

1 NEW SECTION. **Sec. 102.** The proceeds from the sale of the bonds
2 authorized in section 101 of this act shall be deposited in the state
3 building construction account created by RCW 43.83.020. If the state
4 finance committee deems it necessary to issue taxable bonds in order to
5 comply with federal internal revenue service rules and regulations
6 pertaining to the use of nontaxable bond proceeds, the proceeds of such
7 taxable bonds shall be transferred to the state taxable building
8 construction account in lieu of any deposits otherwise provided by this
9 section. The state treasurer shall submit written notice to the
10 director of financial management if it is determined that any such
11 transfer to the state taxable building construction account is
12 necessary. Moneys in the account may be spent only after
13 appropriation. These proceeds shall be used exclusively for the
14 purposes specified in section 101 of this act and for the payment of
15 expenses incurred in the issuance and sale of the bonds. These
16 proceeds shall be administered by the office of financial management
17 subject to legislative appropriation.

18 NEW SECTION. **Sec. 103.** (1) The debt-limit general fund bond
19 retirement account shall be used for the payment of the principal of
20 and interest on the bonds authorized in section 101 of this act.

21 (2) The state finance committee shall, on or before June 30th of
22 each year, certify to the state treasurer the amount needed in the
23 ensuing twelve months to meet the bond retirement and interest
24 requirements. On each date on which any interest or principal and
25 interest payment is due the state treasurer shall withdraw from any
26 general state revenues received in the state treasury and deposit in
27 the debt-limit general fund bond retirement account an amount equal to
28 the amount certified by the state finance committee to be due on the
29 payment date.

30 NEW SECTION. **Sec. 104.** (1) Bonds issued under section 101 of this
31 act shall state that they are a general obligation of the state of
32 Washington, shall pledge the full faith and credit of the state to the
33 payment of the principal thereof and the interest thereon, and shall
34 contain an unconditional promise to pay the principal and interest as
35 the same shall become due.

1 (2) The owner and holder of each of the bonds or the trustee for
2 the owner and holder of any of the bonds may by mandamus or other
3 appropriate proceeding require the transfer and payment of funds as
4 directed in this section.

5 NEW SECTION. **Sec. 105.** The legislature may provide additional
6 means for raising moneys for the payment of the principal of and
7 interest on the bonds authorized in section 101 of this act, and
8 section 103 of this act shall not be deemed to provide an exclusive
9 method for the payment.

10 NEW SECTION. **Sec. 106.** The bonds authorized in section 101 of
11 this act shall be a legal investment for all state funds or funds under
12 state control and for all funds of any other public body.

13 **PART 2**

14 NEW SECTION. **Sec. 201.** The legislature finds that the state's
15 skill centers are a vital component of the future economic prosperity
16 of our state and provide students with access to high-quality academic
17 and technical skills instruction. Skill centers challenge, motivate,
18 and provide opportunities for students to achieve in basic skills,
19 critical thinking, leadership, and work skills through hands-on
20 education, applied academics, and technology training using a
21 cost-effective delivery model. The legislature further finds that
22 barriers to access exist for students in rural and high-density areas,
23 but the development of satellite and branch campus programs will
24 provide the needed access. The legislature further finds that existing
25 and proposed new skill centers will require facilities and equipment
26 that simulate business and industry. Therefore, it is the intent of
27 the legislature to provide a new source of funding for the critical
28 capital needs of the state's skill centers to enhance access to career
29 and technical education opportunities and to improve the condition of
30 existing facilities. Enhanced capital funding will provide skill
31 centers the ability to fulfill their critical role in maintaining and
32 stimulating the state's economy and expanding quality academic and
33 career and technical education opportunities to more students,
34 especially students who lack access to these programs to date.

1 In the interest of funding equity and ensuring a commitment to the
2 new development, major renovation, or expansion of skill centers, all
3 school district partners must contribute to the acquisition or major
4 capital costs of skill center projects supported by this act to the
5 greatest extent feasible.

