
SUBSTITUTE SENATE BILL 6499

State of Washington

60th Legislature

2008 Regular Session

By Senate Consumer Protection & Housing (originally sponsored by Senators Weinstein, Delvin, Honeyford, Benton, and Kline; by request of Attorney General)

READ FIRST TIME 02/06/08.

1 AN ACT Relating to spyware; amending RCW 19.270.010, 19.270.020,
2 19.270.040, 19.270.050, and 19.270.060; and repealing RCW 19.270.030.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 **Sec. 1.** RCW 19.270.010 and 2005 c 500 s 1 are each amended to read
5 as follows:

6 The definitions in this section apply throughout this chapter
7 unless the context clearly requires otherwise.

8 (1) "Advertisement" means a communication, the primary purpose of
9 which is the commercial promotion of a commercial product or service,
10 including a communication on an internet web site that is operated for
11 a commercial purpose.

12 (2) "Computer software" means a sequence of instructions written in
13 any programming language that is executed on a computer. "Computer
14 software" does not include computer software that is a web page, or are
15 data components of web pages that are not executable independently of
16 the web page.

17 (3) "Damage" means any significant impairment to the integrity or
18 availability of data, computer software, a system, or information.

1 (4) "Deceptive" means: (a) A materially false or fraudulent
2 statement; or (b) a statement or description that omits or
3 misrepresents material information in order to deceive an owner or
4 operator.

5 (5) "Execute" means the performance of the functions or the
6 carrying out of the instructions of the computer software.

7 ~~((5) "Intentionally deceptive" means any of the following:~~
8 ~~(a) An intentionally and materially false or fraudulent statement;~~
9 ~~(b) A statement or description that intentionally omits or~~
10 ~~misrepresents material information in order to deceive an owner or~~
11 ~~operator; and~~

12 ~~(c) An intentional and material failure to provide any notice to an~~
13 ~~owner or operator regarding the installation or execution of computer~~
14 ~~software in order to deceive the owner or operator.))~~

15 (6) "Internet" means the global information system that is
16 logically linked together by a globally unique address space based on
17 the internet protocol (IP), or its subsequent extensions, and that is
18 able to support communications using the transmission control
19 protocol/internet protocol (TCP/IP) suite, or its subsequent
20 extensions, or other IP-compatible protocols, and that provides, uses,
21 or makes accessible, either publicly or privately, high level services
22 layered on the communications and related infrastructure described in
23 this subsection.

24 (7) "Owner or operator" means the owner or lessee of a computer, or
25 someone using such computer with the owner's or lessee's authorization.
26 "Owner or operator" does not include any person who owns a computer
27 before the first retail sale of such computer.

28 (8) "Person" means any individual, partnership, corporation,
29 limited liability company, or other organization, or any combination
30 thereof.

31 (9) "Personally identifiable information" means any of the
32 following with respect to an individual who is an owner or operator:

- 33 (a) First name or first initial in combination with last name;
34 (b) A home or other physical address including street name;
35 (c) An electronic mail address;
36 (d) A credit or debit card number, bank account number, or a
37 password or access code associated with a credit or debit card or bank
38 account;

1 (e) Social security number, tax identification number, driver's
2 license number, passport number, or any other government-issued
3 identification number; ~~((and))~~ or

4 (f) Any of the following information in a form that personally
5 identifies an owner or operator:

6 (i) Account balances;

7 (ii) Overdraft history; ~~((and))~~ or

8 (iii) Payment history.

9 (10) "Procure" means to knowingly, or with conscious avoidance of
10 knowledge, pay or provide other consideration to, or induce, another
11 person to transmit on one's behalf.

