

E2SSB 5923 - H AMD TO AGNR COMM AMD (H-3123.2/07) **509**
By Representative Linville

ADOPTED 04/06/2007

1 On page 13, beginning on line 3 of the amendment, strike all of
2 section 8

3 Renumber the remaining sections consecutively and correct any
4 internal references accordingly.

EFFECT: Removes the language requiring the department of fish and wildlife to develop a programmatic environmental impact statement for the treatment and immediate response to the introduction to Washington waters of aquatic invasive species.