6 NEW SECTION. **Sec. 202.** For the purpose of providing needed
7 capital improvements consisting of the predesign, design, acquisition,
8 construction, modification, renovation, expansion, equipping, and other
9 improvements of skill centers facilities, including capital
10 improvements to support satellite or branch campus programs for
11 underserved rural areas or high-density areas, the state finance
12 committee is authorized to issue general obligation bonds of the state
13 of Washington in the sum of one hundred million dollars, or as much
14 thereof as may be required, to finance all or a part of these projects
15 and all costs incidental thereto. Bonds authorized in this section may
16 be sold at such price as the state finance committee shall determine.
17 No bonds authorized in this section may be offered for sale without
18 prior legislative appropriation of the net proceeds of the sale of the
19 bonds. If the state finance committee deems it necessary to issue
20 taxable bonds in order to comply with federal internal revenue service
21 rules and regulations pertaining to the use of nontaxable bond
22 proceeds, the proceeds of such taxable bonds shall be transferred to
23 the state taxable building construction account in lieu of any deposits
24 otherwise provided by this section. The state treasurer shall submit
25 written notice to the director of financial management if it is
26 determined that any such transfer to the state taxable building
27 construction account is necessary.

28 NEW SECTION. **Sec. 203.** This chapter is not intended to limit the
29 legislature's ability to appropriate bond proceeds if the full amount
30 authorized in this chapter has not been appropriated after one biennia,
31 and the authorization to issue bonds contained in this chapter does not
32 expire until the full authorization has been appropriated and issued.

33 NEW SECTION. **Sec. 204.** (1) The proceeds from the sale of the
34 bonds authorized in section 202 of this act shall be deposited in the
35 skill centers building account created in section 210 of this act.

1 (2) The proceeds shall be used exclusively for the purposes stated
2 in section 202 of this act and for the payment of the expenses incurred
3 in connection with the sale and issuance of the bonds.

4 NEW SECTION. **Sec. 205.** (1) The nondebt-limit reimbursable bond
5 retirement account must be used for the payment of the principal and
6 interest on the bonds authorized in section 202 of this act.

7 (2)(a) The state finance committee must, on or before June 30th of
8 each year, certify to the state treasurer the amount needed in the
9 ensuing twelve months to meet the bond retirement and interest
10 requirements on the bonds authorized in section 202 of this act.

11 (b) On or before the date on which any interest or principal and
12 interest is due, the state treasurer shall transfer from that portion
13 of the common school construction fund derived from the interest on the
14 permanent common school fund into the nondebt-limit reimbursable bond
15 retirement account the amount computed in (a) of this subsection for
16 bonds issued for the purposes of section 202 of this act. Any
17 deficiency in such transfer shall be made up as soon as moneys are
18 available for transfer and shall constitute a continuing obligation of
19 that portion of the common school construction fund derived from the
20 interest on the permanent common school fund until all deficiencies are
21 fully paid.

22 NEW SECTION. **Sec. 206.** (1) Bonds issued under section 202 of this
23 act shall state that they are a general obligation of the state of
24 Washington, shall pledge the full faith and credit of the state to the
25 payment of the principal thereof and the interest thereon, and shall
26 contain an unconditional promise to pay the principal and interest as
27 the same shall become due.

28 (2) The owner and holder of each of the bonds or the trustee for
29 the owner and holder of any of the bonds may by mandamus or other
30 appropriate proceeding require the transfer and payment of funds as
31 directed in this section.

32 NEW SECTION. **Sec. 207.** The bonds authorized in section 202 of
33 this act shall be a legal investment for all state funds or funds under
34 state control and for all funds of any other public body.

1 public agency created by the state but not by counties, cities, towns,
2 school districts, or other municipal corporations, and shall include
3 debt incurred pursuant to section 3 of Article VIII of the Washington
4 state Constitution, but shall exclude the following:

5 (1) Obligations for the payment of current expenses of state
6 government;

7 (2) Indebtedness incurred pursuant to RCW 39.42.080 or 39.42.090;

8 (3) Principal of and interest on bond anticipation notes;

9 (4) Any indebtedness which has been refunded;

10 (5) Financing contracts entered into under chapter 39.94 RCW;

11 (6) Indebtedness authorized or incurred before July 1, 1993,
12 pursuant to statute which requires that the state treasury be
13 reimbursed, in the amount of the principal of and the interest on such
14 indebtedness, from money other than general state revenues or from the
15 special excise tax imposed pursuant to chapter 67.40 RCW;

16 (7) Indebtedness authorized and incurred after July 1, 1993,
17 pursuant to statute that requires that the state treasury be
18 reimbursed, in the amount of the principal of and the interest on such
19 indebtedness, from (a) moneys outside the state treasury, except higher
20 education operating fees, (b) higher education building fees, (c)
21 indirect costs recovered from federal grants and contracts, and (d)
22 fees and charges associated with hospitals operated or managed by
23 institutions of higher education;

