60th Legislature

2007 Regular Session

By Senate Committee on Ways & Means (originally sponsored by Senators Berkey, Kauffman, Haugen, Eide, Kastama, Schoesler, Shin, Hatfield, Keiser, Rasmussen, Kline and Regala)

READ FIRST TIME 03/02/07.

1 AN ACT Relating to increasing the personal needs allowance for
2 persons receiving state-financed care; adding a new section to chapter
3 74.09 RCW; creating a new section; providing an effective date; and
4 declaring an emergency.

5 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

6 NEW SECTION. **Sec. 1.** (1) The legislature finds that through the
7 medicaid program, state and federal government fund long-term care,
8 mental health, and medical services for many elderly persons and people
9 with disabilities, both in institutions and in community alternatives.
10 The legislature also finds that a significant portion of these
11 individuals' social security benefits is retained by the state to
12 assist with the cost of their care. The legislature intends that these
13 individuals retain for their own use a reasonable personal needs
14 allowance which may be used to purchase clothing, postage, barber
15 services, travel, and other personal items not covered by their care
16 setting, in order to ensure their autonomy and dignity.

17 (2) It is the intent of the legislature to adjust the personal
18 needs allowance annually to reflect cost-of-living adjustments to

1 federal social security benefits for medicaid-eligible residents in
2 institutions and community-based residential settings receiving long-
3 term care, developmental disabilities, or mental health services.

4 NEW SECTION. **Sec. 2.** A new section is added to chapter 74.09 RCW
5 to read as follows:

6 Effective July 1, 2007, and each fiscal year thereafter, the
7 personal needs allowance shall be adjusted for economic trends and
8 conditions by increasing the allowance by the percentage cost-of-living
9 adjustment for old-age, survivors, and disability social security
10 benefits as published by the federal social security administration.
11 However, in no case shall the personal needs allowance exceed the
12 maximum personal needs allowance permissible under the federal social
13 security act.

14 NEW SECTION. **Sec. 3.** This act is necessary for the immediate
15 preservation of the public peace, health, or safety, or support of the
16 state government and its existing public institutions, and takes effect
17 July 1, 2007.
