

ESSB 6001 - H AMD TO H AMD (H-3547.1) **846**
By Representative Morris

ADOPTED 4/12/2007

1 On page 6, beginning on line 31 of the amendment, after
2 "determined" strike "by the department of community, trade, and
3 economic development"

4 On page 10, beginning on line 5 of the amendment, strike all of
5 section 7 and insert the following:

6 "NEW SECTION. **Sec. 7.** The energy policy division of the
7 department of community, trade, and economic development shall
8 provide an opportunity for interested parties to comment on the
9 development of a survey of new combined cycle natural gas thermal
10 electric generation turbines commercially available and offered for
11 sale by manufacturers and purchased in the United States to
12 determine the average rate of emissions of greenhouse gases for
13 these turbines. The department of community, trade, and economic
14 development shall report the results of its survey to the
15 legislature every five years, beginning June 30, 2013. The
16 department of community, trade, and economic development shall
17 adopt by rule the average available greenhouse gases emissions
18 output every five years beginning five years after the effective
19 date of this act."

EFFECT: Requires the Department of Community, Trade, and
Economic Development (DCTED) to provide interested parties an
opportunity to comment on the development of the survey of new
combined cycle natural gas thermal electric generation turbines
to determine their greenhouse gases emissions. Requires the
DCTED to report the results of the survey every five years
(rather than biennially) beginning in 2013 (rather than 2008).
Requires the DCTED to adopt by rule the average available
greenhouse gases emissions output every five years, beginning
five years after the bill is enacted.
