HOUSE BILL 2640

---

State of Washington

60th Legislature

2008 Regular Session

By Representatives Morrell, Cody, Hasegawa, Ormsby, Conway, Kenney, and Hunt; by request of Insurance Commissioner

Prefiled 01/11/08. Read first time 01/14/08. Referred to Committee on Health Care & Wellness.

1 AN ACT Relating to providing preventative and catastrophic health  
2 coverage through a guaranteed health benefit program for permanent  
3 residents of this state; amending RCW 70.47.020; reenacting and  
4 amending RCW 43.79A.040; adding a new section to chapter 42.56 RCW;  
5 adding a new chapter to Title 70 RCW; and providing for submission of  
6 this act to a vote of the people.

7 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

8 NEW SECTION. **Sec. 1.** It is the intent of the legislature to  
9 protect residents of this state from catastrophic health costs and  
10 ensure access to meaningful preventive health care. The program  
11 established by this chapter establishes a program that provides such  
12 care to all residents of this state not enrolled in medicare, veterans'  
13 benefits, TRICARE, CHAMPUS, FEHBP, or other federal government  
14 programs, or who are confined or reside in a government-operated  
15 institution.

16 The legislature finds that such a program will help ensure the  
17 financial security of all residents of this state by providing broad  
18 pooling of catastrophic health care costs.

1 The legislature finds that lack of preventive and catastrophic  
2 coverage can adversely affect the health of residents of Washington.

3 The legislature further finds that a significant percentage of the  
4 population of this state does not have reasonably available insurance  
5 or other coverage for the costs of necessary preventive and  
6 catastrophic health care. This lack of health care is detrimental to  
7 the health of individuals lacking coverage and to the public welfare,  
8 and results in substantial expenditures for emergency and remedial  
9 health care, often at the expense of health care providers, health care  
10 facilities, and all purchasers of health care, including the state.

11 NEW SECTION. **Sec. 2.** The definitions in this section apply  
12 throughout this chapter unless the context clearly requires otherwise.

13 (1) "Allowed charges" means those expenses incurred by covered  
14 persons for medically necessary expenses based on the terms and  
15 conditions of the program, as defined by the board.

16 (2) "Assessment" means that amount due and payable from employers  
17 and employees to fund the program.

18 (3) "Authority" means the state health care authority established  
19 in chapter 41.05 RCW.

20 (4) "Board" means the guaranteed health benefits board created in  
21 section 7 of this act.

22 (5) "Carrier" or "participating carrier" means a disability  
23 insurance company regulated under chapter 48.20 or 48.21 RCW, a health  
24 care service contractor as defined in RCW 48.44.010, and a health  
25 maintenance organization as defined in RCW 48.46.020. Carrier also  
26 includes any self-funded program that may be created by the authority  
27 under this chapter and any entity that offers to participate in the  
28 program even if that entity is not otherwise subject to regulation  
29 under Title 48 RCW.

30 (6) "CHAMPUS" means the civilian health and medical program of the  
31 uniformed services.

32 (7) "Code" means the internal revenue code, as codified in Title 26  
33 U.S.C., as amended.

34 (8) "Commissioner" means the Washington state insurance  
35 commissioner.

36 (9) "Competitive bid process" means a documented formal process  
37 providing an equal and open opportunity to qualified carriers and

1 culminating in a selection based on criteria that may include such  
2 factors as the carrier's fees or costs, ability, capacity, experience,  
3 reputation, responsiveness to time limitations, responsiveness to  
4 solicitation requirements, quality of previous performance, or  
5 compliance with statutes and rules relating to contracts or services.

6 (10) "Coverage year" means a calendar year, unless the authority  
7 adopts a different twelve-month period.

8 (11) "Creditable coverage" means the period an individual was  
9 covered under a group or individual health plan or insurance in another  
10 state or through an otherwise excluded plan of health care coverage  
11 that provided benefits similar to or more comprehensive than those  
12 offered by the program for at least three months without a break in  
13 coverage of more than sixty-three days.

