

ESB 5498 - H AMD **696**

By Representative Orcutt

FAILED 4/13/2007

1 On page 3, beginning on line 6, after "factor," strike all
2 material through "by" on line 8 and insert "which shall be the same
3 for each of the consecutive years in"

4 On page 3, line 9, strike "in each of the subsequent
5 consecutive years"

EFFECT: Removes the authority to use a variable index for the purpose of determining consecutive levies in a multiyear lid lift. Requires instead that a single limit factor be used to increase the levy in each of the years.
