Sponsors: Senate Committee on Transportation (originally sponsored by Senators Kastama and Rasmussen).

Brief Summary of Engrossed Substitute Bill

- A person who owns or transports a snowmobile in Washington, but does not operate it, is not required to register the snowmobile.

Hearing Date: 2/27/08

Staff: Teresa Berntsen (786-7301).

Background:

Snowmobiles must be registered with the Department of Licensing (DOL) if owned, transported, or operated in Washington. There are specific exemptions for snowmobiles owned by a government entity or those owned by out-of-state residents temporarily operating snowmobiles in Washington.

Registration fees for snowmobiles are set in state law at \$30 per year for snowmobiles less than 30 years old and \$12 per year for snowmobiles older than 30 years. Fees are deposited into the Snowmobile Account and appropriated to the State Parks and Recreation Commission for snowmobile purposes (e.g., operation and maintenance of snowmobile facilities, and the implementation of safety and education programs).

Summary of Bill:

Snowmobiles must be registered with the DOL only if operated in Washington. A person who owns or transports a snowmobile in Washington, but does not operate it, is not required to register the snowmobile.

Language directing the registration fees to be established by the State Parks and Recreation Commission is deleted.