14 (12) "Employee" includes common law employees and leased employees  
15 of an employer.

16 (13) "Employer" or "business entity" means any business having  
17 employees that are permanent residents of this state who are subject to  
18 medicare tax. Employer includes all of the following forms of  
19 business: Partnerships, subchapter "c" and "s" corporations, nonprofit  
20 organizations, governmental entities, limited liability corporations or  
21 partnerships, and sole proprietorships.

22 (14) "FEHBP" means the federal employees health benefits program.

23 (15) "Medical assistance" or "medicaid" means coverage under Title  
24 XIX of the federal social security act (42 U.S.C. Sec. 1396 et seq., as  
25 amended) and chapter 74.09 RCW.

26 (16) "Medicare" means coverage under Title XVIII of the social  
27 security act (42 U.S.C. Sec. 1395 et seq., as amended).

28 (17) "Permanent residence" means the place where a person lives  
29 with the intent to make it a fixed and permanent home. For purposes of  
30 this chapter, it has the same meaning as "domicile."

31 (18) "Permanent resident" means a person who permanently resides in  
32 Washington. Persons with homes in more than one state are considered  
33 permanent residents of this state if they intend to make Washington  
34 their permanent home and reside in this state for at least six months  
35 each year. A person is not a permanent resident if he or she remains  
36 away from this state for more than six consecutive months and does not  
37 intend to make Washington his or her permanent home.

1 (19) "Preexisting condition" means any medical condition, illness,  
2 or injury that existed prior to the effective date of coverage.

3 (20) "Program" means the guaranteed health benefit program created  
4 in this chapter.

5 (21) "Resident" means a person living in a particular locality in  
6 the state of Washington. Confinement of a person in a nursing home,  
7 hospital, or other institution by itself is not sufficient to qualify  
8 a person as a resident.

9 (22) "Wages" means wages subject to medicare tax.

10 (23) "Wellness program" or "wellness activity" means a bona fide,  
11 explicit program of an activity, such as but not limited to smoking  
12 cessation, injury and accident prevention, reduction of alcohol misuse,  
13 appropriate weight reduction, exercise, automobile and motorcycle  
14 safety, blood cholesterol reduction, or nutrition education for the  
15 purpose of improving enrollee health status and reducing health service  
16 costs.

17 NEW SECTION. **Sec. 3.** The guaranteed health benefit program is  
18 created.

19 (1) On the effective date of this section, and except as set forth  
20 in this section, every person who has permanently resided in Washington  
21 state for at least six months, and all children born in this state on  
22 or after the effective date of this section who live with an eligible  
23 resident parent or legal guardian, are enrolled in the program.

24 (2)(a) Persons moving to this state after the effective date of  
25 this section who provide satisfactory evidence of permanent residency  
26 in this state to the authority must be enrolled into the program.

27 (b) Any person moving to this state after the effective date of  
28 this section who cannot provide evidence of creditable coverage is  
29 eligible for the program, upon satisfactory evidence of permanent  
30 residency, after six months of permanent residency. However, no  
31 preexisting condition will be covered until the person has permanently  
32 resided in Washington for twelve months.

33 (3) Persons enrolled in the state's medicaid managed-care program  
34 are eligible for the program. However, persons enrolled in the state's  
35 medicaid fee-for-service program are not eligible.

36 (4) Persons not eligible for the program include persons who are:

37 (a) Enrolled in both parts A and B of medicare;

1 (b) Enrolled in federal government programs such as but not limited  
2 to medicare, veterans' administration benefits, TRICARE, CHAMPUS, and  
3 FEHBP; or

4 (c) Confined or reside in a government-operated institution.

5 (5) Persons who disenroll from federal health care programs or who  
6 cease to reside in a government-operated institution must be registered  
7 with a participating carrier based on rules adopted by the authority.

8 (6) Each person must be covered as an individual.

9 (7) Coverage continues in force as long as the person permanently  
10 resides in this state.

11 (8) Participating carriers shall accept every eligible person  
12 immediately upon receipt of a completed registration form, subject to  
13 reasonable verification of eligibility, as established by the authority  
14 by rule.

