

**ESSB 6001** - H AMD TO APP COMM AMD (H-3312.1) **482**  
By Representative Morris

**OUT OF ORDER 4/12/2007**

1           On page 5, beginning on line 28, strike  
2           "(c) The need for long-term financial commitments for new  
3 baseload electric generation can be reduced over time through the  
4 deployment by electric utilities of technologies that improve the  
5 efficiency of electricity production, transmission, distribution,  
6 and consumption."

**EFFECT:** Removes as a legislative declaration that the need for long-term financial commitments for new baseload electric generation can be reduced over time through the deployment by electric utilities of technologies that improve the efficiency of electricity production, transmission, distribution, and consumption.