12 (11) "Transmit" means to knowingly, or with conscious avoidance of
13 knowledge, transfer, send, or make available computer software, or any
14 component thereof, via the internet or any other medium, including
15 local area networks of computers, other nonwire transmission, and disc
16 or other data storage device. "Transmit" does not include any action
17 by a person providing:

18 (a) The internet connection, telephone connection, or other means
19 of transmission capability (~~((such as a compact disk or digital video~~
20 ~~disk))~~) through which the software was made available;

21 (b) The storage or hosting of the software program or a web page
22 through which the software was made available, unless the person
23 providing the storage or hosting services knows or reasonably should
24 know there is or will be a violation of this chapter, and participates
25 in or ratifies the actions constituting the violation; or

26 (c) An information location tool, such as a directory, index
27 reference, pointer, or hypertext link, through which the user of the
28 computer located the software, unless such person receives a direct
29 economic benefit from the execution of such software on the computer.

30 **Sec. 2.** RCW 19.270.020 and 2005 c 500 s 2 are each amended to read
31 as follows:

32 It is unlawful for a person (~~((who is not an owner or operator to~~
33 ~~transmit computer software to the owner or operator's computer with~~
34 ~~actual knowledge or with conscious avoidance of actual knowledge and to~~
35 ~~use such software to do)), without the authorization of the owner or
36 operator, to transmit, or procure the transmission of, software to the~~

1 owner or operator's computer with actual knowledge or conscious
2 avoidance of actual knowledge that the software does any of the
3 following:

4 (1) ~~((Modify))~~ Modifies, through ~~((intentionally))~~ deceptive means,
5 settings that control any of the following:

6 (a) The page that appears when an owner or operator launches an
7 internet browser or similar computer software used to access and
8 navigate the internet;

9 (b) The default provider or web proxy the owner or operator uses to
10 access or search the internet; ~~((and))~~

11 (c) The owner or operator's list of bookmarks used to access web
12 pages; or

13 (d) The toolbars or buttons of the owner or operator's internet
14 browser or similar computer software used to access and navigate the
15 internet;

16 (2) Collects, through intentionally deceptive means, personally
17 identifiable information(~~+~~

18 ~~(a) Through the use of a keystroke logging function that records~~
19 ~~all keystrokes made by an owner or operator and transfers that~~
20 ~~information from the computer to another person;~~

21 ~~(b) In a manner that correlates such information with data~~
22 ~~respecting all or substantially all of the web sites visited by an~~
23 ~~owner or operator, other than web sites operated by the person~~
24 ~~collecting such information; and~~

25 ~~(c) Described in RCW 19.270.010(9) (d), (e), or (f)(i) or (ii) by~~
26 ~~extracting the information from the owner or operator's hard drive))~~
27 through the use of a keystroke-logging function or through extracting
28 the information from the owner or operator's hard drive;

29 (3) Prevents, through intentionally deceptive means, an owner or
30 operator's reasonable efforts to block the installation or execution
31 of, or to disable, computer software ~~((by causing the software that the~~
32 ~~owner or operator has properly removed or disabled automatically to~~
33 ~~reinstall or reactivate on the computer))~~;

34 (4) ~~((Intentionally))~~ Misrepresents that computer software will be
35 uninstalled or disabled by an owner or operator's action; ~~((and))~~

36 (5) Through intentionally deceptive means, removes, disables, or
37 renders inoperative security, antispymware, or antivirus computer

1 software installed on the computer, or through intentionally deceptive
2 means disables the ability of such computer software to update
3 automatically;

4 (6) Accesses or uses the modem or internet service for such
5 computer to cause damage to the computer or cause an owner or operator
6 to incur financial charges for a service that is not authorized by the
7 owner or operator;

8 (7) Opens multiple, sequential, stand-alone advertisements in the
9 owner or operator's computer without the authorization of the owner or
10 operator and that a reasonable computer user cannot close without
11 turning off the computer or closing the internet browser;

12 (8) Uses the owner or operator's computer as part of an activity
13 performed by a group of computers for the purpose of causing damage to
14 another computer or person including, but not limited to, launching a
15 denial of service attack;

16 (9) Transmits or relays commercial electronic mail or a computer
17 virus from the owner or operator's computer, where the transmission or
18 relaying is initiated by a person other than the owner or operator;

