FAILED 4/10/2007

1 On page 33, after line 18, insert the following:

2 "NEW SECTION. **Sec. 34.** If any provision of this act or its
3 application to any person or circumstance is held invalid, the act
4 shall be considered invalid in its entirety, and the act and the
5 application of any provision of the act to any person or
6 circumstance shall be considered null and void and of no effect."

Correct the title.

EFFECT: Provides a "reverse severability" clause. The entire act is null and void and has no effect if any provision of the act or its application to any person or circumstance is held invalid.
