20			PI	RIOR ADJUDIO	CATIONS		

21 NOTE: References in the grid to days or weeks mean periods of 22 confinement.

23 (1) The vertical axis of the grid is the current offense category. The current offense category is determined by the offense 24 of 25 adjudication.

(2) The horizontal axis of the grid is the number of prior 26 27 adjudications included in the juvenile's criminal history. Each prior 28 felony adjudication shall count as one point. Each prior violation, 29 misdemeanor, and gross misdemeanor adjudication shall count as 1/4 30 point. Fractional points shall be rounded down.

31 (3) The standard range disposition for each offense is determined 32 by the intersection of the column defined by the prior adjudications 33 and the row defined by the current offense category.

(4) RCW 13.40.180 applies if the offender is being sentenced for 34 more than one offense. 35

36 (5) A current offense that is a violation is equivalent to an offense category of E. However, a disposition for a violation shall 37 38 not include confinement.

39

40

41

OPTION B

OR

SUSPENDED DISPOSITION ALTERNATIVE

p. 8

(1) If the offender is subject to a standard range disposition 1 involving confinement by the department, the court may impose the 2 standard range and suspend the disposition on condition that the 3 offender comply with one or more local sanctions and any educational or 4 5 treatment requirement. The treatment programs provided to the offender must be research-based ((best practice programs as identified by the 6 7 Washington state institute for public policy or the joint legislative audit and review committee)), or if there are no research-based 8 programs available to meet the treatment needs of the juvenile, the 9 treatment programs must be approaches that have the potential to 10 demonstrate positive returns to the state or local government, such as 11 12 chemical dependency treatment of juveniles.

(2) If the offender fails to comply with the suspended disposition,
the court may impose sanctions pursuant to RCW 13.40.200 or may revoke
the suspended disposition and order the disposition's execution.

16 (3) An offender is ineligible for the suspended disposition option 17 under this section if the offender is:

18

(a) Adjudicated of an A+ offense;

19 (b) Fourteen years of age or older and is adjudicated of one or 20 more of the following offenses:

(i) A class A offense, or an attempt, conspiracy, or solicitation to commit a class A offense;

23 (ii) Manslaughter in the first degree (RCW 9A.32.060); or

24 (iii) Assault in the second degree (RCW 9A.36.021), extortion in 25 the first degree (RCW 9A.56.120), kidnapping in the second degree (RCW 26 9A.40.030), robbery in the second degree (RCW 9A.56.210), residential burglary (RCW 9A.52.025), burglary in the second degree (RCW 27 9A.52.030), drive-by shooting (RCW 9A.36.045), vehicular homicide (RCW 28 46.61.520), hit and run death (RCW 46.52.020(4)(a)), intimidating a 29 witness (RCW 9A.72.110), violation of the uniform controlled substances 30 act (RCW 69.50.401 (2)(a) and (b)), or manslaughter 2 (RCW 9A.32.070), 31 when the offense includes infliction of bodily harm upon another or 32 when during the commission or immediate withdrawal from the offense the 33 34 respondent was armed with a deadly weapon;

35 (c) Ordered to serve a disposition for a firearm violation under 36 RCW 13.40.193; or

37 38

OR

(d) Adjudicated of a sex offense as defined in RCW 9.94A.030.

OPTION C
CHEMICAL DEPENDENCY DISPOSITION ALTERNATIVE
If the juvenile offender is subject to a standard range disposition
of local sanctions or 15 to 36 weeks of confinement and has not
committed an A- or B+ offense, the court may impose a disposition under
RCW 13.40.160(4) and 13.40.165.
OR
OPTION D
MANIFEST INJUSTICE
If the court determines that a disposition under option A, B, or C
would effectuate a manifest injustice, the court shall impose a
disposition outside the standard range under RCW 13.40.160(2).
END
