

ESSB 5297 - H AMD 738

By Representative Anderson

FAILED 4/11/2007

1 On page 3, line 12, after "health." insert "Before a list is
2 made available on either web site, the initial list and any updated
3 list must be approved by the state board of education."

EFFECT: Requires any list, developed by the Superintendent of Public Instruction and the Department of Health, of sexual health education curricula that is consistent with the 2005 *Guidelines* to be approved by the State Board of Education before the list is posted on the agencies' web sites.
