

ESSB 6001 - H AMD TO H AMD (H-3547.1) **845**
By Representative Morris

ADOPTED 4/12/2007

1 On page 7, line 1 of the amendment, after "powered" insert
2 "exclusively"

EFFECT: Specifies that electric generation facilities or power plants that are powered *exclusively* by renewable resources are deemed to be in compliance with the greenhouse gases emissions standards.