15 (9) The authority shall adopt standards for implementing this  
16 section by rule, including evidence of permanent residency and  
17 creditable coverage and procedures for registering with participating  
18 carriers.

19 NEW SECTION. **Sec. 4.** (1) Except as provided in this section, all  
20 participating carriers must accept any eligible person that registers  
21 for coverage with the carrier as long as the person resides in the area  
22 in which the carrier is contracted to offer coverage.

23 (2) If a person chooses a different carrier during an open  
24 enrollment period for the following coverage year, the prior carrier  
25 must cooperate with the new carrier and the eligible person during  
26 transition of coverage.

27 (3) Upon request of a covered person during an open enrollment  
28 period, a participating carrier must continue coverage for a covered  
29 person:

30 (a) Unless the covered person commits a fraud against the program  
31 or the carrier;

32 (b) Unless the covered person no longer resides in the  
33 participating carrier's contracted area;

34 (c) Unless the covered person is no longer eligible to participate  
35 in the program, such as if the person establishes permanent residency  
36 in another state; or

37 (d) For other conditions as the authority may adopt by rule.

1        NEW SECTION.    **Sec. 5.**    (1) With respect to coverage for persons  
2 eligible for the program on the effective date of this section and who  
3 become eligible thereafter, there is no limitation or exclusion of  
4 benefits relating to a preexisting condition because the condition was  
5 present or expected before the date of eligibility for coverage,  
6 whether or not any medical advice, diagnosis, care, or treatment was  
7 recommended or received before that date.

8        (2) Benefits for persons moving to Washington after the effective  
9 date of this section may not be excluded or limited for any preexisting  
10 condition that occurred more than twelve months prior to the date the  
11 person first establishes permanent residency in this state.

12        NEW SECTION.    **Sec. 6.**    The program shall be funded by assessments  
13 as provided for in this section.

14        (1)(a) Every employer operating in Washington is required to pay an  
15 assessment to finance the program.

16        (b) The employer assessment is calculated as follows:

17        (i) Three percent up to five hundred thousand dollars of wages;

18        (ii) Four percent over five hundred thousand dollars of wages and  
19 up to one million dollars of wages; and

20        (iii) Five percent over one million dollars of wages.

21        (2) Employees shall pay a flat assessment equal to one percent of  
22 their wages subject to medicare tax.

23        (3) Washington residents earning wages in another state shall pay  
24 a flat assessment equal to two percent of such wages subject to  
25 medicare tax.

26        (4) Assessments must be collected by the department of revenue and  
27 deposited in the guaranteed benefit program trust account established  
28 in section 22 of this act.

29        (a) Moneys in the account must be used to pay participating  
30 carriers at a rate determined annually by the board after conclusion of  
31 a competitive bidding process and to pay the necessary and appropriate  
32 expenses associated with administration of the program.

33        (b) Assessments also may be used to establish such reserves as are  
34 deemed necessary or appropriate by the board for any self-funded plan  
35 that may be established by the board.

36        (5) The board may not incur any liabilities or obligations beyond  
37 the extent to which funds have been allocated by the legislature.

1 (a) If the board determines that the assessment will not generate  
2 sufficient funds to pay for the program's benefits, the board must  
3 present options to the legislature to raise revenue, lower costs, or  
4 both.

5 (b) In presenting options to the legislature, the board must  
6 consider reducing covered benefits, increasing the attachment point,  
7 changing the residency requirement for persons moving into the state,  
8 or implementing cost-saving measures in order to administer the program  
9 within the allocated budget. However, universal eligibility for the  
10 program for permanent residents as provided for by this chapter may not  
11 be abridged.

12 NEW SECTION. **Sec. 7.** The guaranteed health benefits board is  
13 established to govern the program as set forth in this section.

14 (1) The governor shall appoint nine members to the board who shall  
15 represent: The general public; health care providers, including health  
16 care facilities; carriers; business, both large and small business  
17 entities; and labor.

