
HOUSE BILL 3316

State of Washington

60th Legislature

2008 Regular Session

By Representatives Hunt and Wood

1 AN ACT Relating to soil and wetland scientists; amending RCW
2 18.235.020; adding a new section to chapter 18.220 RCW; adding a new
3 chapter to Title 18 RCW; creating a new section; and providing an
4 effective date.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** The legislature finds that in order to
7 protect life, property, and health, and to promote public welfare, it
8 is in the public interest to regulate the practice of soil science and
9 wetland science as a profession by establishing minimum standards of
10 ethical conduct and professional responsibility and by establishing
11 professional education and experience requirements for those persons
12 representing to the public that they are soil scientists or wetland
13 scientists.

14 NEW SECTION. **Sec. 2.** The definitions in this section apply
15 throughout this chapter unless the context clearly requires otherwise.
16 (1) "Advisory committee" means the advisory committee appointed
17 under section 4 of this act.

1 (2) "Board" means the geologist licensing board created in RCW
2 18.220.030.

3 (3) "Department" means the department of licensing.

4 (4) "Director" means the director of the department of licensing.

5 (5) "Holder" means a person who has been issued a certificate under
6 this chapter.

7 (6) "Responsible charge" means the exercise of fully independent
8 control and direction of soil science or wetland science work, or both,
9 or the supervision of such work, and being fully responsible,
10 answerable, accountable, or liable for the results.

11 (7) "Soil science" means the science that:

12 (a) Involves the study of various aspects of the living soil
13 ecosystem and includes the following focused subject areas:

14 (i) Soil physics, which is the study of water and heat transfer
15 through soil;

16 (ii) Soil chemistry and mineralogy;

17 (iii) Soil biochemistry;

18 (iv) Soil fertility; and

19 (v) Soil genesis, morphology, and classification; and

20 (b) Can be used to provide information for projects including, but
21 not limited to, the following:

22 (i) Management of water quantity by utilizing infiltration and
23 percolation capabilities on a site or soil specific basis;

24 (ii) Treatment of polluted water using soil microbial populations
25 working in concert with natural soil chemistry and mineralogy;

26 (iii) Treatment of polluted soils using soil biochemical and
27 physical applications;

28 (iv) Interpretation of soil morphology and soil development in
29 order to avoid or mitigate negative impacts to either surface water
30 systems or groundwater systems, or both; and

31 (v) Preparation of detailed soil maps that can be used for site-
32 specific soil management, such as erosion control plans.

33 (8) "Soil scientist" means a person who, by reason of the person's
34 knowledge of soil science, mathematics, the environment, and the
35 supporting physical and life sciences, acquired by education and
36 practical experience, has met the qualifications established under this
37 chapter, and has been issued a certificate as a soil scientist by the
38 board.

1 (9) "Subordinate" means a person who assists in the practice of
2 soil science by a soil scientist without assuming the responsible
3 charge of the work.

4 (10) "Wetland science" means the science that:

5 (a) Involves the study of various aspects of wetland systems and
6 includes the following focused subject areas: (i) Wetland delineation,
7 which is the formal identification and marking of the legal wetland
8 boundary on the land surface;

9 (ii) Wetland mitigation, which is a plan that describes and
10 provides for compensation to offset wetland or wetland buffer losses as
11 is prescribed or required by federal or local regulations;

12 (iii) Wetland classification, which is a process that defines and
13 groups wetland types into discrete ecologically or geomorphically based
14 units which are used to create management plans or to rate a wetland;

15 (iv) Wetland rating, which is a formal system used to evaluate a
16 wetland's quality based on individual functions and values; and

17 (v) Wetland ecology, which is the study of interrelationship of
18 organisms and their wetland environments; and

19 (b) Can be used to provide information for projects including, but
20 not limited to, the following:

21 (i) Defining legally developable portions of a property, as might
22 be limited by wetland or stream presence;

23 (ii) Assessing wetland type for purposes of compensation or
24 mitigation;

25 (iii) Interpreting a landscape to indicate where wetland is most
26 likely to be found; and

27 (iv) Interpretation and preparation of aerial photo-based site
28 sketch maps that can be used for site-specific wetland management.

