facility using the general  
3 contractor/construction manager procedure, as defined under RCW  
4 39.10.061. If the work performed by a subcontractor on the project has  
5 been completed within the first half of the time provided in the  
6 general contractor/construction manager contract for completing the  
7 work, the public body may accept the completion of the subcontract.  
8 The public body must give public notice of this acceptance. After a  
9 forty-five day period for giving notice of liens, and compliance with  
10 the retainage release procedures in RCW 60.28.021, the public body may  
11 release that portion of the retained funds associated with the  
12 subcontract. Claims against the retained funds after the forty-five  
13 day period are not valid.

14 (12) Unless the context clearly requires otherwise, the definitions  
15 in this subsection apply throughout this section.

16 (a) "Contract retainage" means an amount reserved by a public body  
17 from the moneys earned by a person under a public improvement contract.

18 (b) "Person" means a person or persons, mechanic, subcontractor, or  
19 materialperson who performs labor or provides materials for a public  
20 improvement contract, and any other person who supplies the person with  
21 provisions or supplies for the carrying on of a public improvement  
22 contract.

23 (c) "Public body" means the state, or a county, city, town,  
24 district, board, or other public body.

25 (d) "Public improvement contract" means a contract for public  
26 improvements or work, other than for professional services, or a work  
27 order as defined in RCW 39.10.020.

28 **Sec. 93.** RCW 60.28.020 and 1975 1st ex.s. c 104 s 2 are each  
29 amended to read as follows:

30 After the expiration of the thirty day period, and after receipt of  
31 the department of revenue's certificate, and the public body is  
32 satisfied that the taxes certified as due or to become due by the  
33 department of revenue are discharged, and the claims of (~~materialmen~~)  
34 material suppliers and laborers who have filed their claims, together  
35 with a sum sufficient to defray the cost of foreclosing the liens of  
36 such claims, and to pay attorneys' fees, have been paid, the public

1 body shall pay to the contractor the fund retained by it or release to  
2 the contractor the securities and bonds held in escrow.

3 If such taxes have not been discharged or the claims, expenses, and  
4 fees have not been paid, the public body shall either retain in its  
5 fund, or in an interest bearing account, or retain in escrow, at the  
6 option of the contractor, an amount equal to such unpaid taxes and  
7 unpaid claims together with a sum sufficient to defray the costs and  
8 attorney fees incurred in foreclosing the lien of such claims, and  
9 shall pay, or release from escrow, the remainder to the contractor.

10 **Sec. 94.** RCW 60.28.021 and 1992 c 223 s 3 are each amended to read  
11 as follows:

12 After the expiration of the forty-five day period for giving notice  
13 of lien provided in RCW 60.28.011(2), and after receipt of the  
14 department of revenue's certificate, and the public body is satisfied  
15 that the taxes certified as due or to become due by the department of  
16 revenue are discharged, and the claims of ((~~materialmen~~)) material  
17 suppliers and laborers who have filed their claims, together with a sum  
18 sufficient to defray the cost of foreclosing the liens of such claims,  
19 and to pay attorneys' fees, have been paid, the public body may  
20 withhold from the remaining retained amounts for claims the public body  
21 may have against the contractor and shall pay the balance, if any, to  
22 the contractor the fund retained by it or release to the contractor the  
23 securities and bonds held in escrow.

24 If such taxes have not been discharged or the claims, expenses, and  
25 fees have not been paid, the public body shall either retain in its  
26 fund, or in an interest bearing account, or retain in escrow, at the  
27 option of the contractor, an amount equal to such unpaid taxes and  
28 unpaid claims together with a sum sufficient to defray the costs and  
29 attorney fees incurred in foreclosing the lien of such claims, and  
30 shall pay, or release from escrow, the remainder to the contractor.

31 **Sec. 95.** RCW 85.28.130 and Code 1881 s 2517 are each amended to  
32 read as follows:

33 Persons owning or desiring to improve contiguous tracts of tide  
34 marsh or swampy lands exposed to the overflow of the tide and capable  
35 of being made dry, may separate their respective tracts by a dike or  
36 ditch, which shall make and designate their common boundary. In all

1 such cases said dike or ditch shall be constructed at the equal cost  
2 and expense of the respective parties, and either party failing to pay  
3 his or her contributive share of such expense shall be liable to the  
4 party constructing the dike or ditch for such contributive share, or so  
5 much thereof as may remain due and unpaid, to be recovered in a civil  
6 action in a court of competent jurisdiction and the party constructing  
7 such dike shall also be entitled to a lien upon the tract of the party  
8 failing to pay his or her contributive share for the construction of  
9 said dike, or so much thereof as shall be due, which lien shall be  
10 secured and enforced as liens of ((materialmen)) material suppliers and  
11 mechanics are now by law enforced.

12 **Sec. 96.** RCW 85.28.140 and Code 1881 s 2518 are each amended to  
13 read as follows:

14 Any person or persons who may hereafter take a tract of tide land  
15 or marsh and shall desire to adopt as his or her boundary line any dike  
16 or ditch heretofore constructed upon and entirely within the boundary  
17 line of a neighboring contiguous tract he or she may join on to said  
18 tract and adopt said dike as his or her boundary by paying to the owner  
19 of the tract upon which said dike is constructed one-half of the cost  
20 and expense of the construction thereof, and any person so adopting the  
21 dike or ditch of another without contributing his or her half share of  
22 the cost or expense thereof shall be liable for his or her said half  
23 share, which may be recovered in a civil action in any court of  
24 competent jurisdiction, or the owner of the dike or ditch so used may  
25 secure a lien upon the tract of land bounded by said dike for the  
26 amount due for the use of said dike in accordance with the provisions  
27 of the law securing a lien to ((materialmen)) material suppliers and  
28 mechanics: PROVIDED ALWAYS, That when such dike has become the common  
29 boundary ((~~of two adjacent tracts, it shall be and remain the common~~  
30 ~~boundary~~)) of two adjacent tracts, it shall be and remain the common  
31 boundary and the persons owning the said tracts shall be mutually  
32 liable for the expense of keeping it in repair, share and share alike.