19 (10) Modifies any of the following settings related to the
20 computer's access to, or use of, the internet:

21 (a) Settings that protect information about the owner or operator
22 in order to make unauthorized use of the owner or operator's personally
23 identifiable information; or

24 (b) Security settings in order to cause damage to a computer; or

25 (11) Prevents an owner or operator's reasonable efforts to block
26 the installation of, or to disable, computer software by doing any of
27 the following:

28 (a) Presenting the owner or operator with an option to decline
29 installation of computer software and with knowledge or conscious
30 avoidance of knowledge that when the option is selected the
31 installation nevertheless proceeds; or

32 (b) Falsely representing that computer software has been disabled.

33 **Sec. 3.** RCW 19.270.040 and 2005 c 500 s 4 are each amended to read
34 as follows:

35 It is unlawful for a person who is not an owner or operator to do
36 any of the following with regard to the owner or operator's computer:

1 (1) Induce an owner or operator to install a computer software
2 component onto the computer by (~~intentionally~~) deceptively
3 misrepresenting the extent to which installing the software is
4 necessary for maintenance, update, or repair of the computer or
5 computer software, for security or privacy reasons (~~or~~), for the
6 proper operation of the computer, in order to open, view, or play a
7 particular type of content; (~~and~~) or

8 (2) Induce an owner or operator to install a computer software
9 component onto the computer by displaying a pop-up, web page, or other
10 message that deceptively misrepresents the source of the message; or

11 (3) Deceptively cause the execution on the computer of a computer
12 software component (~~with the intent of causing~~) that causes the owner
13 or operator to use the component in a manner that violates any other
14 provision of this section.

15 **Sec. 4.** RCW 19.270.050 and 2005 c 500 s 5 are each amended to read
16 as follows:

17 Neither RCW (~~19.270.030 or~~) 19.270.020 (5) through (11) nor
18 (~~or~~) 19.270.040 (~~does not~~) apply to any monitoring of, or
19 interaction with, a subscriber's internet or other network connection
20 or service, or a computer, by a telecommunications carrier, cable
21 operator, computer hardware or software provider, or provider of
22 information service or interactive computer service for network or
23 computer security purposes, diagnostics, technical support,
24 maintenance, repair, authorized updates of software or system firmware,
25 authorized remote system management, or detection or prevention of the
26 unauthorized use of or fraudulent or other illegal activities in
27 connection with a network, service, or computer software, including
28 scanning for and removing software under this chapter. This section
29 shall not be construed to provide a defense to liability under common
30 law, or any other applicable state or federal law, nor shall it be
31 construed as an affirmative grant of authority to engage in any of the
32 activities listed in this section.

33 **Sec. 5.** RCW 19.270.060 and 2005 c 500 s 6 are each amended to read
34 as follows:

35 (1) In addition to any other remedies provided by this chapter or
36 any other provision of law, the attorney general, or a provider of

1 computer software or owner of a web site or trademark who is adversely
2 affected by reason of a violation of this chapter, and whose action
3 arises directly out of such person's status as a provider or owner, may
4 bring an action against a person who violates this chapter to enjoin
5 further violations and to recover either actual damages or one hundred
6 thousand dollars per violation, whichever is greater.

7 (2) In an action under subsection (1) of this section, a court may
8 increase the damages up to three times the damages allowed under
9 subsection (1) of this section if the defendant has engaged in a
10 pattern and practice of violating this chapter. The court may also
11 award costs and reasonable attorneys' fees to the prevailing party.

12 (3) The amount of damages determined under subsection (1) or (2) of
13 this section may not exceed two million dollars.

14 NEW SECTION. **Sec. 6.** RCW 19.270.030 (Unlawful activities--Taking
15 control of computer--Modification of computer's setting--Preventing
16 installation of certain software) and 2005 c 500 s 3 are each repealed.

--- END ---