29 (11) "Wetland scientist" means a person who, by reason of the
30 person's knowledge of wetland science, mathematics, the environment,
31 and the supporting physical and life sciences, acquired by education
32 and practical experience, has met the qualifications established under
33 this chapter, and has been issued a certificate as a wetland scientist
34 by the board.

35 NEW SECTION. **Sec. 3.** (1) Except as provided in subsection (2) of
36 this section, it is unlawful for a person to use in connection with the
37 person's name or otherwise assume or advertise the title soil

1 scientist, certified soil scientist, wetland scientist, certified
2 wetland scientist, wetland delineator, or wetland ecologist, or
3 description tending to convey the impression that the person is a soil
4 scientist or wetland scientist unless the person has received the
5 appropriate certification under this chapter.

6 (2) Subsection (1) of this section does not apply to:

7 (a) Officers and employees of the United States practicing soil or
8 wetland science solely as such officers or employees;

9 (b) Persons conducting soil science or wetland science research
10 through academic institutions by agencies of the federal or state
11 governments, nonprofit research institutions, or for-profit
12 organizations, including submission of reports of research to public
13 agencies; and

14 (c) Persons teaching soil science or wetland science or related
15 physical or natural sciences.

16 NEW SECTION. **Sec. 4.** (1) An advisory committee is created to
17 provide recommendations to the board and the director concerning the
18 administration of this chapter. The advisory committee consists of six
19 members appointed by the director. Three members must be conversant
20 with and experienced in the soil science profession and three members
21 must be conversant with and experienced in the wetland science
22 profession. All members must be eligible for certification under this
23 chapter. Subsequent to the initial appointments, all members must be
24 certified under this chapter. Each member of the advisory committee
25 must be a resident of the state.

26 (2) The director shall appoint to the advisory committee
27 individuals from across the state, utilizing geographic and
28 experiential diversity as much as possible. The terms of the members
29 of the advisory committee are a maximum of three years, except that the
30 initial appointees to the advisory committee serve the following terms
31 to be specified by the director: One member for one year, two members
32 for two years, and three members for three years. No member of the
33 advisory committee is eligible for reappointment to a third consecutive
34 term, but any member is eligible for reappointment after an absence of
35 at least one year from the advisory committee. Any member who is
36 reappointed following an absence of at least one year from the advisory

1 committee is eligible for reappointment to a second consecutive term
2 and is again eligible for reappointment after an absence of at least
3 one year from the advisory committee.

4 (3) Members of the advisory committee serve until replaced by a
5 subsequent appointment even if their appointment exceeds the length of
6 their term, but may resign prior to completing the term of appointment.
7 The director may for just cause remove an advisory committee member.
8 The director shall appoint a new member to fill any vacancy on the
9 advisory committee for the remainder of the unexpired term. Members of
10 the advisory committee may not be compensated, but shall be reimbursed
11 for expenses incurred in accordance with RCW 43.03.050 and 43.03.060.
12 Three members constitute a quorum of the committee.

13 (4) At the request of the advisory committee, the director may
14 appoint additional temporary members to the advisory committee for
15 assistance with rule development, examination development, and
16 technical advice on complaints. Temporary members must meet the same
17 minimum qualifications as regular members of the advisory committee.
18 Temporary members have all the powers, duties, and immunities of
19 regular members of the advisory committee and shall be reimbursed for
20 expenses incurred in accordance with RCW 43.03.050 and 43.03.060. The
21 director shall limit the term of temporary members to one year, but may
22 extend the original appointment up to one additional year.

23 NEW SECTION. **Sec. 5.** The advisory committee shall make
24 recommendations to the board regarding:

25 (1) Developing and adopting rules to administer this chapter
26 including, but not limited to, evaluating the experience, scope, and
27 standards of practice of soil science or wetland science;

28 (2) Reviewing complaints and investigations pertaining to this
29 chapter; and

30 (3) Performing other duties deemed necessary by the director or the
31 board.

32 NEW SECTION. **Sec. 6.** The director has the authority to administer
33 examinations approved by the board.

34 NEW SECTION. **Sec. 7.** (1) To become a certified soil scientist or

1 wetland scientist, an applicant must meet the requirements of this
2 section.

3 (2) An applicant who applies for soil scientist or wetland
4 scientist certification before July 1, 2010, is considered qualified
5 for certification, without further written examination, if the
6 applicant meets the standards described in subsection (3)(a), (b), and
7 (c) of this section.

