what the facility charges for a private-pay resident. There is no comparable prohibition related to boarding homes.

---

**Summary of Bill:**

A boarding home's voluntary withdrawal from the Medicaid program is not an acceptable basis for the transfer or discharge of persons who have been residing in the boarding home and who were Medicaid eligible on the day before the effective date of the withdrawal. Residents who enter the boarding home after the effective date of withdrawal from Medicaid must be notified that they may be transferred or discharged if they become eligible for Medicaid. Notification must be oral and in writing and acknowledgment of receipt of this notice is required.

**Appropriation:** None.

**Fiscal Note:** Available.

**Effective Date:** The bill contains an emergency clause and takes effect immediately.

**Staff Summary of Public Testimony:**

(In support) Individuals who have been private pay residents of boarding homes should not be transferred or discharged when they exhaust their resources and must go on the Medicaid program. The State should pay boarding homes adequate rates so they do not feel they must stop serving Medicaid clients.
