By Representative Williams

1 On page 14, line 32, after "design" strike all material through
2 "jurisdictions" on line 34 and insert "of nonresidential projects,
3 as defined in rule, that require fewer than three licensed
4 professionals named in this section"

EFFECT: Replaces exemption to landscape architecture for nonresidential projects implemented in accordance with local regulations of governing jurisdictions with an exemption for landscape design on nonresidential projects, as defined in rule, that require fewer than three licensed professionals.