8 (3) In order to become a certified soil scientist or a certified
9 wetland scientist, an applicant must:

10 (a) Be of good moral and ethical character as attested to by
11 letters of reference submitted by the applicant or as otherwise
12 determined by the board;

13 (b) Have graduated from a course of study in soil science or
14 wetland science satisfactory to the board or satisfy educational
15 equivalents determined by the board;

16 (c) Have a documented record of a minimum of five years of
17 experience obtained after the completion of the academic requirements
18 specified in this section, in soil science or wetland science work of
19 a character satisfactory to the board, demonstrating that the applicant
20 is qualified to assume responsible charge of such work upon
21 certification as a soil scientist or wetland scientist. At least three
22 years of the experience must be gained under the supervision of a soil
23 scientist or wetland scientist credentialed in this or any other state,
24 or under the supervision of others who, in the opinion of the board,
25 are qualified to have responsible charge of soil science or wetland
26 science work;

27 (d) Pass an examination covering the fundamentals and practice of
28 soil science or wetland science prescribed or accepted by the board;
29 and

30 (e) Meet other general requirements established by the board under
31 its authority under this chapter.

32 NEW SECTION. **Sec. 8.** (1) Experience in professional practice as
33 required under section 7(3)(c) of this act, of a character acceptable
34 to the board and acquired prior to July 1, 2010, is acceptable if the
35 experience:

36 (a) Was acquired under the direct supervision of a soil scientist
37 or wetland scientist who meets the educational and experience

1 requirements for certification under this chapter, or who is
2 credentialed in another state that has requirements that are
3 substantially similar to this chapter; or

4 (b) Would constitute responsible charge of professional soil
5 science or wetland science work, as determined by the board;

6 (2) Each year of full-time graduate study in soil science qualifies
7 as one year of professional experience, up to a maximum of two years.
8 The board may accept soil science or wetland science research or
9 teaching of soil science or wetland science at the college or
10 university level as qualifying experience, provided that such research
11 or teaching, in the judgment of the board, is comparable to experience
12 obtained in the practice of soil science or wetland science.

13 NEW SECTION. **Sec. 9.** An application for certification shall be
14 filed with the director on a form provided by the director and must
15 contain statements made under oath demonstrating the applicant's
16 education and practical experience. The director may require any
17 information and documentation that reasonably relates to the need to
18 determine whether the applicant meets the criteria for certification.
19 The application must be submitted to the department prior to the
20 application deadline established by the director.

21 NEW SECTION. **Sec. 10.** Examinations of applicants for
22 certification, when required, shall be held at such times and places as
23 determined by the board with the director's approval. The scope of the
24 examination must be directed to an applicant's ability to practice soil
25 science or wetland science. An applicant failing an examination may
26 apply for reexamination.

27 NEW SECTION. **Sec. 11.** (1) The director shall issue a certificate
28 to any applicant who has satisfactorily met all of the requirements of
29 this chapter for certification as a soil scientist or wetland
30 scientist. The certificate must show the full name of the holder, have
31 a unique certification number, and be signed by the director. The
32 issuance by the director of a certificate to an individual is prima
33 facie evidence that the person is entitled to all the rights and
34 privileges of a certified soil scientist or wetland scientist while the
35 certificate remains unrevoked or unexpired.

1 (2) Each holder must obtain a seal of the design authorized by the
2 director, bearing the holder's name, certification number, and the
3 legend "certified soil scientist" or "certified wetland scientist."
4 Soil science or wetland science reports, plans, and other technical
5 documents prepared by or under the responsible charge of the holder
6 must be signed, dated, and stamped with the seal or facsimile of the
7 seal. Each signature and stamping constitutes a certification by the
8 holder that the document was prepared by or under the holder's
9 responsible charge and that to the holder's knowledge and belief the
10 document was prepared in accordance with the requirements of this
11 chapter.

12 NEW SECTION. **Sec. 12.** The director may issue a certificate
13 without further examination to any person who holds valid credentials
14 issued by the proper authority of any state, territory, or possession
15 of the United States, District of Columbia, or any foreign country, if
16 the applicant's qualifications, as evaluated by the board, meet the
17 requirements of this chapter and the rules adopted by the director.

