1 AN ACT Relating to a wildlife rehabilitation program; amending RCW
2 46.16.606; adding new sections to chapter 77.12 RCW; and creating new
3 sections.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** The paramount duty of the department of fish
6 and wildlife is to preserve, protect, and perpetuate all wildlife
7 species. The wildlife of Washington belongs to the citizens of this
8 state and is a valuable resource that must be protected and cared for
9 in order to preserve this resource for Washington's future. As
10 Washington's population continues to expand and more land that was once
11 wildlife habitat is developed for homes and businesses, injury to and
12 human interactions with wildlife is on the rise. Licensed wildlife
13 rehabilitators often work closely with local law enforcement, animal
14 control officers, wildlife enforcement officers, and wildlife
15 biologists at the state and federal levels to aid in the safe capture,
16 testing for disease, medical treatment, rehabilitation, and release of
17 wildlife. The state recognizes the critical role licensed wildlife
18 rehabilitators play in capturing and caring for the sick, injured, and
19 orphaned wildlife of Washington state.

1 **Sec. 2.** RCW 46.16.606 and 1991 sp.s. c 7 s 13 are each amended to
2 read as follows:

3 In addition to the fees imposed in RCW 46.16.585 for application
4 and renewal of personalized license plates an additional fee of (~~ten~~)
5 twelve dollars shall be charged. (~~The revenue~~) Ten dollars from the
6 additional fee shall be deposited in the state wildlife (~~fund~~)
7 account and used for the management of resources associated with the
8 nonconsumptive use of wildlife. Two dollars from the additional fee
9 shall be deposited into the wildlife rehabilitation account created
10 under section 3 of this act.

11 NEW SECTION. **Sec. 3.** A new section is added to chapter 77.12 RCW
12 to read as follows:

13 The wildlife rehabilitation account is created in the state
14 treasury. All receipts from moneys directed to the account from RCW
15 46.16.606 must be deposited into the account. Moneys in the account
16 may be spent only after appropriation. Expenditures from the account
17 may be used only for the support of the wildlife rehabilitation program