18 (2)(a) The original members of the board must be appointed for  
19 intervals of one to three years. Thereafter, all board members serve  
20 a term of three years.

21 (b) Appointed members of the board are eligible for reappointment.

22 (c) Board members serve without compensation, except that they may  
23 be reimbursed for travel expenses pursuant to RCW 43.03.050 and  
24 43.03.060.

25 (d) The board must adopt a plan of operation, bylaws, and other  
26 governing documents as may be necessary to ensure the fair, reasonable,  
27 and equitable operation of the board.

28 (e) Meetings of the board are subject to the open public meetings  
29 act, chapter 42.30 RCW.

30 NEW SECTION. **Sec. 8.** The board shall determine the schedule of  
31 benefits for the program and establish a schedule of allowed charges  
32 for any self-funded arrangement, including a list of expenses that are  
33 covered or excluded under the program.

34 (1) Preventive benefits. Scheduled benefits for preventive care  
35 must include annual examinations, cancer screenings, immunizations, and

1 other benefits the board determines to cover, taking into account  
2 recommendations of the United States preventive services task force,  
3 and must include at least one annual dental care visit.

4 (2) Catastrophic benefits. Catastrophic coverage must include  
5 coverage for medically necessary care after a covered person incurs  
6 allowed charges, as determined by the board, in excess ten thousand  
7 dollars during a coverage year.

8 (3) Mandated benefits, services, included providers, and patient  
9 bill of rights protections. The schedule of benefits adopted by the  
10 board must include all mandated benefits and mandated offerings in  
11 force as of the effective date of this section, as well as all state  
12 statutes and rules regarding patient rights and carrier contracting  
13 with categories of providers, including the state's grievance and  
14 appeals requirements and a person's right to request an independent  
15 review of medical necessity decisions made by a carrier, as provided in  
16 RCW 43.70.235, 48.43.500 through 48.43.535, 48.43.545, 48.43.550,  
17 70.02.045, 70.02.110, and 70.02.900.

18 NEW SECTION. **Sec. 9.** The authority shall administer, supervise,  
19 and manage the program.

20 (1) The authority shall adopt administrative cost savings plans and  
21 incentives designed to reduce the administrative burdens of carriers,  
22 providers, and the program.

23 (2) The authority shall develop a plan for contracting with  
24 participating carriers that:

25 (a) Rewards health outcomes rather than simply paying for  
26 particular procedures;

27 (b) Pays for health care that reflects patient preference and is of  
28 proven value; and

29 (c) Calls for the use of evidence-based standards of care where  
30 available.

31 (3) The authority may appoint technical or advisory committees  
32 whose members serve without compensation for their services but may be  
33 reimbursed for their travel expenses, as provided in RCW 43.03.050 and  
34 43.03.060.

35 (4) The authority may adopt rules to administer the program,  
36 including but not limited to rules that establish procedures for  
37 appeals of eligibility decisions, establish appeals procedures for

1 enforcement actions and other purposes the authority determines are  
2 necessary for the efficient and effective administration of the  
3 program, and ensure that all covered persons receive quality health  
4 care and that all covered services are medically necessary and  
5 efficacious, cost-effective, and reasonable in relation to the services  
6 delivered.

7 (5) The authority may appoint a medical director and other staff  
8 the authority determines are necessary or appropriate to fulfill the  
9 responsibilities and duties necessary for the administration of the  
10 program.

11 (6)(a) The authority may contract with private entities or enter  
12 into interagency agreements with public agencies to provide technical  
13 or professional assistance or assist in the administration of the  
14 program.

15 (b) Any such contractor is prohibited from releasing, publishing,  
16 or otherwise using any information made available to it under its  
17 contractual responsibility without specific permission of the  
18 authority.

19 (7) The authority may apply for, receive, and accept grants, gifts,  
20 and other payments, including property and service, from any  
21 governmental or other public or private entity or person and may make  
22 arrangements for the use of these receipts, including the undertaking  
23 of special studies and other projects relating to health care costs or  
24 access to health care.