18 NEW SECTION. **Sec. 13.** The board shall require persons certified
19 under this chapter to obtain continuing professional development or
20 continuing education. The board may also require these certificate
21 holders to demonstrate maintenance of knowledge and skills as a
22 condition of certificate renewal, including peer review of work
23 products and periodic reexamination.

24 NEW SECTION. **Sec. 14.** Certificates issued under this chapter
25 shall be renewed periodically on a date to be set by the director in
26 conformance with RCW 43.24.140. Any certificate that has been expired
27 for five years or more may be reinstated in conformance with rules
28 adopted by the director. Reinstatement conditions may include
29 demonstration of continued practice or competency in the practice of
30 soil science or wetland science.

31 NEW SECTION. **Sec. 15.** All receipts from fines collected under
32 this chapter must be deposited into the geologists' account created in
33 RCW 18.220.120. Expenditures from the fines collected under this

1 chapter deposited in the account may be used only for the purposes of
2 administering this chapter.

3 NEW SECTION. **Sec. 16.** In addition to the unprofessional conduct
4 described in RCW 18.235.130, the following conduct, acts, and
5 conditions constitute unprofessional conduct:

6 (1) Violating any of the provisions of this chapter or the rules
7 adopted under this chapter;

8 (2) Committing any other act, or failing to act, which act or
9 failure is customarily regarded as being contrary to the accepted
10 professional conduct or standard generally expected of those practicing
11 soil science or wetland science;

12 (3) Failing to comply with the terms and conditions of an order
13 issued by the board;

14 (4) Failing to respond to inquiries from clients or other
15 professionals regarding conflicts with the holder's work, opinions, or
16 procedures, in a manner that would be expected from a prudent
17 practitioner;

18 (5) Modifying another holder's work without notifying that holder
19 and clearly describing the modifications in writing and signing the
20 report describing the modifications. However, this subsection does not
21 apply when the plans, maps, or documents are modified by the owner to
22 reflect changes over time for their own purposes and are not used for
23 submittals or bid documents;

24 (6) Offering or accepting money, goods, or other favors as
25 inducement to receive favorable consideration for a professional
26 assignment or as an inducement to approve, authorize, or influence the
27 granting of a professional assignment;

28 (7) Soliciting or accepting gratuities, directly or indirectly,
29 from contractors, their agents, or other parties dealing with clients
30 or employers in connection with work for which the holder is
31 responsible;

32 (8) Using privileged information coming to the holder in the course
33 of his or her assignments as a means of making personal profit beyond
34 their professional compensation;

35 (9) Requesting, proposing, or accepting professional commissions on
36 a contingent basis under circumstances in which the holder's integrity
37 may be compromised;

1 (10) Willfully attempting to interfere with a board investigation
2 by falsifying records, making false statements, or intimidating or
3 influencing witnesses; or

4 (11) Willfully attempting to suborn another person to violate the
5 law, public policy, or their code of professional ethics.

6 NEW SECTION. **Sec. 17.** The board shall immediately suspend the
7 certificate of a person who has been certified pursuant to RCW
8 74.20A.320 by the department of social and health services as a person
9 who is not in compliance with a child support order. If the person has
10 continued to meet all other requirements for a certificate under this
11 chapter during the suspension, reissuance of the certificate shall be
12 automatic upon the board's receipt of a release issued by the
13 department of social and health services stating that the holder is in
14 compliance with the child support order. The procedure in RCW
15 74.20A.320 is the exclusive administrative remedy for contesting the
16 establishment of noncompliance with a child support order, and
17 suspension of a certificate under this section, and satisfies the
18 requirements of RCW 34.05.422.

19 NEW SECTION. **Sec. 18.** The uniform regulation of business and
20 professions act, chapter 18.235 RCW, governs the issuance and denial of
21 certificates, and the discipline of holders under this chapter.