24 (8) Any agreement, promissory note, or other instrument entered
25 into by the state finance committee under RCW 39.42.030 in connection
26 with its acquisition of bond insurance, letters of credit, or other
27 credit support instruments for the purpose of guaranteeing the payment
28 or enhancing the marketability, or both, of any state bonds, notes, or
29 other evidence of indebtedness;

30 (9) Indebtedness incurred for the purposes identified in RCW
31 43.99N.020;

32 (10) Indebtedness incurred for the purposes of the school district
33 bond guaranty established by chapter 39.98 RCW;

34 (11) Indebtedness incurred for the purposes of replacing the
35 waterproof membrane over the east plaza garage and revising related
36 landscaping construction pursuant to RCW 43.99Q.070;

37 (12) Indebtedness incurred for the purposes of the state

1 legislative building rehabilitation, to the extent that principal and
2 interest payments of such indebtedness are paid from the capitol
3 building construction account pursuant to RCW 43.99Q.140(2)(b); (~~and~~)

4 (13) Indebtedness incurred for the purposes of financing projects
5 under RCW 47.10.867; and

6 (14) Indebtedness incurred for the purposes of capital improvements
7 for skill centers under section 202 of this act.

8 To the extent necessary because of the constitutional or statutory
9 debt limitation, priorities with respect to the issuance or
10 guaranteeing of bonds, notes, or other evidences of indebtedness by the
11 state shall be determined by the state finance committee.

12 **Sec. 302.** RCW 28A.245.030 and 2007 c 463 s 4 are each amended to
13 read as follows:

14 (1) The office of the superintendent of public instruction shall
15 review and revise the guidelines for skill centers to encourage skill
16 center programs. The superintendent, in cooperation with the workforce
17 training and education coordinating board, skill center directors, and
18 the Washington association for career and technical education, shall
19 review and revise the existing skill centers' policy guidelines and
20 create and adopt rules governing skill centers as follows:

21 (a) The threshold enrollment at a skill center shall be revised so
22 that a skill center program need not have a minimum of seventy percent
23 of its students enrolled on the skill center core campus in order to
24 facilitate serving rural students through expansion of skill center
25 programs by means of satellite programs or branch campuses;

26 (b) The developmental planning for branch campuses shall be
27 encouraged. Underserved rural areas or high-density areas may partner
28 with an existing skill center to create satellite programs or a branch
29 campus. Once a branch campus reaches sufficient enrollment to become
30 self-sustaining, it may become a separate skill center or remain an
31 extension of the founding skill center; and

32 (c) Satellite and branch campus programs shall be encouraged to
33 address high-demand fields.

34 (2) Rules adopted under this section shall allow for innovative
35 models of satellite and branch campus programs, and such programs shall
36 not be limited to those housed in physical buildings.

1 (3) The superintendent of public instruction shall develop and
2 deliver a ten-year capital plan for legislative review before
3 implementation. The superintendent of public instruction shall adopt
4 rules that set as a goal a ten percent minimum local project
5 contribution threshold for major skill center projects, unless there is
6 a compelling rationale not to do so, including but not limited to local
7 economic conditions, as determined by the superintendent of public
8 instruction. This applies to the acquisition or major capital costs of
9 skill center projects as outlined in the ten-year capital plan.

10 (4) Subject to available funding, the superintendent shall:

11 (a) Conduct approved feasibility studies for serving noncooperative
12 rural and high-density area students in their geographic areas; and

13 (b) Develop a statewide master plan that identifies standards and
14 resources needed to create a technology infrastructure for connecting
15 all skill centers to the K-20 network.

16 NEW SECTION. Sec. 303. Sections 101 through 106 of this act
17 constitute a new chapter in Title 43 RCW.

18 NEW SECTION. Sec. 304. Sections 201 through 210 of this act
19 constitute a new chapter in Title 28A RCW.

20 NEW SECTION. Sec. 305. Part headings used in this act are not any
21 part of the law.

22 NEW SECTION. Sec. 306. If any provision of this act or its
23 application to any person or circumstance is held invalid, the
24 remainder of the act or the application of the provision to other
25 persons or circumstances is not affected.

26 NEW SECTION. Sec. 307. This act is necessary for the immediate
27 preservation of the public peace, health, or safety, or support of the
28 state government and its existing public institutions, and takes effect
29 immediately.