25 (8) The authority shall develop and implement a plan to publicize  
26 the existence of the program and maintain public awareness of the  
27 program and shall publicize open enrollment options for eligible  
28 persons.

29 (9) The authority shall review all publications of carriers related  
30 to the program for compliance with applicable state and federal  
31 requirements.

32 (10) The authority shall report to the board on all operations of  
33 the program, prepare an annual budget, and manage the administrative  
34 expenses of the program.

35 NEW SECTION. **Sec. 10.** By July 1, 2010, the authority shall  
36 establish a program for accepting enrollment registration forms for

1 receipt of services from participating carriers, with the intent that  
2 the first coverage year begin January 1, 2011.

3 (1) Eligible persons may register with any participating carrier  
4 that offers program coverage where the person resides.

5 (2) Eligible persons who do not register with a carrier before the  
6 first day of a coverage year must be assigned to a participating  
7 carrier through a rotational system to be established and managed by  
8 the authority.

9 (3) Registration with a participating carrier must be for the  
10 entire coverage year except as may be established by the authority by  
11 rule.

12 (4) Parents or legal guardians may register their dependents.

13 (5) Students attending school in another state may continue program  
14 coverage under rules adopted by the authority.

15 (6) Eligibility for the program ceases the first day of the month  
16 following establishment of permanent residency in another state.

17 NEW SECTION. **Sec. 11.** Benefits must be provided by carriers  
18 selected by the authority after completion of a competitive bid process  
19 through one or more contracts with carriers.

20 (1) All participating carriers must be in good standing with the  
21 office of insurance commissioner.

22 (2) The rates charged by carriers must be negotiated by the  
23 authority and approved by the board. Rates may not change more  
24 frequently than annually.

25 (3) Payment to participating carriers must be by a capitated  
26 arrangement.

27 NEW SECTION. **Sec. 12.** In order to ensure availability of program  
28 coverage throughout the entire state and choice for program enrollees,  
29 one or more self-funded arrangements may be offered in areas of the  
30 state if the authority determines that fewer than two options for  
31 enrollment will be available to eligible enrollees in any coverage  
32 year.

33 NEW SECTION. **Sec. 13.** Rates for program benefits shall be based  
34 on a single community-rated risk pool. Rates paid to participating  
35 carriers, including any self-funded arrangement, must be risk adjusted

1 annually based on experience during the most recent prior year for  
2 which statistics related to rates and risk are available and applied to  
3 the rates charged by a participating carrier for the next succeeding  
4 coverage year.

5 (1) Every carrier that participates in the program must submit to  
6 the authority, or to a third party at the direction of the authority,  
7 all information deemed necessary for risk assessment and adjustment  
8 calculations, including demographic and claims data.

9 (2) Carriers that do not participate in the program in later years  
10 shall provide all necessary data to the authority, or to a third party  
11 at the direction of the authority, for the carrier's years of  
12 participation in the program.

13 (3) All claims data related to the program are the property of the  
14 state.

15 (4) The authority shall adopt rules to establish and manage risk  
16 adjustment.

17 NEW SECTION. **Sec. 14.** (1) The authority shall conduct an annual  
18 open enrollment period for the program of no fewer than thirty days  
19 each twelve-month period during which any person may choose to change  
20 participating carriers for the following coverage year.

21 (2) The authority shall establish by rule standards by which a  
22 person may change participating carriers at times other than during the  
23 annual open enrollment period.

24 (a) A person may not be registered with more than one participating  
25 carrier at the same time.

26 (b) When changing carriers, there must be no overlap and no gap in  
27 an enrollee's coverage.

28 NEW SECTION. **Sec. 15.** It is the express intent of this chapter  
29 that the program be secondary to all amounts paid or payable through  
30 any worker's compensation coverage, automobile medical payment, or  
31 liability insurance whether provided on the basis of fault or nonfault,  
32 and by any hospital or medical benefits paid or payable under or  
33 provided pursuant to any federal law or program.