22 NEW SECTION. **Sec. 19.** A new section is added to chapter 18.220
23 RCW to read as follows:

24 The board has the following authority in administering chapter
25 18.-- RCW (sections 1 through 18 of this act):

26 (1) To adopt, amend, and rescind rules as deemed necessary to carry
27 out this chapter;

28 (2) To establish the minimum qualifications for applicants for
29 certification as provided by chapter 18.-- RCW (sections 1 through 18
30 of this act);

31 (3) To approve the method of administration for examinations
32 required by chapter 18.-- RCW (sections 1 through 18 of this act) or by
33 rule, to adopt or recognize examinations prepared by other
34 organizations, and to set the time and place of examinations with the
35 approval of the director; and

1 (4) To adopt standards of professional conduct and practice.

2 **Sec. 20.** RCW 18.235.020 and 2007 c 256 s 12 are each amended to
3 read as follows:

4 (1) This chapter applies only to the director and the boards and
5 commissions having jurisdiction in relation to the businesses and
6 professions licensed under the chapters specified in this section.
7 This chapter does not apply to any business or profession not licensed
8 under the chapters specified in this section.

9 (2)(a) The director has authority under this chapter in relation to
10 the following businesses and professions:

11 (i) Auctioneers under chapter 18.11 RCW;

12 (ii) Bail bond agents and bail bond recovery agents under chapter
13 18.185 RCW;

14 (iii) Camping resorts' operators and salespersons under chapter
15 19.105 RCW;

16 (iv) Commercial telephone solicitors under chapter 19.158 RCW;

17 (v) Cosmetologists, barbers, manicurists, and estheticians under
18 chapter 18.16 RCW;

19 (vi) Court reporters under chapter 18.145 RCW;

20 (vii) Driver training schools and instructors under chapter 46.82
21 RCW;

22 (viii) Employment agencies under chapter 19.31 RCW;

23 (ix) For hire vehicle operators under chapter 46.72 RCW;

24 (x) Limousines under chapter 46.72A RCW;

25 (xi) Notaries public under chapter 42.44 RCW;

26 (xii) Private investigators under chapter 18.165 RCW;

27 (xiii) Professional boxing, martial arts, and wrestling under
28 chapter 67.08 RCW;

29 (xiv) Real estate appraisers under chapter 18.140 RCW;

30 (xv) Real estate brokers and salespersons under chapters 18.85 and
31 18.86 RCW;

32 (xvi) Security guards under chapter 18.170 RCW;

33 (xvii) Sellers of travel under chapter 19.138 RCW;

34 (xviii) Timeshares and timeshare salespersons under chapter 64.36
35 RCW; and

36 (xix) Whitewater river outfitters under chapter 79A.60 RCW.

1 (b) The boards and commissions having authority under this chapter
2 are as follows:

3 (i) The state board of registration for architects established in
4 chapter 18.08 RCW;

5 (ii) The cemetery board established in chapter 68.05 RCW;

6 (iii) The Washington state collection agency board established in
7 chapter 19.16 RCW;

8 (iv) The state board of registration for professional engineers and
9 land surveyors established in chapter 18.43 RCW governing licenses
10 issued under chapters 18.43 and 18.210 RCW;

11 (v) The state board of funeral directors and embalmers established
12 in chapter 18.39 RCW;

13 (vi) The state board of registration for landscape architects
14 established in chapter 18.96 RCW; and

15 (vii) The state geologist licensing board established in chapter
16 18.220 RCW, including with respect to chapter 18.-- RCW (sections 1
17 through 18 of this act).

18 (3) In addition to the authority to discipline license holders, the
19 disciplinary authority may grant or deny licenses based on the
20 conditions and criteria established in this chapter and the chapters
21 specified in subsection (2) of this section. This chapter also governs
22 any investigation, hearing, or proceeding relating to denial of
23 licensure or issuance of a license conditioned on the applicant's
24 compliance with an order entered under RCW 18.235.110 by the
25 disciplinary authority.

26 NEW SECTION. Sec. 21. If any provision of this act or its
27 application to any person or circumstance is held invalid, the
28 remainder of the act or the application of the provision to other
29 persons or circumstances is not affected.

30 NEW SECTION. Sec. 22. Sections 1 through 18 of this act
31 constitute a new chapter in Title 18 RCW.

32 NEW SECTION. Sec. 23. Sections 1 through 21 of this act take
33 effect January 1, 2010.

1 NEW SECTION. **Sec. 24.** The director of the department of licensing
2 may take the necessary steps to ensure that sections 1 through 21 of
3 this act are implemented on January 1, 2010.

--- END ---