34 NEW SECTION. **Sec. 16.** Participating carriers shall file reports

1 with the authority in a format, manner, and time designated by the  
2 authority by rule.

3 NEW SECTION. **Sec. 17.** The insurance commissioner has authority  
4 over the solvency of participating carriers.

5 NEW SECTION. **Sec. 18.** The privacy protections of chapters 48.43  
6 and 70.02 RCW and the federal health insurance portability and  
7 accountability act (45 C.F.R. 160 et seq.) apply to all contracts  
8 issued to participating carriers and all actions of the board, the  
9 authority, the commissioner, and the secretary of the department of  
10 social and health services.

11 NEW SECTION. **Sec. 19.** The legislature recognizes that every  
12 individual possesses a fundamental right to exercise his or her  
13 religious beliefs and conscience. The legislature further recognizes  
14 that in developing public policy, conflicting religious and moral  
15 beliefs must be respected. The state also recognizes the right of  
16 individuals enrolled in the program to receive the full range of  
17 services covered under the program. Therefore:

18 (1) No person may be required by law or contract to participate in  
19 the provision of or payment for a specific service if the person  
20 objects to doing so for reason of conscience or religion.

21 (2) The authority shall establish a mechanism to recognize the  
22 right to exercise conscience while ensuring enrollees have timely  
23 access to services and ensuring prompt payment to service providers.

24 NEW SECTION. **Sec. 20.** (1) All persons appointed by participating  
25 carriers to assist in the choosing of and registering with a carrier,  
26 other than persons providing only ministerial duties and employees of  
27 any agency of the state, must be appropriately licensed by the  
28 commissioner as producers and must comply with the requirements of  
29 chapter 48.17 RCW.

30 (2) When an eligible person is assisted in choosing and registering  
31 with a participating carrier by a licensed producer, the carrier chosen  
32 by the enrollee must pay the producer a commission.

33 (a) The amount of the commission must be set forth in a rule  
34 adopted by the authority.

1 (b) When establishing the amount of the commission, the authority  
2 must consider the rates of commission paid to producers by carriers for  
3 health plans other than this program.

4 (c) Preference in commission rates may be given to producers who  
5 assist with enrollment of eligible persons who reside in rural or  
6 underserved areas of the state.

7 NEW SECTION. **Sec. 21.** Employers must make information developed  
8 by the authority about the program and open enrollment available to  
9 their employees.

10 NEW SECTION. **Sec. 22.** (1) The guaranteed benefit program trust  
11 account is established in the custody of the state treasurer. All  
12 receipts from the deposit of assessments, reserves, dividends, and  
13 refunds must be deposited into the account. Expenditures from the  
14 account may be used only for payment of premiums to participating  
15 carriers and operating expenses of the program.

16 (a) Expenditures from the account must be disbursed by the state  
17 treasurer by warrants on vouchers authorized by the authority.

18 (b) Moneys in the account, including unanticipated revenues under  
19 RCW 43.79.270, may be spent only after allocation.

20 (2) The account is subject to allotment procedures under chapter  
21 43.88 RCW, but an appropriation is not required for expenditures.

22 (3) The authority must keep full and adequate records and accounts  
23 of the assets, obligations, transactions, and affairs of the program  
24 created under this chapter.

25 (4) The state investment board shall act as the investor for the  
26 funds and, except as provided in RCW 43.33A.160 and 43.84.160, one  
27 hundred percent of all earnings from these investments must accrue  
28 directly to the fund.

29 NEW SECTION. **Sec. 23.** (1) The guaranteed benefit program reserve  
30 trust account is created in the custody of the state treasurer. All  
31 receipts from reserves established for self-funded benefits, if any,  
32 must be deposited into the account. Expenditures from the account may  
33 only be used for the establishment of appropriate reserves, payment of  
34 benefits for eligible enrollees, and operating expenses of any self-

1 funded program. Only the authority may authorize expenditures from the  
2 account. The account is subject to allotment procedures under chapter  
3 43.88 RCW, but an appropriation is not required for expenditures.

4 (2) The account is subject to the examination requirements of
